Class Actions

Mealey's™ Litigation Report: Class Actions

Focuses exclusively on the hottest trends, rulings, verdicts, and settlements in class action litigation. The report covers mass torts and beyond, including consumer law, employment law, securities litigation and e-commerce disputes. The *Report* provides hard-to-find filings, class certification rulings, attorney fee news, new complaints, notice plans, national news roundups, breaking news, concise case summaries and trial updates.

S Newsletter, published 24 issues per year, Pub. #07006, ISSN 1535-234X, eISBN 9781579119850
Estimated renewal cost: \$1,585

Moore's Federal Practice® The Complete CAFA: Analysis and Developments Under the Class Action Fairness Act of 2005

Georgene M. Vairo

This softbound pamphlet provides over 200 pages of detailed coverage of the Class Action Fairness Act, addressing both the provisions of the Act itself and the numerous cases interpreting the Act. Coverage includes the Consumer Bill of Rights and improved procedures for interstate class actions, requirements for CAFA jurisdiction, "Mass Actions" treated as class actions under CAFA and the effect of CAFA on federal and state courts.

NS 1 volume, softbound,
Pub. #00410, ISBN 9781422495537
Prior year's cost: \$96

Federal Class Action Deskbook

Jenner & Block LLP

This single-volume publication on class actions in federal courts is in five units, each containing extensive analysis, checklists and forms on the following topics:

- Federal Court Jurisdiction and Removal of state court class actions to federal court (including the application of CAFA [Class Action Fairness Act of 2005])
- Pleading requirements for class actions in federal court
- Substantive and procedural requirements for certification of class actions in federal court
- Notice to class members of certification and opt-out rights
- Appointment and compensation of class counsel
- Settlement of class actions

NS 1 volume, softbound, Pub. #01618,
ISBN 9781422478516, eISBN 9781579114893
Prior year's cost: \$154

Criminal Practice

United States Supreme Court Cases and Comments: Criminal Law and Procedure

Hon. William H. Erickson, B. James George, Jr., Hon. Timothy M. Tymkovich, Nathan B. Coats

Reach for this treatise to get an analysis of United States Supreme Court case law on a variety of constitutional issues, with a concentration on those issues critical to criminal proceedings. Material is helpfully divided into two sections to aid with quickly locating needed information.

Part I offers an overview of Supreme Court cases, interpreting the First, Second, Third, Fourth, Fifth, Sixth, Eighth, Fourteenth and Fifteenth Amendments; the remedies for constitutional infringements, the constitutional right to privacy and the constitutionality of federal penal legislation under the Commerce Clause; the constitutionality of state-directed mandates under the Necessary and Proper Clause; extradition; and citations to pertinent statutes, rules and lower court decisions.

Part II provides detailed summaries and legal analysis of every major criminal law and procedure case decided by the Supreme Court since the 1979 – 1980 Term, as well as important noncriminal cases addressing the issues discussed in Part I.

S 5 volumes, loose-leaf, updated twice per year, Pub. #00765, ISBN 9780820517650, eISBN 9780327171904
Estimated renewal cost: \$708

Federal Habeas Corpus Practice and Procedure, Sixth Edition

Randy Hertz, James S. Liebman

Consists of practical advice and analysis of U.S. Supreme Court cases including comprehensive coverage of:

- The Antiterrorism and Effective Death Penalty Act (AEDPA)
- Requirements states must satisfy to obtain AEDPA “opt-in” benefits
- Statutes of limitations
- Petition filing requirements
- Appointment of counsel
- Range and types of discovery
- Standards for obtaining federal evidentiary hearings
- Exhaustion of state remedies
- Procedural default
- Standards for applying AEDPA’s section 2254(d)(1) and (d)(2)
- Successive petitions
- Obtaining a certificate of appealability
- Federal prisoner practice under section 2255
- Types of claims that have led to the granting of the writ
- Military Commissions Act of 2006
- Adam Walsh Child Protection and Safety Act of 2006
- USA Patriot Improvement and Reauthorization Act of 2005
- REAL ID Act of 2005

NS 2 volumes, hardbound, updated annually, Pub. #64330, ISBN 9781422483565, eISBN 9780327168621
Estimated upkeep cost: \$74

2 volumes, hardbound with CD-ROM, updated annually, ISBN 9781422483572
Estimated upkeep cost: \$74

Federal Criminal Trials

Hon. James Cissell

Get in-depth coverage of the criminal trial process as it relates to constitutional protections, federal criminal procedure, rules of evidence, the latest citations from all circuits and complex pre- and post-trial issues.

NS 1 volume, hardbound, updated annually, Pub. #60877, ISBN 9781422428597, eISBN 9781579111137
Estimated upkeep cost: \$81

Federal Circuit Court Criminal Handbooks

Analyze and prepare for every phase of a criminal case before the United States Courts of Appeals for the Second, Fourth, Sixth, Seventh and Eleventh Circuits. These practical resources identify key rulings on all major topics under each circuit's criminal law jurisprudence.

Written by experienced practitioners and judges, these authoritative handbooks give you the in-the-trenches guidance you need to confidently approach such topics as search and seizure, discovery, immunity, indictments, pretrial matters and more within the context of decisions issued by the U.S. Supreme Court and the Court of Appeals for each circuit.

Preparing for a Deposition in a Business Case

Larry Pozner, Roger J. Dodd

From now on, your clients can learn how to perform effectively in a deposition without your presence—saving you time and money. Through a compelling blend of lecture and dramatic representation, this program teaches them to listen to each question, pause before answering, keep answers brief, never volunteer information and much more. Most importantly, it can help to reduce the likelihood of embarrassing or even catastrophic errors and offer a more favorable outcome for your case.

NS DVD, Pub. #00867, ISBN 9781422483398
Previous DVD cost: n/a

Mealey's Litigation Report: Discovery

Provides coverage of all discovery litigation essentials, including how different districts and judges interpret federal discovery rules, procedural changes, the work product, attorney-client and common interest privileges, and discovery abuse. It also covers e-discovery, including production of electronic evidence such as e-mail, disks, tapes, videocassettes, word-processing files, spreadsheets, e-mail routing data, file attachments, and deleted files; the cost of digital discovery and who pays for it; and disputes over identifying anonymous online message authors.

S Newsletter, published monthly, Pub. #07054, ISSN 1548-6834, eISBN 9780327167426
Estimated renewal cost: \$1,042

The Effective Deposition, Third Edition

Anthony Bocchino, Peter Hoffman, David Malone

NS 1 volume, softbound, Pub. #28738, ISBN 9781601560476
Prior year's cost: \$85

Evidence

Evidentiary Foundations, Eighth Edition

Edward J. Imwinkelried

Turn to this convenient resource for quick access to a comprehensive set of exemplary lines of questioning that demonstrates how to lay the foundation for admitting various kinds of evidence. You get authoritative discussions of evidentiary doctrine, which breaks down the doctrine into a list of foundation elements. You also get sample foundations that show how each element in the doctrine converts into concrete questions in the courtroom.

NS 1 volume, hardbound, Pub. #63041, ISBN 9780769847696
Previous edition cost: \$126

Federal Courtroom Evidence, Fifth Edition

Joseph W. Cotchett

Rely on this resource for concise guidance on the Federal Rules of Evidence, which apply in both civil and criminal trials. The chapters are organized in the order of the Federal Rules of Evidence. Each chapter includes the current text of the rule, all Advisory Committee Notes relating to that rule and any amendments to it, and an analysis of legal developments concerning that rule in the federal courts, supported by case annotations. With its special mid-volume index and aligned chapter tab cards, this resource makes it easy for you to flip directly to the treatment of any given subject.

NS 1 volume, loose-leaf, updated annually, Pub. #80456, ISBN 9780327162988, eISBN 9781579112301
Estimated upkeep cost: \$128

1 volume, loose-leaf with CD-ROM, updated twice per year, Pub. #80456, ISBN 9780327163039
Estimated upkeep cost: \$254

Federal Evidence Courtroom Manual

Glen Weissenberger

Conveniently organized according to the Federal Rules of Evidence, it gives you analytical commentary on each rule along with references to other authorities for more extensive research and analysis of recent cases interpreting the Rule.

NS 1 volume, softbound, replaced annually, Pub. #04342, ISBN 9781593456641
eISBN 9781579112707
Estimated upkeep cost: \$127

Federal Evidence Practice Guide

Hon. Joseph M. McLaughlin

Turn to this expert guide for proven strategies you can use to deal with evidence issues in federal court, with emphasis on practical solutions to evidence issues throughout trial preparation and presentation. You get how-to tactics for gathering and organizing evidence, making pretrial motions, admitting documentary and demonstrative evidence, dealing with witnesses, using experts, making objections and using evidence effectively in opening statements and closing argument. Checklists and practice tips guide you through difficult and confusing evidence procedures.

S 3 volumes, loose-leaf, updated annually,
Pub. #00473, ISBN 9780820514734
eISBN 9781579114244
Estimated upkeep cost: \$711

Federal Evidence Tactics

Edward J. Imwinkelried, David A. Schlueter

S 2 volumes, loose-leaf, updated annually,
Pub. #00218, ISBN 9780820528083
eISBN 9781579114084
Estimated renewal cost: \$242

Federal Rules of Evidence Manual, Tenth Edition

Daniel J. Capra, Michael M. Martin, Stephen A. Saltzburg

Rely on this comprehensive resource for the complete, up-to-date text of every Federal Rule of Evidence, complete with expert explanations, comprehensive descriptions of salient cases and the relevant legislative history. You also get a handy *Trial Book* that provides practical applications for many of the rules discussed in the treatise.

NS 1 softbound volume and 5 hardbound volumes, updated twice per year, Pub. #66538, ISBN 9781422494493, eISBN 9780327171195
Previous edition cost: \$753

Federal Rules of Evidence: Rules, Legislative History, Commentary and Authority, Seventh Edition

This handy resource gives you clear and concise explanations for the application and practical effect of each Federal Rule of Evidence.

NS 1 volume, softbound, replaced annually, Pub. #03545, ISBN 9781422495636
Previous edition cost: \$55

Weinstein's Federal Evidence™, Second Edition

Jack B. Weinstein, Margaret Berger, Joseph M. McLaughlin

Weinstein's Federal Evidence™ has long been recognized as a comprehensive and authoritative source of federal evidence information. Designed to meet the needs of today's federal law practitioners and enhanced with features to make your research faster and easier, this dependable tool makes information accessible in the following ways:

- Rule-based chapter organization—each evidence rule, or proposed but unadopted rule (Supreme Court Standard), has its own chapter. The Standards are presented in separate chapters because they provide a useful framework for understanding important issues in federal evidence law not covered in the Evidence Rules themselves.
- Text of Rules and Standards set forth in full—each Evidence Rule or Supreme Court Standard is set forth in full, enclosed in a boldface box. Rules and Standards appear immediately following the tab card that identifies the location of the chapter, and again in the chapter's first numbered section.
- Many sections make coverage easy to locate—each chapter has been divided into many sections and subsections, and each section and subsection features a heading specifically describing its contents. Every section number and heading appears in the chapter synopsis, and each page of the chapter text includes the appropriate subsection number in its ear, to help the reader locate coverage of a particular issue as quickly as possible.

Weinstein's Federal Evidence reflects the extensive 2011 style amendments to the Federal Rules of Evidence, which revised the language of virtually every rule and rearranged subdivisions in some rules.

Turn to this authoritative resource for the expert guidance you need to use the rules to your advantage, get evidence admitted, exclude your opponent's evidence and cite the best cases and authorities.

S 6 volumes, loose-leaf, updated 3 times per year, Pub. #00803, ISBN 9781593458140, eISBN 9790327170692
Estimated renewal cost: \$2,623

Weinstein's® Evidence Manual

Jack B. Weinstein, Margaret A. Berger

This concise guide to the Federal Rules of Evidence is a condensed and reorganized version of *Weinstein's Federal Evidence*, giving you access to all the essential law of evidence in federal courts in one convenient, portable volume. You also get verbatim texts of the applicable portions of the Federal Rules of Evidence, as well as cross references to *Weinstein's Federal Evidence* for more extensive research.

S 1 volume, loose-leaf, updated annually, Pub. #00819, ISBN 9780820505411, eISBN 9781579112851
Estimated upkeep cost: \$335

Weissenberger's Federal Evidence, Seventh Edition

James J. Duane

This treatise on the Federal Rules of Evidence is a self-contained discussion of all the evidentiary rules applied in federal courts. Not just a handbook, it provides a thorough and concise analysis of the application of the Federal Rules of Evidence. An appendix containing Advisory Committee Notes is included.

NS 1 volume, hardbound, with supplement, Pub. #04341, ISBN 9781593458683, eISBN 9781579115005
Previous edition cost: \$212

Paul R. Rice

NS 1 volume, softbound, Pub. #03224, ISBN 9780820570587
Previous edition cost: \$43

Mealey's™ Daubert Report

Covers the interpretation and adoption or rejection of the Supreme Court's landmark expert admissibility ruling, *Daubert v. Merrell Dow Pharmaceuticals, Inc.* As the nation's jurisdictions grapple with so-called "junk science" testimony, this monthly newsletter offers subscribers the latest key rulings in this contentious component of civil and criminal litigation.

S Newsletter, published 12 issues per year, Pub. #07013, ISSN 1092-7565, eISBN 9781579119911
Estimated renewal cost: \$975

Principles of Evidence, Fifth Edition

Irving Younger, David A. Sonenshein

This guide, written for law students, is equally useful for experienced practitioners. It provides an enriched blend of cases, rules, and scholarly and trial excerpts that connect the theory and practice of courtroom evidence. The authors have supplemented with numerous transcripts from celebrated trials—Lizzie Borden, O.J. Simpson, John Scopes, and more—bringing theory to life and enabling readers to understand how the foundations were laid and objections made.

Forms

Bender's Federal Practice Forms

This encyclopedic set provides a full range of litigation forms needed for practice in any federal court in the United States, from filing an action in federal district court to appealing a case to the Supreme Court. All of the civil and criminal forms are up to date—including everything from compliance with all recent amendments to controlling procedural rules, as well as compliance with the standards of practice in federal courts generally. This publication includes:

- Thousands of court-tested forms—many selected from the files of eminent federal practitioners and based upon pleadings, motions and other papers filed in actual cases
- All official forms
- Useful references to relevant rules, statutes and cases
- Extensive cross-referencing to *Moore's Federal Practice*

S 20 volumes, loose-leaf, updated 3 times per year, Pub. #00090, ISBN 9780820510903
 Estimated renewal cost: \$4,543
 Limited volumes available in eBook format, eISBN 9781579115784

Moore's Manual: Federal Practice Forms

A handy condensation of *Bender's Federal Practice Forms*, this indispensable desk set is a timesaving tool for all practitioners. You get:

- Over 1,500 up to date, court-tested forms organized in chapter-to-chapter correspondence to the companion text
- All the essential forms for use in civil litigation in federal court, from the initial filing of the action through appeal
- Comprehensive cross references to *Moore's Federal Practice* and *Moore's Manual: Federal Practice and Procedure*
- Extensive case citations

These timesaving forms can also be adapted for use in any of the 39 states that have modeled their procedures after federal rules.

Bender's Forms of Discovery

Patricia Lewis, Janet Capurro Graham, Seymour Moskowitz

Provides an A-to-Z selection of sample interrogatories under more than 200 title categories from Accounting to Zoning. Each chapter contains a Scope Note with a brief analysis of the subject title followed by cross references to other related titles, as well as a synopsis of the chapter's forms, indicating who is propounding and receiving the interrogatories. Each form itself contains a Summary of Form, which details each question comprising the form. Includes forms for use in virtually every type of discovery scenario, including:

- Requests for admission
- Protective orders
- Deposition notices
- Requests for production
- Rule 35 requests and orders
- Motions and orders to compel discovery
- Motions and orders to modify or quash deposition subpoenas
- Motions for criminal discovery
- Orders in complex litigation

Treatise chapters cover discovery in federal and state courts with in-depth discussion and action-oriented practice materials for all other discovery methods beyond interrogatories: depositions, requests for production, requests for admissions, etc. This treatise also features sample forms related to the other discovery methods, comprehensive updated charts comparing the discovery rules of the 50 states with the various federal discovery rules and appendices providing the text of the state discovery rules at variance with the federal rules.

General Resources

Court Awarded Attorney Fees

Arthur D. Wolf, Mary Frances Derfner

If you'd like to know the best way to oppose or petition for an attorney's fee award, this is your legal bible. In this in-depth guide, you'll find everything you need: complete analysis of the case law, comprehensive information on the kinds of cases in which fees are available, thorough discussion on who is entitled to and eligible for a fee award, and much more.

Plus, you'll benefit from comprehensive, practical information on fee-petitioning and procedures on how fees are calculated—as well as forms for each step of the fee-award process—whether you're the petitioner or the opposing party.

Bensen & Myers on Litigation Management

Eric E. Bensen, Rebecca K. Myers

This book is organized in five distinct litigation-phase modules so it's easy to keep costs under control while maximizing performance at every stage of the litigation lifecycle. Plus the accompanying CD has an extraction of all the budgets, forms and checklists featured in the book in an electronic format so readers have ready-made templates to use right away. Its systematic approach features:

- An innovative budgeting tool that gives you a clear picture of anticipated litigation costs for any case
- Methods for streamlining the document collection, document review privilege review and deposition processes
- Guidelines and templates for optimizing collaborative efforts with outside counsel
- Procedures to monitor, evaluate, and verify outside counsel's work product

Sanctions: The Federal Law of Litigation Abuse, Fourth Edition

Gregory P. Joseph

Federal courts have issued thousands of fines—many in excess of \$1,000,000—against attorneys and parties engaging in litigation abuse. Make sure you know the law related to this critical topic as well as the latest changes that affect your practice. This publication, written by one of the nation's most effective and experienced commercial litigators, clarifies the issues and provides a logical, step-by-step survey of sanctions law and its ramifications. It contains a current and comprehensive discussion of the law of sanctions, including Rule 11, Section 1927, Appellate Rule 38, Section 1912 and the inherent powers of the court, as well as thousands of critical, relevant cases and much more.

Mealey's™ Litigation Reports

Whether you serve as plaintiff, defense or in-house counsel, Mealey's™ Litigation Reports deliver the game-changing news you need, when you need it. Each issue gives you concise, unbiased reporting on the most significant trials, court rulings, decisions, appeals and other current events in the litigation. You won't miss any key facts on your way to trial or negotiations with:

- Case summaries that track crucial litigation from initial complaint to final appeal, giving you the timely details you need to craft case strategies and fine-tune arguments in your similar litigation.
- E-mail bulletins that alert you to decisions, settlements, awards, new lawsuits, and major case developments practically as they occur. You'll be among the first to know when big news breaks.
- Full-text court documents including briefs, opinions, motions, appeals, jury instructions and forms, verdicts and settlement agreements. Many are difficult to track down otherwise, and unavailable online, so they can give you a clear competitive edge when preparing your case.
- Expert commentary written by top trial pros that give you the inside story on what worked, what didn't, and why—so you can exploit the successes and avoid the pitfalls that others have encountered.
- Attorney listings that accompany each case summary, allowing you to build relationships with key players in litigation.

For added convenience Mealey's Reports are available in eBook PDF format.

INSURANCE

Mealey's Litigation Report: Insurance

Tracks declaratory judgment actions regarding coverage for litigation arising from long-tail claims—including environmental contamination and latent damage and injury allegedly caused by asbestos, toxic chemicals and fumes, lead, breast implants, medical devices and more. Key issues: duty to defend, duty to indemnify, notice, trigger of coverage, choice of law, discovery, policy exclusions and known loss.

S Newsletter, published 4 times monthly, Pub. #07019, ISSN 8755-9005, eISBN 9780327167044
Estimated renewal cost: \$2,804

Mealey's Emerging Insurance Disputes

Tracks new areas of coverage liability, novel policy applications and conflicting policy language interpretations in litigation. Covers sexual harassment and discrimination; assault and battery; professional liability; patent and trademark infringement; construction defects; directors' and officers' claims; emotional distress; intentional acts; technology; and insurance business practices.

S Newsletter, published twice monthly, Pub. #07016, ISSN 1087-139X, eISBN 9780327167020

Estimated renewal cost: \$975
Please refer to page 8 for other Evidence titles.

Moore's Federal Practice®

Moore's Federal Practice, Third Edition

Daniel R. Coquillette, Gregory P. Joseph, Sol Schreiber, Georgene M. Vairo, Chilton Davis Varner, James William Moore and contributing authors

Written to meet the needs of today's federal law practitioners and completely up to date with the newly revised Federal Rules of Civil Procedure, this is one tool no federal lawyer should be without. It gives you tools and features that make it faster and easier to find specific points, making you more efficient and effective.

- Over 50 distinguished federal judges, law professors and practitioners, including many who have been directly involved in the federal rulemaking process, give you their expert opinions on issues that are unclear or unsettled and the authority you need to take a position.
- The text focuses on the current state of the law. Information on the amendment history and historical context of the rules is set out in Historical Appendices within each chapter. The information you need most is the information you'll find first.
- Each chapter is divided frequently by sections and subsections with descriptive headings, enabling you to find the specific information you need faster.
- Analysis is provided in the main text, and footnotes are organized by circuit.

Your subscription also includes the monthly *Moore's Federal Practice Update* newsletter.

S 34 volumes, loose-leaf, updated 4 times per year, Pub. #00410, ISBN 9780820514109
Limited volumes available in eBook format, eISBN 9780327173182
Estimated renewal cost: \$4,362

Moore's Federal Practice, Third Edition (Civil Softbound Edition)

Turn here for the full text of the federal rules and extensive commentary and analysis of the rules and cases interpreting the rules. Chapters include historical appendices describing development of the law, legislative history, advisory committee notes and more. It also contains comprehensive and authoritative analysis of federal procedural rules governing civil proceedings. This set includes:

- A softbound edition of *Weinstein's Evidence Manual*
- Additional softbound pamphlets including:
 - The Federal Judicial Center's *Manual for Complex Litigation*
 - The Federal Judicial Center's *Guide to Judicial Management of Cases in ADR*
 - The complete text of the Federal Judicial Code (Title 28, U.S. Code)

This essential set will keep you up to date on all primary source developments affecting the text and summarizing all significant federal procedural cases.

Moore's Manual: Federal Practice and Procedure

James William Moore

Get quick, precise answers to all your questions of procedure in this convenient abridgement of the master treatise on federal procedure, *Moore's Federal Practice*. This timesaving tool gives busy litigators a concise yet detailed overview of federal practice, with clear explanations of how each rule and applicable statute is interpreted by the courts and how each is applied to actual practice. You get:

- Comprehensive coverage of the Federal Rules of Civil Procedure, Federal Rules of Appellate Procedure and Rules of the Supreme Court
- Intuitive guidance that follows the case through federal court in chronological order, treating jurisdiction, venue, removal, pleadings, motions and trial
- Cross references to the main *Moore's Federal Practice* and *Bender's Federal Practice Forms* to aid you in more extensive research

S 3 volumes, loose-leaf, updated twice per year, Pub. #00411, ISBN 9780820514116, eISBN 9781579117047
Estimated renewal cost: \$997

Moore's Federal Practice Update

Edward Baskauskas, Fay Hulett-Nelson, Stephen A. Saltzburg

Keep current with timely updates on recent appellate cases and other developments in federal civil procedure and evidence. You get articles on cases, legislation and rulemaking that will have a major impact on federal practice—with a focus on appellate court cases that either create new law or address areas where courts are in disagreement. All textual material is keyed into relevant secondary source publications such as *Moore's Federal Practice* and *Federal Litigation Guide* for more extensive research.

The National Institute for Trial Advocacy (NITA®) Publications

The National Institute for Trial Advocacy (NITA) and their famous learning-by-doing methodology have transformed trial-skills

training for more than 35 years. LexisNexis is proud to be the exclusive seller of all NITA print publications including analytical titles, rules books, DVDs, law school text books and case files. To review the entire product line, visit www.lexisnexis.com/LitigationCatalogNITA.

NITA Top 10 Training Guides

Modern Trial Advocacy, Fourth Edition

Steven Lubet

The best-selling NITA text, *Modern Trial Advocacy: Analysis and Practice*, has set the standard for trial advocacy texts since 1993. All of the renowned NITA full trial programs use the text, as do prominent law schools nationwide. Steven Lubet guides the beginning advocate from developing a winning case theory through all phases of trial. He explains how to present a case as a story, and how to tell the story to the jury powerfully and persuasively. The Fourth Edition includes:

- An expanded section on the uses of theory, theme and story frame
- Expanded discussion of witness preparation
- Sections on developing “story arcs” in opening statements and final arguments
- A section on the persuasive value of inferences and cognitive theory
- Expanded discussion of witness “credibility variables,” explaining how to bolster or undermine testimony

NS 1 volume, softbound, Pub. #28718, ISBN 9781601561275
Prior year's cost: \$85

Modern Trial Advocacy: Law School Edition, Fourth Edition

Steven Lubet

Modern Trial Advocacy: Law School Edition presents a realistic and contemporary approach to learning and developing trial advocacy skills. Dedicated to the law student, the book contains a “Trial Basics” chapter, which discusses what happens in a trial and the role the advocate plays. The *Law School Edition* has checklists that guide students in their performance.

NS 1 volume, softbound, Pub. #28722, ISBN 9781601561411
Prior year's cost: \$65

The Effective Deposition: Techniques and Strategies That Work, Revised Third Edition

David M. Malone, Peter T. Hoffman, and Anthony J. Bocchino

NITA programs and law schools nationwide have used *The Effective Deposition* for years so that attorneys and soon-to-be attorneys have all the essential know-how in taking a deposition—the most critical step in discovery. The authors apply their expertise as attorneys and educators to bring the reader critical information on recent rules, information on the impact of technological developments including e-discovery and digital transcription, along with new deposition techniques that you will not learn from any other text. Today, the goals in applying deposition skills remain important regardless of whether a case faces trial or alternative dispute resolution. In fact, with the increasing trend toward non-trial resolutions, depositions are used as much or more than in years past in the context of motions, negotiated settlements, mediations, arbitrations, and dismissals.

Prior year's cost: \$85

Objections at Trial

Hon. Myron H. Bright, Ronald Carlson, Edward J. Imwinkelried

This complete reference guide travels easily to the courtroom or classroom. This invaluable handbook from NITA bridges the gap between knowing the rules of evidence and applying them in a judicial setting—and clearly identifies what proposed evidence is subject to exclusion by objection. The updated Fifth Edition provides the reader—judge, lawyer, or law student—with a primer on the fine art of making effective objections to inadmissible evidence. *Objections at Trial*, based on the Federal Rules of Evidence, is useful in practice in all 50 states' courts. Indeed, 41 states now have evidence codes patterned directly after the Federal Rules. This updated edition includes a mini-CD-ROM with the entire book in PDF format, hyperlinked and bookmarked for ease of use.

NS 1 volume, softbound with CD-ROM, Pub. #28682, ISBN 9781601560735
Prior year's cost: \$35

Federal Rules of Evidence with Objections, Tenth Edition

Anthony J. Bocchino, David A. Sonenshein

Federal Rules of Evidence with Objections contains the complete text of the Federal Rules of Evidence as amended to December 1, 2011. This useful guide is organized for quick reference, with an alphabetical section of major objections, and includes practical tips and legal interpretations for each rule. The small-format packaging is designed so you can easily tuck the book into a pocket or briefcase. The spiral binding allows you to place the book flat on a desk or table, so you can quickly reference pages without damaging the spine. In addition, the book lists key phrases for objections with thumb tabs for quick reference, and includes a mini-CD with the entire book in PDF format hyperlinked and bookmarked for ease of use.

NS 1 volume, softbound with CD-ROM, Pub. #28683, ISBN 9781601561794
Previous edition cost: \$35

Winning at Trial

Shane Read

Winning at Trial uses innovative techniques to teach students and experienced lawyers alike the art of presenting a clear and compelling case in order to win at trial. These skills are gained first by observing then by doing, and in *Winning at Trial* the reader is enabled to do just that by analyzing famous trials, namely the O.J. Simpson and the Timothy McVeigh trials. This book is one of the most comprehensive trial advocacy resources published in recent years. Students, lawyers and judges alike will benefit from Read's wisdom. The book includes two DVDs containing almost four hours of footage from the O. J. Simpson trial and a focus group deliberating a civil trial. The Association for Continuing Legal Education (ACLEA®) selected *Winning at Trial* to receive the Award for Professional Excellence in Publications in the 2008 "ACLEA's Best" international awards competition.

NS 1 volume, softbound with DVD, Pub. #28732, ISBN 9781601560018
Prior year's cost: \$75

Problems and Materials in Evidence & Trial Advocacy, Fifth Edition

Robert Burns, Steven Lubet, and James H. Seckinger

The authors developed these materials to provide an integrated course in evidence and trial advocacy. The case book features the following: a civil and criminal case file, series of challenging decisions, including the choice of trial theory, organization, and presentation of evidence; and a CD-ROM containing exhibits. There are over 299 problems and exercises that cover both evidence and trial advocacy.

NS 2 volumes, softbound with CD-ROM, Pub. #28753, ISBN 9781422491683
Prior year's cost: \$100

Winning on Appeal: Better Briefs and Oral Arguments, Second Edition

Ruggero J. Aldisert

First published more than a decade ago, *Winning on Appeal* has been adopted by many top-flight law schools for appellate advocacy courses. It also has become a popular desk reference on how to write an effective brief and deliver a persuasive oral argument. Aldisert has created a wonderfully instructive how-to manual for the appellate advocate. Throughout *Winning on Appeal*, nineteen current chief justices of state courts, nine chief judges of U.S. courts of appeals, more than twenty U.S. circuit judges, and many state appellate judges contribute their thoughts on how to write a brief and how to argue a case—information that is not available in any other publication or resource. Judge Aldisert draws the perfect road map for the attorney who wants to win on appeal.

NS 1 volume, softbound, Pub. #28714, ISBN 9781556818240
Prior year's cost: \$75

Evidence in Context: A Trial Evidence Workbook, Fourth Edition

Robert P. Burns, Steven Lubet, James H. Seckinger

Evidence in Context encourages active learning by requiring students to invoke what they know about a complex factual pattern before making their arguments in favor of, or against, admissibility—just like a competent trial advocate. Learning evidence within the context of complex fact patterns illustrates the way in which the choices an attorney makes about theory of the case and theory of admissibility can critically affect the admissibility of evidence. The material contains two complex case files and over 290 problems. All exhibits are included on a CD-ROM.

NS 1 volume, softbound, Pub. #28665, ISBN 9781422491669
Previous edition cost: \$50

A Practical Guide to Federal Evidence: Objections, Responses, Rules, and Practice Commentary, Tenth Edition

Anthony J. Bocchino, David A. Sonenshein

Now in its Tenth Edition, *A Practical Guide to Federal Evidence* provides information on the appropriate way to offer and oppose evidence during pretrial and trial. Reflecting changes to the Federal Rules of Evidence through December 1, 2011, each section provides a definition of the matter, the forms of objection and response, a reprint of the controlling rule, and a valuable practice commentary that gives experienced insights into typical issues confronting the trial lawyer and presents the foundations necessary for admissibility of evidence. The Quick Reference Guide provides instant access to the accurate responses to ninety common objections.

United States Supreme Court Reporters, Lawyer's Edition 2d

This publication unofficially reports, with enhancements, the decisions of the United States Supreme Court. Multiple Advance Sheets are published each year that include the full text of each Supreme Court decision and order as well as a syllabus for each case (when the Court issues one) and the names of the attorneys who argued each case. For each opinion case there is a specially prepared summary, headnotes, research references and other materials. Advance Sheets are bound and, in addition to everything in the Advance Sheets, the bound volumes also contain final corrections from the Court, annotations on specific subjects written by our staff attorneys, parallel reference tables, citations and page breaks for the official United States Reports, indexing for the annotations and, for each opinion case, summaries of counsel briefs and names of participating attorneys.

S 182 bound volumes currently, bound volumes added yearly, Pub. #70180, ISBN 9780327102168
Estimated upkeep cost: \$370

Cross-Examination: Science and Techniques, Second Edition

Larry Pozner, Roger J. Dodd

Master the skills that can render opposing testimony useless. From the creators of the Killer Cross Exam seminar comes this step-by-step guide that transforms cross-examination into your most potent courtroom weapon. The authors analyze thousands of new trial experiences and explain how to:

- Use your cross-examination to expand the rules of admissibility
- Exploit your opponents' co-objections for a deeper and broader cross
- Sequence your cross-examination to better present your case's theory
- Use "loops" and "double loops" to control your cross and discredit opposing expert witnesses
- Prepare for challenges of cross-examination in the Internet age

By following established guidelines, identifiable techniques and tested methods, you can learn what it takes to prevail in your cross. The authors stress the importance of careful preparation, reveal the three critical rules at the heart of successful cross-examinations, and provide a series of highly efficient systems that facilitate construction of the cross.

Modern Federal Jury Instructions Civil and Criminal

Hon. Leonard B. Sand, John S. Siffert, Walter P. Loughlin, Steven A. Reiss, Steve Allen, Hon. Jed S. Rakoff

Contains five volumes of form jury instructions for use in a wide variety of actions and proceedings in federal court. Each form is supported by citation to relevant case and/or statutory authority and is accompanied by explanatory comments and analysis. It features instructions for use in criminal proceedings and civil actions. The form instructions are not only legally precise, they are also easy for the jury to understand since they are written in plain English. At the end of each instruction, its authority is clearly stated with supporting cases distinctly identified by circuit. Explanatory comments provide a clear explanation of the law, supporting the language of the instruction, and plainly point out any conflicts between the different circuits.

S 9 loose-leaf volumes including 4 volumes of circuit pattern instructions, updated 4 times per year, Pub. #00485, ISBN 9780820514857, eISBN 9781579113858
Estimated renewal cost: \$1,526

Modern Federal Jury Instructions—Civil Volumes

Offering instructions for all aspects of a federal civil jury trial, this three-volume set saves you hours of drafting time and helps you avoid giving jurors erroneous or inappropriate instructions.

S 4 loose-leaf volumes, including 2 volumes of circuit pattern instructions, updated twice per year, Pub. #00485, ISBN 9780820520858, eISBN 9780327172291
Estimated renewal cost: \$546

Modern Federal Jury Instructions—Criminal Volumes

Judges in federal court increasingly require jury instructions to be understandable and free of legalese and arcane language. Offering instructions for all aspects of a federal criminal jury trial, this set saves you drafting time and helps you avoid giving jurors erroneous or inappropriate instructions.

S 5 loose-leaf volumes including 2 volumes of circuit pattern instructions, updated twice per year, Pub. #00485, ISBN 9780820520841, eISBN 9780327172284
Estimated renewal cost: \$1,011

Art of Advocacy Series

You can depend upon this essential set of resources for expert advice on conducting litigation from start to finish. This pragmatic series will lead you on a step-by-step basis through everything from case preparation to creating jury-convincing summations, as well as other integral topics, such as the cross-examination of medical experts, conducting more effective appeals, the best way to use demonstrative evidence, performing dynamic direct examinations, making the most of the discovery process—and so many more. Each guide will help you analyze and prepare your litigation cases effectively in a detailed, practical, yet easy-to-follow manner.

The LexisNexis® Multi-year Agreement
for Print is the affordable, predictable,
and flexible way to acquire print content.

LexisNexis® Multi-year Agreement for Print Lock In Savings and Lock Out Uncertainty

With a LexisNexis Multi-year Agreement for Print, you'll have the security of knowing how much your print publications will cost in the future. And you'll have the satisfaction of knowing that you're enjoying a substantial savings.

It's a great way to manage your publications budget.

- **It's affordable.** You'll start saving right away with a Multi-year Agreement for Print, and your savings will continue to grow every year. You'll lock in an annual, fixed-rate increase for service titles that is substantially below the industry average, and you'll receive a fixed discount on your non-service release titles.
- **It's predictable.** A Multi-year Agreement for Print makes it much easier for you to manage your spending and forecast your budget for years to come.
- **It's flexible.** Your primary and secondary content needs can change over time. Accordingly, we've incorporated a swap-out provision in the Multi-year Agreement for Print. It lets you exchange titles you no longer need for titles that you do. And you can tailor your agreement to a specific title or across your entire account.

LexisNexis Multi-year Agreement for Print. It's the sensible and economical way to manage your print publications. And, because we constantly add new content to our portfolio, you'll enjoy the flexibility and reassurance of the agreement in the future.

For details, contact your LexisNexis® account representative.

Product Terms

S

Service Titles

Price includes product and any supplementation, release, replacement volume, new edition and/or updates published during the indicated service period (minimum 30 days) at no additional charge except tax, shipping and handling where applicable. Renewal options include:

S/A

Service Title with Automatic Renewal

If you select this option your subscription will be automatically renewed without any action on your part. Notification that the subscription is due to be renewed, and the price of renewal, will be sent to you 60 days prior to renewal. Estimated prior year prices and update frequency are shown with the description of each title.

S/N

Service Title with Notification

Notification that the subscription is due to be renewed, and the price of renewal, will be sent to you 60 days prior to renewal. If you fail to act, your subscription will be cancelled.

NS

Non-Service Titles

Price includes product only, plus any updates published within 30 days of purchase or as otherwise indicated. Subscription options include:

NS/A

Non-Service Title with Automatic Renewal

If you select this option you will receive and be billed for future updates outside of the 30-day period without any action on your part. Estimated prior year prices and update frequency are shown with the description of each title.

NS/N

Non-Service Title with Notification

Notification that an update has been published, and the price of the update, will be sent to you. If you fail to act, you will not receive the update.

Cancellation

You may cancel any subscription at any time by calling Customer Support at 800.833.9844; e-mailing customer.support@lexisnexis.com; or returning an invoice or notification marked "CANCEL." Shipments may be returned within 30 days of receipt, at your expense, for full credit of the advertised price, less shipping and handling fees and any other discount credits.

If you cancel a Service Title between 31 and 60 days after the invoice date and you return the product at your expense, you will receive a 5/6th credit of the price for the annual subscription. No credit will be given more than 60 days after the invoice date.

If you return a Non-Service Title at your expense within 30 days of shipment, you will receive full credit for the purchase price. No credit will be given for returns more than 30 days after shipment. No credit will be given more than 60 days after the invoice date.

Subscription to a CD-ROM, bender.com or any other electronic service from LexisNexis is subject to additional terms and conditions and separate contractual agreement. Call 800.223.1940 for details, ordering, and contract.

For complete terms and conditions related to your print subscription, visit www.lexisnexis.com/printcdsc.

Promotional Terms

Prices do not reflect sales tax, shipping and handling. Prices subject to change without notice.

*Any discounts to the featured print titles listed in this catalog expire 90 days after receipt of mailing. Discounts may be applied to new orders only. Any discounts cannot be combined with any other offers, discounts or be applied to current subscriptions, renewals or online subscriptions. Offers may be extended to other members of firm or organization. Sales to federal government customers may be subject to specific contract pricing.

LexisNexis eBooks are available in epub format for use on devices like the Apple® iPad® and mobi format for use on devices like the Amazon® Kindle®.
