

Introducing My Lexis™ ... Now It's *Personal*

My Lexis is all yours—an easy-to-customize menu screen where you choose the components and save valuable research time. Here's how it works:

QUICK SEARCH

Use this form to select a jurisdiction or practice area and the source types your research requires. Make your choices, enter your search terms and click NEXT. Then you select specific sources, and *search all your choices simultaneously*. (See back ... and the tabbed, click-and-view results screen.)

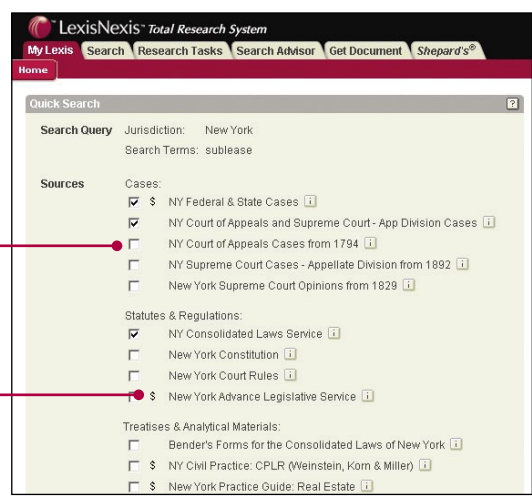

Select a jurisdiction or practice area. Enter your search terms.

Click NEXT to select specific sources.

Select as many source types as your research requires.

Select sources you need; just click the checkboxes.

\$ means this resource is outside your flat-rate subscription. If you search with this source, you will incur an additional charge.

Please note that the screenshots and information used in this flyer were based on pre-release examples. There may be some modifications or other changes when My Lexis is released on LexisNexis at www.lexis.com.

TABBED RESULTS SET

Your research results are summarized and displayed so you can zero in on specific resource types or specific sources.

See how many documents were found—right up front.
