## Increase Your Cite-Checking Proficiency

With An Advanced Training Program From LexisNexis™

The first in the series of advanced-level training on the LexisNexis™ services is now available especially for paralegals: **The Paralegal Certificate of Mastery, Level II—Advanced Cite Checking**

**The Paralegal Certificate of Mastery Program, Level II—Advanced Cite Checking** is an intensive, two-hour training session that covers advanced cite-checking methods. The program is designed to greatly increase your cite-checking proficiency using the extensive collection of search tools available on the LexisNexis services. This comprehensive, two-part program fully explores the ins-and-outs of *Shepard's® Citations Service* and *CheckCite™ 2000*, as well as three additional indispensable Lexis® search tools—*CiteRite™*, *CompareRite™*, and *FullAuthority™* software.

Completion of this advanced program gives you even greater flexibility and efficiency in citations research capabilities, and further increases your value to the firm. **Best of all, the program is FREE to LexisNexis customers!**

*And you don't have to leave the office to attend the training session.* LexisNexis provides you with convenient, personalized telephonic training at a time of your choosing in the comfort and privacy of your own office or workstation. Your training specialist will guide you through the advanced cite-checking program on a schedule that accommodates you and your workload. **You choose the time and place. We do the rest!**

Take this opportunity to check out the Paralegal Certificate of Mastery Program, Level I, if you haven't already participated. This

program is designed to familiarize you with the LexisNexis search options you need to find the information paralegals require most often. Five one-hour training sessions cover the topics of: Initial Case Analysis, Cite Checking, Locating and Profiling People, and a two-part Company and Financial Research. **And completion of the sessions earns you CLE credits for NFPA and NALA.**
