# This is simplifying your routine.

Lexis Practice Advisor Intellectual Property & Technology enables you to efficiently manage transactions, producing more in less time.

## Practical Guidance

Get comprehensive coverage of transactions with new practical guidance, checklists, practice tips and insights from experienced attorneys covering topics such as patent licensing, IP in mergers & acquisitions and protecting domain names.

## Forms

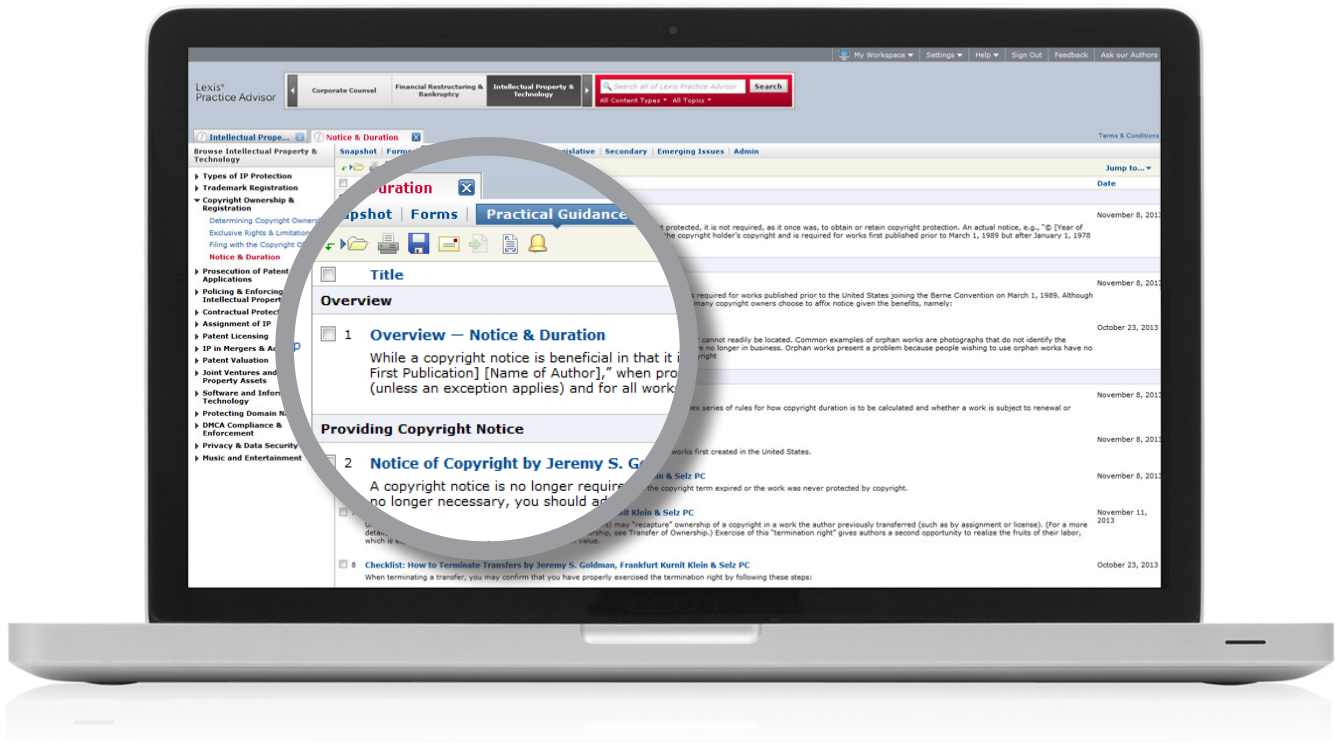

Work more efficiently and with greater confidence by accessing expertly drafted agreements with annotations and alternative clauses.

## All In One Place

Get quick access to relevant insight across six types of content, including Forms, Practical Guidance, Cases, Legislative Materials, Secondary Materials, including Matthew Bender treatises, and Emerging Issues. It's everything you need to manage a transaction from start to finish.

# This is staying up to speed.

Whether you are a junior attorney wanting to become familiar with a wide range of transactional matters so that you can begin billing quickly, or a seasoned professional looking to refresh your knowledge in areas or tasks you have not tackled recently, Lexis Practice Advisor helps you stay up to date on the information you need to know.

## Continuously Updated

Be confident you are accessing the latest practice trends and current insights with practical guidance content that is updated and maintained on a continuous basis and date stamps that indicate up to date content.

## News & Emerging Issues

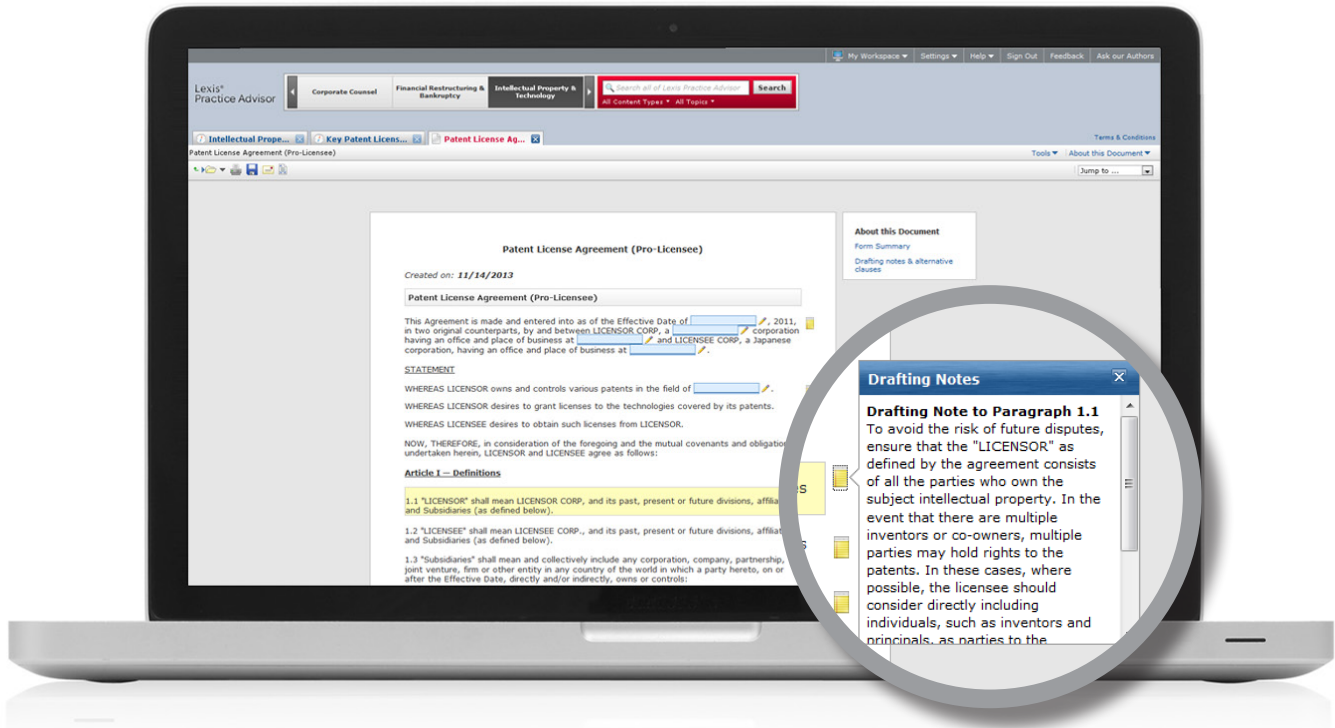

Access hand-selected articles and white papers, including breaking news from Law360®, keeping you updated on hot topics and trending issues.

## Precision Searching

Get to comprehensive results fast with pre- and post-filters that refine your search based on relevant criteria. Your search can be as narrow or expansive as you need.

# This is getting a head start on drafting.

With model forms drafted by leading practitioners, you can quickly customize your document for specific client situations, across a broad range of topics and transactions.

## Comprehensive Forms

Select and edit a wide range of forms, covering primary and ancillary documents, unique perspectives and multiple viewpoints.

## Expertly Drafted Enhancements

Save time with checklists, drafting notes, form summaries and alternative clauses from leading attorneys, all accessible at a click of a button.

## Download Directly to Microsoft® Word

Download specific forms, then view and edit them right within the program you use every day. You can also email and print.
