

LexisNexis® Paralegal Program

Give your paralegal students experience using the same premier legal technology solutions widely preferred by legal professionals.

FACT: 80 percent of large law firms in the U.S. rely on LexisNexis® Research Solutions*

Knowing how to use the *lexis.com*® and Lexis Advance™ services prepares your graduates for jobs in small and large law firms, corporations and government agencies such as the Department of Justice and U.S. Courts.

Students pursuing paralegal degrees can get a head start on developing the research and litigation skills needed to become a successful paralegal.

With the LexisNexis® Paralegal Program, you will receive:

- Access to the *lexis.com*® and Lexis Advance™ services
- 24/7/365 access to LexisNexis® Customer Support and research assistance from actual attorneys for all students and faculty members
- Content options to fit your needs and budget
- Simplified contract commitments
- Simplified, consistent, per-user pricing with no differentiation between faculty and students
- Access to the LexisNexis® Paralegal Community—an online site designed with paralegals in mind, where your faculty and students can access:
 - Training and other resources to help them use the LexisNexis® services more effectively
 - Webinars, tutorials, white papers, LexisNexis literature, and more
 - Paralegal discussion forums to weigh in on topics of interest

With the LexisNexis Paralegal Program, students and faculty have access to:

- The same technology used by the majority of the legal community
- *Shepard's*® Citations Service, which offers concise, at-a-glance summaries of case treatment and legal opinions
- Unparallel online content including law reviews, forms, treatises and briefs, pleadings, and motions filed by attorneys.

The LexisNexis® Certification for Paralegal Students

To help you give your students a head start on developing their research and litigation skills, LexisNexis has developed a new *Certification for Paralegal Students* online training program. It is designed specifically for paralegal students to help increase their proficiency in online legal research using *lexis.com* and Lexis Advance.

This training program is offered through your school's LexisNexis® subscription and available only to paralegal students who have access to the *lexis.com* and/or Lexis Advance services. The LexisNexis *Certification for Paralegal Students* consists of five modules:

Module 1: Introduction to *lexis.com* and Lexis Advance

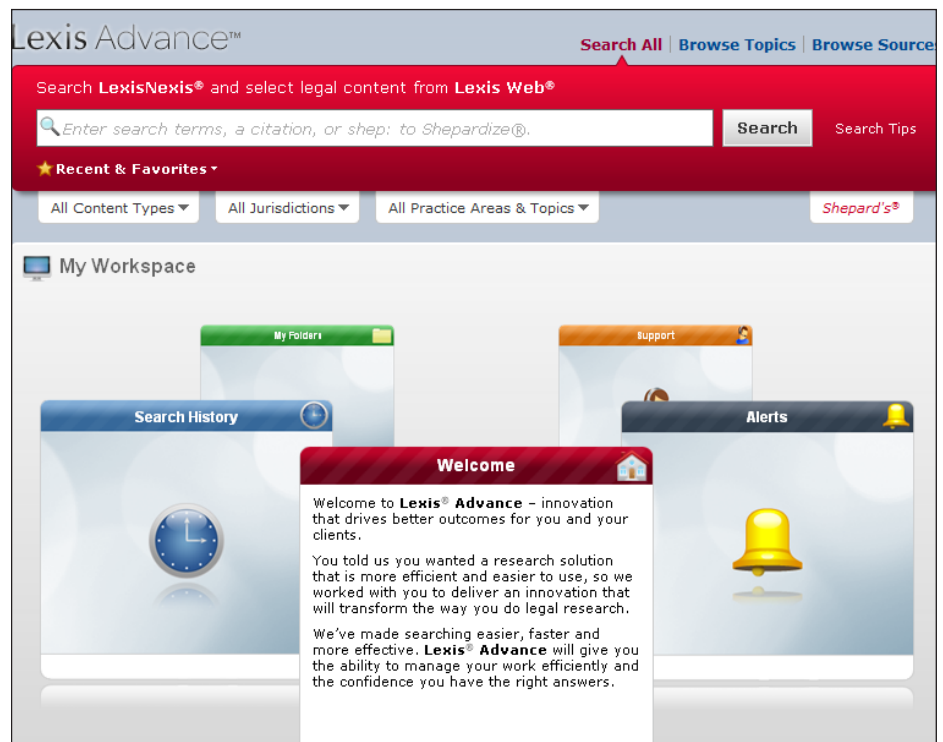

Module 2: Using Secondary Sources for Initial Case Analysis

Module 3: Researching Statutes and Regulations

Module 4: Case-Law Research

Module 5: Cite Checking with *Shepard's* Citations Service

As students advance through the modules, they will have opportunities to reinforce their knowledge through online quizzes. Once they complete the program they will earn a recognized LexisNexis® Program Certification to include on their résumés.
