# Securities Law

## FEDERAL SECURITIES

### Securities Law Techniques

*A.A. Sommer, Jr.; attorneys from the country's most prestigious law firms and corporations; contributing authors*

The preeminent work on securities law, this unsurpassed resource combines the authoritative analysis of a treatise with the real-world focus of a practice guide.

Created by one of the most influential securities attorneys of our time, it now assembles the expertise of over 85 leading practitioners to help you tackle virtually every aspect of securities regulation, including:

- Registration—exempt securities, underwriting, electronic filing, effectiveness, and closing and custody
- Post-Effective Concerns—prospectus requirements, sales materials and disclosure requirements, prohibited transactions, proxy rules, annual reports and MD&A, compliance procedures and internal controls, independence of audit committees and officers
- Litigation and Investigations—antifraud provisions, violations of disclosure requirements, class actions, bankruptcy proceedings, remedies, document control, and reporting up and reporting out

Throughout, you'll find the analyses you need of the core transactional and reporting requirements underlying sound corporate/securities practice—plus expert commentary supported with key source materials, sample documents, and practical checklists.

**S** 7 volumes, loose-leaf, updated 3 times per year, Pub. #00636, ISBN 9780820516363  
Estimated renewal cost: \$1,978

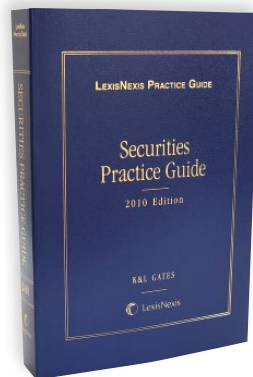

### Securities Practice Guide, 2011 Edition

*General Editors: Robert Zinn & Lorraine Massaro, K&L Gates LLP*

Whether it's your first securities transaction or your 100th, the **Securities Practice Guide** will help you through the entire process from the initial planning through execution. Written by seasoned experts, this practical guide is your source for tips, insights, and practical guidance through the complex world of securities. The book dissects each task, providing you a step-by-step outline with an analytical overview, checklists, expert practice tips, cross references to complementary analytical products and a guide to using *lexis.com*® for deep-dive research into your issue. Turn to **Securities Practice Guide** whenever you need quick, expert guidance on how to:

- Determine when 1933 Act registration and 1934 Act disclosure is required
- Identify transactions exempt from registration
- Conduct an initial public offering
- Draft and file registration statements
- List on trading markets
- Navigate reporting requirements and proxy rules

**NS** 1 volume, softbound, replaced annually, Pub. #01515, ISBN 9781422497456, eISBN 9781422486238  
Prior edition cost: \$106

### Federal Securities Act of 1933

*Hugh L. Sowards*

Stay on top of the law, rationale, policies and maze of regulations underlying the critical Federal Securities Act of 1933 with this cornerstone analysis—the most authoritative of its kind.

Over 25 top securities lawyers advise on determining the applicability of the 1933 Act, overseeing the registration process, satisfying the small issue exemption, preparing the registration statement, meeting filing requirements, avoiding liability for a false registration statement as well as unregistered securities, handling formal and informal SEC investigations, complying with the Sarbanes-Oxley Act of 2002, and more.

**S** 2 volumes, loose-leaf, updated 3 times per year, Pub. #00627, ISBN 9780820516271  
Estimated renewal cost: \$896

## Federal Securities Exchange Act of 1934

*Individual chapters authored by over 25 leading corporate and securities attorneys from the country's top law firms and corporations*

The essential backbone to any securities practice, this definitive publication can help you meet the demands of perhaps the most complex, highly regulated economic and legal framework in use today.

Thanks to its roster of unrivaled authors you'll be equipped to advise a public company on its ongoing registration and reporting requirements, untangle market manipulation issues, evaluate proxy regulation and insider trading, master the regulatory minutiae of securities markets, broker-dealers, transfer agents and clearing agencies, appreciate attorney and accountant liabilities, and more.

**S** 2 volumes, loose-leaf, updated 3 times per year,  
Pub. #00619, ISBN 9780820516196  
Estimated renewal cost: \$904

## Securities Primary Law Sourcebook

Turn to this indispensable set to review the full text of the 1933 Securities Act, 1934 Exchange Act, SIPA, and Trust Indenture Act plus the vital history, rules and regulations accompanying this landmark legislation. Included are all '33 and '34 Act forms as well as NASD rules, proposed and recently adopted SEC rules, and other critical documents affecting securities practitioners.

**S** 5 volumes, loose-leaf, updated 3 times per year,  
Pub. #00624, ISBN 9780820527772  
Estimated renewal cost: \$957

### OTHER TITLES OF INTEREST:

#### Securities Regulation, Fifth Edition

*Marc I. Steinberg*

**NS** 1 volume, softbound, updated as needed,  
Pub. #00648, ISBN 9781422470473. Previous edition cost: \$113

#### Taxation of Securities Transactions

*Martin L. Fried*

**S** 2 volumes, loose-leaf, updated twice per year,  
Pub. #00729, ISBN 9780820517292, eISBN 9781579114022  
Estimated renewal cost: \$425

## STATE SECURITIES

### Blue Sky Regulation, Second Edition

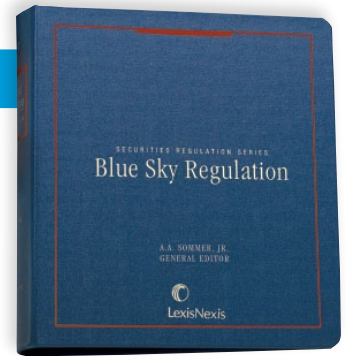

*Robert N. Rapp*

Gain usable insights into the legal and strategic issues central to state securities practice with the only treatise to offer total coverage of the blue sky statutes, regulations, case law, and administrative opinions.

Inexperienced paralegals and seasoned partners alike will appreciate the clear, expert commentary on the Uniform Securities Act(s), jurisdictional predicates, merit regulation, state antifraud and enforcement roles, and state regulation of intermediaries such as broker-dealers and investment advisers.

A full set of state guides simplifies and analyzes state securities codes and monitors enforcement trends. Plus you get the full text of the Uniform Securities Act(s), Uniform Forms, and relevant NASAA Statements of Policy.

**S** 4 volumes, loose-leaf, updated 3 times per year,  
Pub. #00142, ISBN 9780820557625, eISBN 9781579114022  
Estimated renewal cost: \$1,498

### Practice Under the California Securities Laws

*Harold Marsh and Robert H. Volk, original authors; updates by R. Roy Finkle*

Created by preeminent authorities in the field, Marsh & Volk, this treatise provides the most comprehensive and detailed analysis available of California securities regulation. It investigates key topics including the organization and administration of the California Department of Corporations; federal preemption of state regulation; exemptions from and procedure for qualification; regulation of agents, broker-dealers and investment advisers; and advertising and transfer of securities.

Thorough analysis is bolstered by a volume of primary source that includes the full text of the Corporate Securities Law of 1968, the commissioner's rules interpreting that law, the opinions of the corporations commissioner, and consultant annotations and commentary providing important insight into the statutes and rules, as well as sample forms.

**S** 3 volumes, loose-leaf, updated annually, Pub. #00552, ISBN 9780820515526, eISBN 9781579117597. Estimated renewal cost: \$982

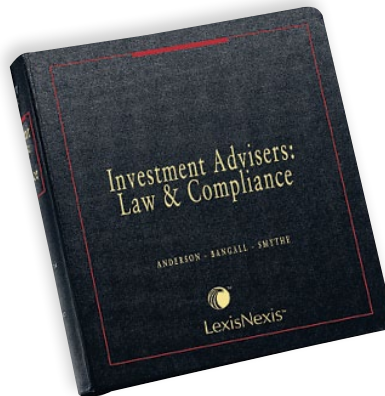

# Securities Law

## INVESTMENT MANAGEMENT LAW

### Investment Advisers: Law & Compliance

*Robert G. Bagnall, Marianne K. Smythe, James E. Anderson*

Recognizing that reforms stem from a tangle of SEC interpretative releases, rulemaking, and enforcement actions rather than the Investment Advisors Act of 1940s text or rules, this treatise helps you resolve key issues—who qualifies as an “investment adviser” under the Act, what advisers may (or must) state to current or prospective clients, how the Act regulates solicitation and referrals as well as advertising and Internet activities, and more.

**S** 2 volumes, loose-leaf, updated twice per year, Pub. #00017, ISBN 9780820527543, eISBN 9781579115708  
Estimated renewal cost: \$496

### Regulation of Investment Companies

*Thomas P. Lemke, Gerald T. Lins, A. Thomas Smith, III*

Address day-to-day investment management issues with this superlative practice guide written by and for lawyers, accountants, and compliance officers.

Fortified with select foundational primary source materials—including the full text of the Investment Company Act of 1940 and the rules promulgated thereunder—it shows you how to:

- Develop compliance best practices concerning market timing and illegal late trading
- Negotiate contractual provisions for the increasingly popular acquisition of fund complexes
- Advise clients on the legal requirements for advertising as well as structuring, disclosing, and reporting fees

So central to regulation and compliance it's been cited by the SEC itself, this unmatched treatise supplies practice tips to achieve client goals, avoid traps, and satisfy regulatory requirements.

**S** 3 volumes, loose-leaf, updated twice per year, Pub. #00022, ISBN 9780820520056, eISBN 9781579115722. Estimated renewal cost: \$614

### The FINRA Consolidated Rulebook: The Conduct Rules

The adoption of a unified set of rules has been the most eagerly awaited product of the merger of NASD and NYSE regulation into FINRA. LexisNexis editorial staff tracks this serial publication of the Conduct Rules with a chart mapping the NASD and NYSE legacy rules to the new FINRA rules, including policy discussion, and expert commentary by Melvyn G. Moseley, Jr., a partner with Warner Norcross & Judd, LLP.

**NS** 1 bound volume, Pub. #01579, ISBN 9781422475683, eISBN 9781579119584. Prior year cost: n/a

### Federal Securities Laws of Municipal Bonds Deskbook, Fourth Edition

*National Association of Bond Lawyers*

An essential guide for all bond lawyers, regulatory staff, in-house counsel for investment banking firms and banks, state and local government attorneys and other securities professionals.

Prepared by experts from the National Association of Bond Lawyers, this comprehensive publication delivers all key materials relating to the federal securities laws of municipal bonds in one portable volume.

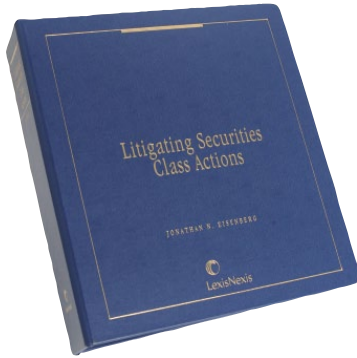

**NS** 1 volume, softbound, Pub. #22495, ISBN 9781422461150  
Prior edition cost: \$99

## SECURITIES LITIGATION AND ARBITRATION

### **NEW!** Litigating Securities Class Actions

*Jonathan N. Eisenberg, General Editor*

An in-depth treatise for defense attorneys, in-house counsel, and plaintiff's attorneys, specifically focused on issues arising from securities class actions. Content brings together practical expertise of 11 of the leading securities class action firms from across the country, discussing critical stages and strategies in this field. Individual chapters provide guidance on:

- How plaintiffs decide which cases to bring
- Key considerations in filing a motion to dismiss
- The evolving bases for challenging class certification
- Assessing damages
- Trial strategy
- Insurance issues
- Overseas class actions
- Recurring claims in class actions, such as accounting, subprime and investment company claims
- Crisis management
- The role of in-house counsel in managing class actions

**NS** 1 volume, loose-leaf, updated annually, Pub. #01630, ISBN 9781422478639, eISBN 9781579114909. Prior year cost: \$399

#### OTHER TITLES OF INTEREST:

#### **Mealey's™ Emerging Securities Litigation**

**S** Newsletter, twice monthly, Pub. #07043, ISSN 1541-2512, eISBN 9780327167235. Estimated renewal cost: \$1,095

#### **Mealey's™ Litigation Report: Class Actions**

**S** Newsletter, twice monthly, Pub. #07006, ISSN 1535-234X, eISBN 9781579119850. Estimated renewal cost: \$1,585

### Securities Arbitration Procedure Manual, Fifth Edition

*David E. Robbins*

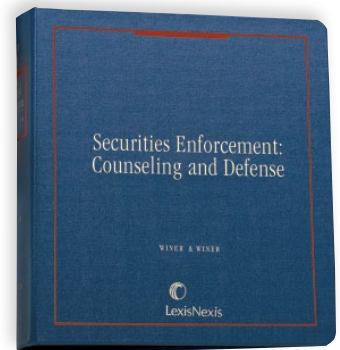

Updated to reflect new FINRA rules and procedures, negligent misrepresentation and breach of fiduciary duty cases, "manifest disregard" to vacate awards, Ponzi schemes, and arbitration best practices, this essential practice guide helps you target the central issues that arise in a dispute, evaluate the merits, and prepare and present your case to arbitration panels anywhere in the country.

**NS** 2 volumes, loose-leaf, updated annually, Pub. #82378, ISBN 9780327161882. Prior year cost: \$211

### Securities Enforcement: Counseling and Defense

*Samuel J. Winer, Kenneth B. Winer*

Whether you're defending clients in private litigation or a criminal investigation, this versatile blend of analysis and insight can help you confidently handle enforcement actions by the SEC, DOJ, and other government authorities. Crystalizing the legal issues, strategies, and procedural traps you'll confront, it includes sample litigation papers, forms, reports, memoranda, selected SEC releases, and more.

**S** 2 volumes, loose-leaf, updated annually, Pub. #01252, ISBN 9780820553436, eISBN 9781579114473. Estimated renewal cost: \$372

# Mergers & Acquisitions

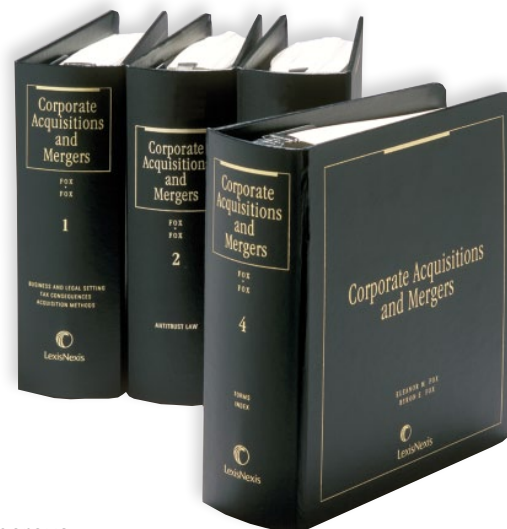

## Corporate Acquisitions and Mergers

Byron E. Fox, Eleanor M. Fox

This comprehensive treatise contains expert guidance and commentary while placing a strong emphasis on understanding legal requirements and assessing various strategic options. The authors provide clear legal analysis and effective strategies for structuring and closing transactions at the lowest tax cost; winning a takeover fight; complying with applicable antitrust, securities and labor laws; dealing with finders and brokers; and analyzing the issues in taking over an acquired company's benefit plans.

You get comprehensive coverage of such topics as:

- General business and legal considerations
- Tax issues implicated in structuring various transactions
- U.S. and foreign antitrust implications (with superior supplementation by the numerous antitrust-related Appendices)
- Registration and disclosure requirements of federal and state securities laws
- Other laws and topics that may be relevant in a particular M&A transaction, including federal labor laws, issues relating to brokers' and finders' fees, accounting issues, and pension and profit-sharing plan considerations

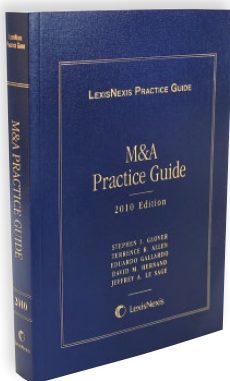

**S** 4 volumes, loose-leaf, updated 3 times per year, Pub. #00291, ISBN 9780820512914, eISBN 9781579116187  
Estimated renewal cost: \$1,771

## M&A Practice Guide

By leading attorneys at Gibson, Dunn & Crutcher, LLP

Combining the authority of our treatises with practical, task-oriented guidance and cross references to relevant print and online sources, the **M&A Practice Guide** is an ideal source for:

- All securities law relevant to M&A transactions, conveniently located in a single chapter
- Court-tested strategies employed successfully by veteran M&A attorneys at Gibson Dunn & Crutcher
- A wide variety of practice tips, checklists, and court-tested forms and provisions
- Extensive cross references to other research materials and links to the M&A Practice Center and other locations at [lexis.com](http://lexis.com)

**NS** 1 volume, softbound, replaced annually, Pub. #01514, ISBN 9781422496831, eISBN 9781579113032. Prior edition cost: \$106

## European Merger Control: A Guide to the Merger Regulation

Nicolas Levy, Partner at Cleary Gottlieb Steen & Hamilton LLP

Written by a leading expert in the field, this treatise is an up-to-date analysis of all aspects of merger regulation, including:

- Full coverage of the substantive law, with expert insights into its application and enforcement
- Practice-oriented guidance on jurisdictional and policy issues
- Comprehensive treatment of all leading court cases
- Expert analysis of the role of economics in EU merger control, U.S. merger enforcement and transatlantic cooperation, and EU antitrust issues arising in the M&A deal process
- Timesaving practice tips, checklists and primary sources, including the Merger Regulation, Draft Horizontal Mergers Guidelines and Best Practices Guidelines

**S** 2 volumes, loose-leaf, updated annually, Pub. #01286, ISBN 9780820555379  
Estimated renewal cost: \$454

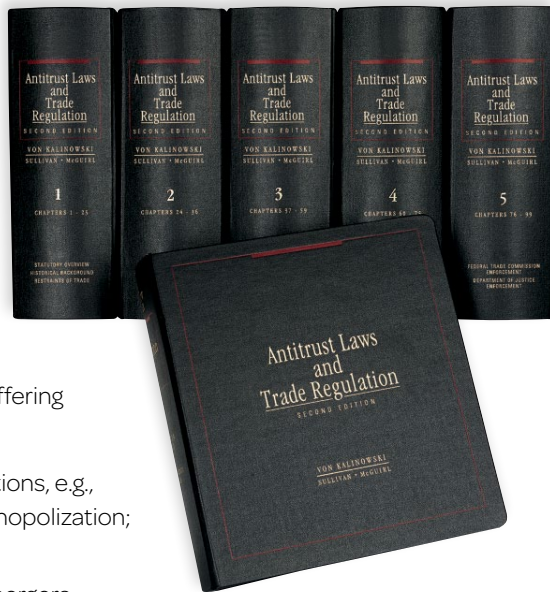

# Antitrust Laws

## Antitrust Laws and Trade Regulation, Second Edition

Julian O. von Kalinowski, Peter Sullivan, Maureen McGuire, Ralph Folsom

The pervasive effects of antitrust and competition law demand that both in-house and outside counsel have the information corporate management will need to conduct business safely yet effectively in the modern regulatory environment. This treatise answers that need, offering coverage of:

- Types of antitrust violations, e.g., horizontal, vertical, monopolization; price discrimination
- Antitrust problems in mergers, acquisitions, joint ventures
- International regulations and cross-border complications

A subscription to this authoritative treatise includes a subscription to *The Antitrust Report*, a quarterly newsletter providing analysis of current and emerging antitrust developments, with a focus on the worldwide evolution of antitrust law. The report is prepared by a group of nationally and internationally prominent practitioners.

Additionally, a subscription includes valuable primary source material: a concise analysis of the antitrust laws of each of the 50 states, along with the District of Columbia, Puerto Rico and the Virgin Islands, and a thorough review of international antitrust laws such as the substantive and procedural framework of competition law at the European Union and Member-State levels and of Canada.

- S** 10 volumes, loose-leaf, updated annually, includes quarterly newsletter, Pub. #00762, ISBN 9780820517629  
Estimated renewal cost: \$2,854  
Also available on CD-ROM.

## Antitrust Laws and Trade Regulation: Desk Edition

Julian O. von Kalinowski, James P. Clark, Sean Royall,  
Steven E. Sletten, Thomas E. Holliday, Phillip H. Rudolph

- S** 2 volumes, loose-leaf, updated twice per year, Pub. #00763, ISBN 9780820517636  
Estimated renewal cost: \$1,060

## Antitrust Counseling and Litigation Techniques

Julian O. von Kalinowski, General Editor

Over 70 of the world's leading practitioners in the field of antitrust and competition law provide authoritative techniques and problem-solving approaches for handling mergers and acquisitions; formulating competitive bidding and pricing agreements; creating or terminating distribution relationships; developing and implementing compliance programs to reduce risk; designing defenses for international transactions under U.S. law; and more. It is an essential resource for in-house counsel or outside law firms advising clients on antitrust matters.

- S** 5 volumes, loose-leaf, updated twice per year, Pub. #00027, ISBN 9780820510279, eISBN 9781579115739  
Estimated renewal cost: \$1,419  
Also available on CD-ROM.
