

# REAP THE BENEFITS OF INTEGRATED PAYMENT PROCESSING WITH LexisNexis® PCLaw™ Billing and Accounting Software

PCLaw™ integrated credit card processing, powered by Payment Processing, Inc. (PPI™) allows you to offer clients the easiest, most convenient payment option. Our integrated payment solution for PCLaw gives you access to experts at PPI who understand your needs and are available 24/7/365 at no additional cost to you. A typical bank can't offer you that kind of support.

You'll save time and money with the industry's only comprehensive integrated payment solution for PCLaw.

With the PPI solution, you can enter credit card information directly into PCLaw for easy and efficient one-step payment processing. PPI gives you one resource for everything you need:

- **Superior Payment Technology Integrated with PCLaw.** Our next-generation solution helps streamline your internal processes and can soon pay for itself! PPI experts get you up and running quickly and smoothly. Payment receipts automatically update your client and accounting data. Save time ... save money ... and gain simplicity!

- **Unwavering Technical Support.** You'll never again be "bounced" between vendors because nobody knows what's going on. Just call the free, unlimited 24/7/365 PPI "Answer-the-Phone" help desk for all your payment software and transaction issues. PPI handles everything!
- **Better-Than-Bank Merchant Services.** An integrated payment solution requires technology expertise that a typical bank just can't offer. With PPI you receive all the support you need—including affordable merchant services—without having to change bank accounts.

- **Quickly Guarantee Payment**  
Authorization is received in seconds.
- **Increase Cash Flow**  
Get paid faster and reduce the amount of outstanding invoices.
- **Save Time**  
Reduce the amount of time spent on collection calls.
- **Increase Customer Satisfaction**  
Allow more payment options for clients.
