## LexisNexis® Multi-year Agreement for Print Lock In Savings and Lock Out Uncertainty

With a LexisNexis® Multi-year Agreement for Print, you'll have the security of knowing how much your print publications will cost in the future. And you'll have the satisfaction of knowing you're enjoying a substantial savings.

It's a great way to manage your publications budget.

- **It's affordable.** You'll start saving right away with a Multi-year Agreement for Print, and your savings will continue to grow every year. You'll lock in an annual, fixed-rate increase for service titles that is substantially below the industry average, and you'll receive a fixed discount on your non-service release titles.
- **It's predictable.** A Multi-year Agreement for Print makes it much easier for you to manage your spending and forecast your budget for years to come.
- **It's flexible.** Your primary and secondary content needs can change over time. Accordingly, we've incorporated a swap-out provision in the Multi-year Agreement for Print. It lets you exchange titles you no longer need for titles that you do. And you can tailor your agreement to a specific title or across your entire account.
