ALM® *The Recorder*

When you want a competitive advantage right where you live, turn to the information provider that understands the needs of California attorneys—LexisNexis.

Compared to Westlaw®, LexisNexis® gives you more of the California-specific content you're looking for, along with better overall value and more efficient tools to help you achieve better outcomes.

Increase your advantage

with MORE of the content that matters most in California.

In addition to having the largest collection of verdicts and docket information in California, LexisNexis delivers content you can't get from West®:

- More than 200 municipal codes in California; Westlaw offers no California municipal codes†
- The only complete collection of Official California Headnotes and Summaries‡
- LexisNexis offers 198 California-specific news sources, including 65 sources you cannot find on Westlaw**
- *California e-Discovery and Evidence*, the only dedicated practice guide devoted to e-discovery and electronically stored information issues in California††
- *California Points and Authorities*, the only California publication that provides model supporting and opposing memoranda that must be filed with motions, petitions and applications††
- Mealey's™ California Section 17200 Report, which monitors and reports major news involving California's Unfair Competition Law; West does not offer a California 17200 publication‡

NEW! Access to ALM® news archives (more than six months old), including *The Recorder*‡

NEW! Exclusive Lexis Advance™ Legal Issue Trail™, helping you find cases that cite to the case you are reviewing

Not just **MORE** ... more of what matters most for California.

Gain **MORE** value

with more timely, comprehensive and affordable offerings:

- Tax assessor county records in California that are updated 50 percent more often than Westlaw^{††}
- Criminal arrest county records in California that are updated weekly; West only updates monthly^{††}
- Matthew Bender[®] Practice Guides that are updated twice annually; the West Rutter Guides are only updated once a year[†]
- Published and unpublished information on more than 40,000 expert witnesses with an address in California^{*}
- *California Official Reports* in print retails for one quarter the price of West's competing print product[‡]
- *California Pretrial Civil Procedure*, providing checklists and master tables of contents for each volume; West's competing product does not[‡]
- *California Forms of Pleadings & Practice*, integrated with daily practice forms, checklists and research guides; Witkin's *Summary of California Law*, *California Procedure* and *California Evidence* do not include these resources[‡]
- *California Legal Forms*, the most comprehensive collection of transactional forms on the market[‡]
- *California Environmental Law and Land Use Practice*, which covers all aspects of California environmental transactions, litigation and compliance, is cited more frequently than the competing set from West[‡]
- *California Compensation Cases*, the highly preferred and most cited reporter of the Workers' Compensation Appeals Board^{††}
- More than 60 different California-specific eBooks[†]

NEW! Unlimited searching with Lexis Advance at no additional charge, so you only pay for the documents you download

Save time and effort

with tools that help you pull it all together, faster.

- NEW!** Only Lexis Advance gives you access to premium Lexis[®] content and relevant open Web content with Lexis Web, so you get the most comprehensive research all in one place
- The California Practice Area page at *lexis.com*[®] provides comprehensive sources in an easy-to-use layout, organized to match the needs of California practitioners
- *Shepard's*[®] Citations Service on *lexis.com* provides the treatment of "followed by," and unlike KeyCite[®] on Westlaw, *Shepard's* can quickly identify a potential split of authority in a California case^{‡‡}
- LexisNexis[®] Practitioner's Toolbox gives you quick reference to relevant case law, statutes and analytical material
- CaseMap[®] 10 software helps you easily put the relevant facts, issues, documents and research into context, while collaborating with your entire litigation team
- LexisNexis[®] Verdict & Settlement Analyzer helps you eliminate tedious cross referencing of data as you gauge risk and determine success factors
