

Why use SmartLinx Comprehensive Person Reports?

Leveraging LexisNexis® Public Records at *lexis.com*® enables you to locate and connect people, businesses, locations, assets and more from billions of public records and across many diverse source types in seconds.

A **SmartLinx® Comprehensive Person Report** is the best way to get a comprehensive view of an individual as it searches virtually all of the public records LexisNexis has online. This easy-to-browse report links all available public records information found on a person nationwide. Click and move to data on assets, bankruptcies, judgments and liens, licenses, and more.

The **vast coverage** of the LexisNexis Public Records content gives you sources not readily available from other providers or through the open Web. And the sophisticated linking and reporting technology found in SmartLinx can spot connections that might otherwise remain hidden. Imagine the difference this could make to your case, due diligence or research!

Here's how to search public records at *lexis.com* using the **SmartLinx Comprehensive Person Report**:

- ① Select the **Public Records** tab.
 - ② Once you arrive on the Public Records selection page click the **Comprehensive Person Report** box under **SmartLinx Searches**.
 - ③ In the **Person** tab fill in the facts you know and click **Search**. No search commands are needed. The search form gives you fill-in-the-blank simplicity and true search power. You can mine data in ways impossible with Boolean searching, for example:
 - LexisNexis proprietary data-linking technology recognizes similar names, nicknames, maiden names and spelling variations and correlates the right information to the right people.
 - **Find Similar-Sounding Last Names and Nicknames:** Check either of these boxes and your search will include these names.
 - **Alias Last Name:** Find this option on many search forms.
 - **Relatives' Names:** Add this option to further refine your results.
 - **Is the name fairly common?** Add an age range, alias name, relative name, previous state(s), etc.
 - **Have the SSN or LexisNexis LexIDSM***? For best results, search with one of these (enter SSN with or without dashes).
- Further refine results and pinpoint individuals with the following options:
 - **Radius:** Add nearby towns to your search automatically by choosing **Radius** and your desired distance (default is 30 miles).
 - **Previous City and Previous State:** Find people by using prior addresses.
 - **Age Range:** If you're not sure of an individual's age, estimate it with this helpful option.
 - Check the **Strict Search** box to retrieve results that more closely match the name and/or address entered.

Helpful hints

Get automatic report updates!

Get updates on all—or only specific—parts of a **Comprehensive Person Report (or a Comprehensive Business Report)**. Click **Save as Alert** as you view the report. Select the sections you want to save for automatic update. Select a daily, weekly or monthly frequency and request online or e-mail delivery.

How current are public records sources?

Click the blue **Coverage** button offered on most search forms in the upper-right corner to review update frequency and coverage dates by state.

- ④ Review your **Search Results** and select the name on which you would like the **Comprehensive Person Report**. The **Search Results** screen is the preliminary overview of all related individuals based on your criteria.
- ⑤ Discover your **SmartLinx Comprehensive Person Report**. The left column is a navigation bar showing the source types found and the number of documents in each source. Click on any blue hyperlink to be taken directly to that section. This left screen navigation remains the same wherever you link out.

In the body of the report you'll find:

- The most current address associated with that person is listed first in the **Address Summary** section.
- High-risk flags that draw your attention to information that needs closer examination, e.g., more than one person associated with a Social Security number.
- Results such as nationwide real and personal property, bankruptcy filings, and judgments and liens to determine assets and liabilities.
- **Sources** hyperlinks located throughout the report. Click to move to the original source document or check the **Sources** category in the left navigation bar.
- Quick links to the comprehensive reports of associated individuals and businesses.

Navigate your report with ease:

- In the **Address Summary** section link out to the source document or click **Get Report** to run a **Comprehensive Location Report** on that address to find other individuals and businesses associated with that address—even nearby businesses and individuals.
- **We Also Found** box shows the number of documents found in sources outside your subscription. If you choose, you can purchase these without a subscription—and pricing is only a click away.
- **Further Searches** are included in many reports. Click the hyperlink to move directly to the search forms of suggested sources that could expand your research.

For more information or assistance with your SmartLinx Comprehensive Person Report or LexisNexis Public Records research call **800.543.6862**.

- A LexisNexis linking technology recognizes documents on the "same" person, no matter the name variations, similar names, nicknames, etc. It then correlates that information to the right entity. Duplicate documents are extracted to reduce errors and increase accuracy.
- B Leverage the icons in the upper-right corner for various view and access options. Print reports in text, Adobe® Acrobat® PDF, Microsoft® Word, WordPerfect®, HTM and RTF. Download your report in any of the above formats or email your report.
- C Use the **Save as Alert** link to get updates on all or specific parts of your report. Select daily, weekly or monthly frequency, and request online or email delivery.

*A LexID is a proprietary 12-digit number assigned by LexisNexis to each person with a record in the LexisNexis Public Records collection.

Due to the nature of the origin of public record information, the public records and commercially available data sources used in reports may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. This product or service aggregates and reports data, as provided by the public records and commercially available data sources, and is not the source of the data, nor is it a comprehensive compilation of the data. Before relying on any data, it should be independently verified.
