

Shepard's® Citations Service

The *Shepard's* Citations Service is available in print format and can be found exclusively on the LexisNexis services at www.lexis.com. *Shepard's* helps you quickly validate your research to ensure you have good law, a critical step in the research process. This easy-to-use service is not just a validation tool; *Shepard's* can also help you begin your research by providing relevant cases, statutes, secondary sources, and annotations that cite your authority.

LexisNexis® CourtLink® Service

LexisNexis CourtLink offers innovative tools—including Strategic Profiles, Document Retrieval, Search, Track, and Alert—that can be used throughout the litigation workflow to help you argue your cases more effectively. The vast majority of cases never make it to written or published decision. If you are reviewing only published cases to help you gain insight into the parties involved in your case or to help identify litigation trends, you could be missing out on as much as 97% of total cases filed. The LexisNexis CourtLink® service can help you link to up to 100% of the activity.

Productivity tools

LexisNexis® Automated Forms

The preparation of legal forms is a critical part of any law firm's day-to-day business. Scores of legal professionals consistently rely on LexisNexis-exclusive, authoritative forms products from Matthew Bender. In addition, LexisNexis provides automated versions of official government- and court-approved forms. LexisNexis now delivers these industry-leading products in a cutting-edge, intuitive, online interface. These forms save you precious time while simultaneously helping you increase accuracy in the form preparation process. The LexisNexis Automated Forms Web site provides a single point of access for customers to find a wide variety of legal forms. You needn't search all over the Web or in hard copy to find the form you need and then wonder if it's the right form and the most current version.

CheckCite®

When preparing a brief or case, use the CheckCite program to save valuable time in checking the validity and accuracy of your work. CheckCite generates a comprehensive report for each citation, including a summary report that identifies problem cites. CheckCite not only retrieves *Shepard's* reports for each citation, but also identifies potential errors in citation content, (e.g., case names, parallel citations, year of decision), and verifies direct quotes.

LEXLink™

The LEXLink feature helps streamline the drafting process as you prepare a brief, memoranda, or other research-based document using a word-processing program. Use the LEXLink feature to create links to cases, federal and state statutes, federal rules, law review articles, and important tax material citation without altering your original Microsoft® Word, WordPerfect®, or HTML document.

LexisNexis Version of Time Matters® and Billing Matters™ Software

With the combination of Time Matters version 6 and Billing Matters Plus, you now have front-office practice management plus full back-office accounting capabilities. Manage your entire law practice easily and efficiently using one complete system! Time Matters version 6.0 adds new features, such as customizable form tabs, automatic two-way synchronization with Microsoft Exchange, Adobe®/Acrobat® integration, linking capability with BlackBerry®, and more. Billing Matters Plus adds full accounts payable, trust accounting, general ledger, budgeting, check writing, and reconciliation to the billing and receivable capabilities of Billing Matters. You get full front- and back-office integration...its integration with Time Matters is so seamless, you just turn it on.

LexisNexis® Bookstore

Browse through the complete collection of LexisNexis print products and software solutions and order directly online. Titles are arranged by topics and practice areas, jurisdictions, publishers, and types of products (e.g., treatises, statutes and codes products, software, and forms products). Simply click on a particular heading and receive a complete listing of titles related to that area. To visit the LexisNexis Bookstore, go to www.lexisnexis.com/bookstore.

Custom Web Pages

Team up with LexisNexis to create customized Intranet pages that provide the content, links, tools, and other resources needed by users in your organization, at no additional cost. Join the many other government offices that have already worked with LexisNexis to customize a Web page that contains targeted information, complete with your organization's logo and seal. LexisNexis also provides customer support—24 hours a day, seven days a week—to Custom Web Page clients.

LexisNexis®
Total Research System

Products & Services
for State & Local
Government
Professionals

LexisNexis is a leading global provider of comprehensive and authoritative legal, business, government, and tax information. LexisNexis offers a unified knowledge solution, consisting of proprietary brands, advanced Web technologies, and premium information sources, to our customers in state and local governments. Our cohesive set of products and services include online, CD-ROM, and print formats to help you find answers faster and more efficiently. With LexisNexis as your information provider, you can design the right blend of products to meet your information needs.

LexisNexis® Total Research System

LexisNexis is a leading provider of online information, offering a comprehensive set of information sources, research tools, and other services.

Legal Information

For attorneys, librarians, investigators, judges, and other researchers, LexisNexis provides critical legal information resources and exclusive features to help make your research session as productive as possible.

- *Shepard's*® Citations Service, the leading citator, exclusively available on the LexisNexis® services.
- LexisNexis® Case Summaries, an easy-to-read format, complete with Procedural Posture, Overview, and Outcome.
- LexisNexis® Headnotes identify a case's main points of law, in the court's own language.
- Lexis® Search Advisor, a topical legal classification system that is more current than key numbers. Find case law, treatises, law reviews, and legal news related to your topic in one place.

Public Records, News, and Business Information

LexisNexis offers a vast collection of public records, news, and business information to help prosecutors, law enforcement offices, public defenders, and child support enforcers in their daily need for information.

LexisNexis® SmartLinx™ enables you to conduct one simple search through the LexisNexis public records collection and receive your results in one, easy-to-browse report. Simply enter a person or business name or address and check various types of information at once. Information in a SmartLinx report can include the following:

- County tax assessor, real-property records, deed transfers, and mortgage filings
- Secretary of State corporation, limited partnership, and limited liability corporation information

- DBA/fictitious business names
- UCC filings, judgments, and liens
- Bankruptcy filings
- Business credit reports, and company profiles
- Person and business locator information, including drivers' licenses, white pages, U.S. Census, and voter facts
- Motor vehicle, aircrafts, and boat registrations

(Use of driver's license data and motor vehicle registrations is subject to applicable law, including but not limited to, The Driver's Privacy Protection Act. Researchers must choose a legally permitted use before access to the data is permitted.)

LexisNexis® Company Dossier offers desktop access to information on more than 35 million companies from around the globe. When you search for information with LexisNexis Company Dossier, you will receive a *Snapshot* report with an easy-to-read overview of the company. *Snapshot* reports include the following data:

- Company products and brands
- Competitors
- Recent research and analyst reports
- Local and regional news stories
- Corporate documents
- Pending litigation and recent court cases involving the company
- Jury verdicts on cases involving the company
- Intellectual property information

For prosecutors, law enforcement, press offices, and others needing detailed corporate information, LexisNexis Company Dossier is an invaluable research tool.

Thousands of news sources, from local favorites to international networks, comprise our news information collection. Sources include:

- Newspapers, magazines, wire services, and television and radio transcripts
- Country profiles
- Medical publications and pharmaceutical information
- Domestic and foreign company overviews and financials

Information resources

Martindale-Hubbell®

Generations of lawyers have relied on Martindale-Hubbell as the authoritative resource for information on the worldwide legal profession. With a history dating back to 1868, the Martindale-Hubbell Legal Network is currently powered by a database of over one million lawyers and law firms in 160 countries. This unrivaled network connects and facilitates communication between members of the legal profession, and provides a wide range of biographical information and professional credentials regarding lawyers in private, corporate, and government sectors. Martindale-Hubbell is available online at www.lexis.com and in print and CD-ROM formats.

Matthew Bender®

Matthew Bender treatises are cited more often in court than any other publisher. Matthew Bender is the premier provider of treatise materials backed by authors who are considered the most authoritative in the legal community. For courts, attorneys, and others in need of clarification or information on particular legal topics, Matthew Bender is the only publisher to rely on for authoritative, comprehensive, and accurate legal information in virtually every major practice area.

Mealey Publications

Mealey Publications, available in print and online at www.lexis.com, help you stay abreast of emerging litigation trends and strategies. Mealey's also produces over 30 annual conferences on hot litigation topics such as toxic torts, environmental insurance, construction defects, tobacco, and asbestos.

- Mealey Publications provide targeted legal news reports and conferences that are invaluable to prosecutors, public defenders, and other legal professionals. The reports include hard-to-find court documents that are critical when attorneys draft or review documents for cases, craft a defense, or prepare arguments for court.
- Mealey Online provides immediate access to full-text court documents, summaries of cases, news articles, and commentaries in one simple search. This critical information is updated within hours of its release by Mealey's editorial team. For those who need to stay informed on particular legal issues, there is no better alternative.

Michie™ Codes

Michie, a leader in state code publication, has been a part of legal publishing since the early 1800s. Choose from expertly annotated code services and custom legal publications in 37 states and territories, plus the *United States Code Service* (USCS), and *United States Supreme Court Reports, Lawyers' Edition*.

LexisNexis® Municipal Codes Web Library

The LexisNexis Municipal Codes Web Library provides codes for nearly 300 cities, municipalities, and counties in 33 states. It's an essential tool for city and county attorneys and others who need to understand the code in the city or county in which they practice. It's current, comprehensive, and easy to use, and serves as a complement to other LexisNexis code-related products and services. Just go to www.lexisnexis.com/municipalcodes and check the list.

You'll also find information on the codification services, electronic publishing services, and total code management services LexisNexis offers for those in local and county government.
