Welcome to the LexisNexis® catalog of legal resources—
your one-stop guide to authoritative legal content to help you
research more efficiently and cost-effectively, and deliver better
outcomes for your clients and firm, company or government agency.
Whether you prefer to research in print, online or in combination, LexisNexis
makes it easy for you to access the critical information you need.

Exclusive Premium Content Delivered the Way You Want It

Inside, you will find treatises, practice guides, forms collections, primary law materials and more from the most highly respected names in legal publishing over the last two centuries—including Matthew Bender®, *Shepard's*® and Michie™. Turn to LexisNexis for penetrating insights from leading authorities such as Chisum, Collier, Gilson, Moore, Nimmer and Weinstein.

LexisNexis delivers this exclusive premium content in the medium that works best for you—in print and eBook formats and online at *lexis.com*®.

Innovative Solutions for the Most Cost-Effective Research

From pioneering online legal research in 1974 to recent innovations such as Lexis® for Microsoft® Office and Lexis Advance™, LexisNexis has a rich history of developing breakthrough products and services to help you gain insights faster, make better decisions and improve productivity.

LexisNexis® mobile solutions include mobile apps, sites and eBooks designed especially for mobile devices. These resources help you get the information you need to make sound, on-the-spot decisions. Electronic publications allow you to access thousands of publications on your laptop, smartphone, e-reader or tablet device.

We also deliver solutions that combine the benefits of print and online. For example, upon locating on-point analysis and forms in our print publications, you can quickly sign on to *lexis.com* to *Shepardize*® cited cases and statutes to make sure they are still good law.

For the ultimate bridge between print and online sources, our continually expanding LexisNexis® AnswerGuide™ and Matthew Bender® Practice Guide series combine task-oriented analysis, practice pointers and checklists with cross-references to primary sources, more detailed analysis in our treatises and step-by-step instructions for locating relevant information at *lexis.com*—in many cases including sample searches.

Premium Resources for your Practice Area, Industry or Jurisdiction

From accounting to workers' compensation, and from Alabama to Wyoming and U.S. territories, LexisNexis delivers a comprehensive collection of premium resources for your areas of law, industry or jurisdiction.

Simply browse the Table of Contents or scan the detailed Title Index at the back of this catalog to find the resources you need. If you have questions about which title is best for a particular matter, call a LexisNexis Sales Representative at 800.223.1940.

Legal Expertise ... *On Demand*

LexisNexis® eBooks make it easy to access the content you need, in a format that fits your research style.

Carry your law library with you. eBooks are:

- Easy to access—on your device of choice
- Easy to carry—in your pocket or your briefcase
- Easy to bookmark, highlight, skim and annotate—plus enjoy additional functionality such as linking to *lexis.com* and emailing notes

To streamline your research from our larger volume sets, our core volumes are being converted to eBooks, featuring the most essential information. See the full list of eBooks at www.lexisnexis.com/ebooks.

Accounting Law

Accounting for Banks

James M. Koltveit, original author; revisions by Donald Resseguie

If you're looking for guidance through the complex and numerous accounting rules unique to banks and financial institutions, this one-stop reference puts all the comprehensive analysis you need at your fingertips. It explains how to analyze a bank's financial position and operations using its financial statements; illustrates alternative bank financial statement presentations; provides a working knowledge of bank operations and internal accounting controls; details bank audit objectives and procedures; and demonstrates applications of internal accounting controls and accounting and reporting principles to banks' cash, investment securities, trading account securities, loans, property and equipment, and a host of other assets. Finally, it includes a variety of examples, illustrations and other valuable practice aids for the special situations that you may encounter.

S PRINT • 2 volumes, loose-leaf, updated twice per year, Pub. #00023, ISBN 9780820510231

Accounting for Government Contracts: Cost Accounting Standards

Darrell J. Oyer

For comprehensive, detailed analysis of implementing, complying with, and keeping current with cost accounting standards for federal government procurement contracts, turn to this resource. It includes discussion of applicability of standards and regulations to contractors and contracts; explanation of procedures involved in preparing cost impact proposals and making contract price adjustments; comprehensive analysis of and commentary on each standard along with dozens of detailed examples; and discussion of the federal acquisition regulation and significant regulatory issues that affect cost accounting standards. It guides professionals involved in contract administration in both private industry and government procurement circles and provides the theoretical and conceptual bases for each standard.

S PRINT • 1 volume, loose-leaf, updated annually, Pub. #00024, ISBN 9780820510248

CD-ROM • Single user, Pub. #00932, ISBN 9780820529943

NS eBook • eISBN 9781579110505

Accounting for Government Contracts: Federal Acquisition Regulation

Darrell J. Oyer, contributing editor; LeRoy Haugh; Craig J. Langstraar; Carl Vacketta

Benefit from thorough coverage of all aspects of government contract accounting with particular emphasis on the Federal Acquisition Regulation (FAR). For example, you get in-depth treatment of all aspects of the FAR, including its relationship to cost accounting standards; FAR cost principles—including dozens of examples, flowcharts, tables and illustrations; contract terminations, changes and delays; and government contract taxation and financial reporting.

S PRINT • 1 volume, loose-leaf, updated annually, Pub. #00183, ISBN 9780820511832

NS eBook • eISBN 9781579110918

Accounting for Public Utilities

Robert L. Hahne, Gregory E. Aliff, Deloitte & Touche, and contributing authors

This comprehensive treatment of utility accounting is a must-have resource for anyone involved in utility accounting, finance, ratemaking and deregulation. It brings into focus all the special types of accounting rules, situations and adaptations that are essential in this highly specialized industry.

Bender's Payroll Tax Guide

Dennis Lassila, Bob Kilpatrick

This is the resource you need to help you design and run a payroll system that is both economical and efficient. In its more than 1,000 pages, you'll find coverage of the applicability of federal payroll taxes to employees; an alphabetical dictionary to help correctly determine what constitutes a wage payment; methods and systems for streamlining record keeping, tax deposits, personnel status changes, garnishments, wage assignments, termination of business operations and more; all the facts on Social Security benefits; filled-in sample forms and reproducible blank forms; and annual Social Security and withholding tables.

NS PRINT • 1 volume, softbound, replaced annually, Pub. #00539, ISBN 9781422494103

Bender's Tax Return Manual

*M. Kevin Bryant, original author;
revisions by Kara Kraman*

Get thorough, clear, and practical guidance for reporting income taxes with this invaluable resource. The first part consists of fact patterns accompanied by line-by-line guidance for filling in tax returns, and the second part contains over 100 blank forms so you have them at your fingertips.

NS PRINT • 1 volume, softbound, replaced annually, Pub. #00121, ISBN 9780769845845

Bender's Dictionary of 1040 Deductions

*Publisher's Editorial Staff, with contributions
by Mary Howley*

Organized the same way as IRS Form 1040 (the income tax return for individuals) and its companion schedules—and supported by thousands of citations—this practical guide is designed to get you quickly to the pertinent information you need to answer all questions about deductions when filing the individual tax return. For example, each chapter includes a checklist of deductions along with hundreds of entries clarifying what is deductible and what is not; entries discuss the deductible items; full citations appear for each entry; and dozens of entries cover items commonly mistaken to be deductions.

Bankruptcy Law

Collier on Bankruptcy®, the flagship bankruptcy treatise from LexisNexis® Matthew Bender®, is written and edited by leading scholars and practitioners who bring an unparalleled breadth and depth of expertise to the field. Because of their insights, many lawyers and courts have come to rely on *Collier* as the leading authority, making it the most frequently cited treatise on bankruptcy.*

Collier Editors-in-Chief

Alan N. Resnick is the Benjamin Weintraub Distinguished Professor of Bankruptcy Law at Hofstra University School of Law in Hempstead, New York. Professor Resnick, who has taught for more than 25 years, is a nationally recognized authority on bankruptcy law. Professor Resnick is also of counsel to the firm of Fried, Frank, Harris, Shriver & Jacobson LLP, in New York City, where he regularly consults on bankruptcy, insolvency and restructuring matters.

Henry J. Sommer is a leading authority on consumer bankruptcy law and has litigated many major cases involving bankruptcy, consumer law, civil rights and other issues. He is the supervising attorney at the pro bono Consumer Bankruptcy Assistance Project in Philadelphia and formerly served as the head of the Consumer Law Project at Community Legal Services in Philadelphia. Mr. Sommer has also served as a Lecturer-in-Law at the University of Pennsylvania Law School and is now an adjunct professor at Temple University School of Law. He is a past president of the National Association of Consumer Bankruptcy Attorneys.

* Since 1979, courts have cited to Collier on Bankruptcy 18,900 times while citing the best-known alternative only 1,751 times. Comparison between Collier on Bankruptcy and Norton Bankruptcy Law and Practice as of 9/1/2011. Based on internal studies.

Collier on Bankruptcy®, 16th Edition

Alan N. Resnick, Henry J. Sommer, Editors-in-Chief;
with contributing editors and authors

For over 100 years, *Collier on Bankruptcy*® has been recognized as the most comprehensive and authoritative source of bankruptcy law information.

Written and edited by leading scholars and practitioners in the field of bankruptcy, it helps you work more efficiently and effectively with features that make it easier and faster to find critical information:

- The text focuses on the current state of the law, with coverage of historical developments usually contained at the end of the chapter. The information you need most is the information you'll find first.
- Each chapter is broken down into detailed paragraphs and subparagraphs with descriptive captions, enabling you to find the specific information you need quickly.
- *Collier on Bankruptcy* authors and editors give you their expert opinions on issues that are unclear or unsettled, providing you with the authority you need to take a position.
- The forms are organized into separate volumes of commercial bankruptcy forms and two volumes of consumer bankruptcy forms, making it easy to find the form you need for a specific situation.
- The eight Appendix volumes contain a thorough collection of primary source material, including bankruptcy legislation and relevant legislative history.

All volumes in the set are now completely revised into a Sixteenth Edition.

Collier Pamphlet Edition

Commentary by Alan N. Resnick, Henry J. Sommer

Get quick and easy access to the full text of the Bankruptcy Code and Rules. The first two volumes provide the Code, related statutes, bankruptcy and evidence rules, Director's Procedural Forms, and Official Forms and describe their impact and interrelation with expert commentary, legislative history and case notes. The third volume, the *Portable Pamphlet*, contains the full text of the Code and Rules in a single volume, making it the perfect tool to take to court or on the road. Each volume also includes a comprehensive index.

Collier Guide to Chapter 11: Key Topics and Selected Industries

*Alan N. Resnick, Henry J. Sommer, Editors-in-Chief;
and more than 25 contributing authors*

This guide takes an in-depth look at the key topics involved in current Chapter 11 practice, and considers in detail the bankruptcy landscape in selected industries. Following an overview of Chapter 11, the key topics addressed are:

- Current trends in debtor-in-possession financing
- Section 363 asset sales
- The use of Chapter 11 as a liquidation tool
- Key employee benefits issues in a 363 sale
- Prepackaged bankruptcy cases
- Federal income taxation issues
- Intellectual property in bankruptcy
- Cross-border insolvencies

The industries examined in depth are retail, real estate, hospitals and health care, automotive suppliers and customers, airlines and casinos. Also considered are fraudulent transfer action claims against the FDIC in bank holding company cases. Where appropriate, relevant practice aids have been included, such as sample forms and checklists. Additional industries will be covered in future releases.

Collier Bankruptcy Practice Guide

*Alan N. Resnick, Henry J. Sommer, Editors-in-Chief;
with contributing authors*

This timely guide to bankruptcy practice and procedure ensures that your decisions are based on cutting-edge law. Developments in areas such as electronic filing, foreign proceedings, executory contracts, rejection of collective bargaining agreements, conversion and dismissal, dischargeability and reaffirmation of debts, and taxes are discussed.

Organized according to the sequence of day-to-day practice, this practical resource includes contributions from over 40 prominent bankruptcy attorneys. Coverage includes:

- Strategic advice and practice tips
- Practitioner checklists for debtors and creditors
- Discussion of relevant Bankruptcy Rules and their impact
- Practice aids including official and author-drafted forms and research guides that cross-reference Bankruptcy Code and Rules to the text
- Text of current local rules, forms, and related orders and memoranda for every district and bankruptcy appellate panel

S PRINT • 6 volumes, loose-leaf, plus 12 softbound local rules volumes, updated 3 times per year, Pub. #00200, ISBN 9780820512006

Collier on Bankruptcy Taxation

Myron M. Sheinfeld, Milton B. Hyman, Fred T. Witt;

Collier Consumer Bankruptcy Practice Guide

Henry J. Sommer; Alan N. Resnick,
Henry J. Sommer, Collier Editors-in-Chief

This key resource comprises three volumes—*Collier Consumer Practice Guide* and *Collier Consumer Bankruptcy Forms*. The forms contained in the *Collier Consumer Bankruptcy Forms* are divided into 27 “parts” or topics, reflecting the tasks performed in a typical consumer bankruptcy case. Each topic begins with editorial analysis providing guidance on the use of the forms.

With it, you’ll gain access to detailed discussions and step-by-step analysis of Chapters 7 and 13 consumer bankruptcy cases. Uniquely designed for solo practitioners and small consumer bankruptcy firms, the *Guide* is user-friendly and efficiently organized.

S PRINT • 3 volumes, loose-leaf, updated twice

eBook • eISBN 9780327170747

Collier Monograph: Corporate Governance in Insolvency and Bankruptcy

Christopher W. Frost; Alan N. Resnick, Henry J. Sommer, Collier Editors-in-Chief

Examines principles of corporate governance law in the context of corporate financial distress. The monograph covers the general corporate governance structure that applies to solvent corporations; recent cases that have struggled with whether managers' fiduciary duties shift as the corporation enters into the zone or vicinity of insolvency, along with the rise and fall of the "deepening insolvency" theory of liability; enforcement of pre-bankruptcy governance obligations; and corporate governance during Chapter 11.

NS PRINT • 1 volume, softbound, Pub. #00219, ISBN 9781422489222
Included with purchase of *Collier on Bankruptcy*.

Collier Monograph: Employee Benefits and Executive Compensation in Corporate Bankruptcy, 2nd Edition

John R. Cornell, Daniel C. Hagen, Lisa Rothman Jesner, Tricia Eschbach-Hall; Alan N. Resnick, Henry J. Sommer, Collier Editors-in-Chief

Ties together two areas that intersect when a company faces financial trouble—bankruptcy law and employee benefits law. The Second Edition features five new chapter-length sections on the following topics:

- Sales of assets under Bankruptcy Code section 363
- Multi-employer pension plans
- Liquidation-related benefits matters
- UK pension plans
- The Troubled Asset Relief Program

NS PRINT • 1 volume, softbound, Pub. #00219, ISBN 9781422480434
Included with purchase of *Collier on Bankruptcy*.

Collier Monograph: Environmental Issues in Bankruptcy Cases

Adam P. Strochak, Jennifer L. Wine, Erin K. Yates; Alan N. Resnick, Henry J. Sommer, Collier Editors-in-Chief

Discusses how key provisions of the Bankruptcy Code affect the environmental liabilities of parties to bankruptcy proceedings and how courts have reconciled the competing goals of environmental law and bankruptcy law.

NS PRINT • 1 volume, softbound, Pub. #00219, ISBN 9781422473405
Included with purchase of *Collier on Bankruptcy*.

Collier Monograph: A Lender's Participation in a Chapter 11 Case

Robert J. Rosenberg, Michael S. Lurey, Mark A. Broude; Alan N. Resnick, Henry J. Sommer, Collier Editors-in-Chief

Describes participation in a Chapter 11 case from the lender's perspective with regard to both pre- and post-petition financing. It sets forth the principal rules governing financing arrangements between a lender and a debtor and also reviews the issues that a lender should consider in evaluating the post-petition financing.

NS PRINT • 1 volume, softbound, Pub. #00219, ISBN 9781422473436
Included with purchase of *Collier on Bankruptcy*.

Collier Real Estate Transactions and the Bankruptcy Code

The Ponzi Book: A Legal Resource for Unraveling Ponzi Schemes

Kathy Bazoian Phelps, Hon. Steven Rhodes

Covers virtually all legal issues relating to unwinding Ponzi schemes. Written as a comprehensive guide, this publication includes a thorough legal analysis to support competing claims and defenses of affected parties, and contains a sophisticated discussion of the administrative practicalities that arise in Ponzi cases. Several chapters are dedicated to increasingly common fraudulent transfer claims and preference claims, along with the defenses that investors, brokers and others can assert to those claims, as well as a broad array of litigation claims that can be pursued against any type of defendant with culpability or liability due to their involvement in a Ponzi scheme.

Business Torts

Joseph D. Zamore, Editor-in-Chief; Phillip J. Campanella, Philip J. Cihfield, David C. Forsberg, Mary Hutchings Reed, associate editors

Treatise covers main areas of business tort law, including:

- **Intra-corporate torts:** breach of fiduciary duty, wrongful discharge, employment covenants not to compete, and negligent hiring and other direct liability employer torts
- **False statements:** commercial defamation and trade libel, deceptive advertising and fraudulent transfers
- **Third-party interference:** interference with contractual relations, interference with prospective advantage, interference with lawful business and interference with employment relations
- **Unfair trade:** trade secrets, covenants not to compete in the sale of a business, state consumer protection laws, business torts and antitrust, franchise disputes and usurpation of corporate opportunity
- **Intentional torts:** bad faith in insurance and other contracts, private RICO actions in the commercial content
- **Intellectual property:** trademarks, copyright infringement and patent infringement

Special topics on privacy and publicity, malicious prosecution and abuse of process, computer litigation, products liability, lender liability, liability for environmental impairment, insurance for business torts, spoliation of evidence and premises liability are covered as well as analysis of the situations in which claims arise, the parties, the causes of action, defenses, damages, litigation techniques, and model legislation and other statutory considerations.

Corporate Governance: Law and Practice

Amy L. Goodman, Bart Schwartz

This highly respected treatise is a comprehensive and easy-to-use resource that provides authoritative analysis and insightful, practical guidance on every critical corporate governance subject. It examines all aspects of that topic, and addresses the major policies embodied in legislation, case law, state and federal regulations, stock market listing requirements, and best-practices guidelines concerning the rights of shareholders as well as the obligations of those who run and oversee companies on their behalf.

You get coverage of everything from the history of corporate governance to discussion of the importance of the corporate code of conduct as the linchpin of a company's compliance efforts.

S PRINT • 1 volume, loose-leaf, updated 3 times per year, Pub. #00364, ISBN 9780820513645

Liability of Corporate Officers and Directors, 8th Edition

Dan A. Bailey, Katharine B. Bowman, Robert L. Eblin, Michael R. Goodstein, Darius N. Kandawalla, R. Stacy Lane

A succession of highly publicized events—the collapse of Enron, the revelations about backdated stock options, the near-meltdown of the financial system—have driven legislators and regulators to expose directors and officers to unprecedented financial liability. In these circumstances, the pressure's on counsel to stay abreast of the developments that impact their liability and to provide watertight guidance. In the Eighth Edition, published in 2010:

- New chapters have been added to provide in-depth coverage of the impact of bankruptcy on D&O claims and insurance, the unique issues applicable to excess D&O insurance policies and the proper role of Side A D&O insurance policies
- Every chapter has been updated and many have been substantially restructured and rewritten
- Current legal thinking on such issues as executive compensation, claims by creditors brought against directors and officers, securities class action litigation, and enterprise risk management is reflected
- A summary of the Towers Watson *Directors and Officers Liability Survey* provides key insight into litigation statistics and trends
- A unique checklist of 170 potential liability programs are among the tools that can help you document your company's risks and support the need for specific provisions in your compliance program
- Selected state codes and statutes, sample policy forms, bylaw and agreement provisions and more simplify the process of translating your program into corporate policy

Organizing Corporate and Other Business Enterprises, 6th Edition

Leonard Gross, Mark R. Lee

Get concise, thorough information on the legal, tax and business implications at each stage of setting up and maintaining business enterprises. Comprehensive content includes analysis of each organizational form, the formalities of creating it and the principal methods of customizing each form for client needs. Core business issues are addressed; discussions offer factors to consider and identify actions an attorney might take as well as the reasons for taking them. Also included are real-life examples, sample agreements and forms that provide timesaving guidance in drafting essential documents.

Professional Corporations and Associations

Mary Howley, Barrien C. Eaton

A practical guide to all the issues arising from the organization of professionals and closely held businesses into a professional corporation (PC). It specifically addresses the formation, operation and dissolution of a professional corporation (PC) with attention to aspects of tax, ERISA, potential grounds for liability, costs, ethics, corporate models types, advantages and disadvantages, retirement plans and insurance. Coupled with tax and state law primary source, analysis, procedure and examples of forms to aid drafting of documents.

Topics are organized according to the following categories:

- **An Overview of corporations**—explores the meaning of the professional corporation and guides the attorney through the different tax aspects of incorporation
- **Considerations and techniques**—analyzes the various methods and means of incorporation, various corporate models vis-a-vis professional corporations, capitalization and compensation issues
- **Explanation of documents**—provides examples of sample documents necessary for incorporation and guidance on how to use them for different fact patterns which may arise from the entanglement of ethical and legal considerations of a professional corporation and a particular jurisdiction's requirements
- **Tax concept of "corporateness" evolution and analysis**—discusses various historical implications that still affect the way that corporations and taxation is looked at today.
- **Advising the small business client**—discusses strategies designed to protect the members of a professional corporation from malpractice, tort and various legal actions. It also provides analysis of qualified plans, actuarial concepts, vesting and accrual, funding methods and other considerations for planning the retirement of a professional corporation's members.

Commercial Law

Secured Transactions Under the Uniform Commercial Code

Julian B. McDonnell

Develop a full and well-rounded understanding of Article 9 and its application to secured financing techniques. Unique in its breadth and depth of coverage, this treatise discusses not only the current state of the law of secured transactions under UCC Article 9, but also the historical evolution of the law and the application of the 1998 revision.

The great value of this publication lies in the following key features:

- **Comprehensive coverage**—Every facet of secured lending is examined and analyzed in detail, from basic topics to difficult or controversial issues.
- **Detailed analysis**—Conflicting judicial interpretations of Article 9 and state variations are presented in preparing briefs and oral arguments.
- **Complete coverage**—Both the old and revised versions of Article 9 are presented, facilitating contrast analysis and litigation of matters governed by the former version of the law.

Agricultural Law

Dr. Neil E. Harl, Robert P. Achenbach Jr., contributors

Virtually every aspect of agricultural law as it relates to farmers, ranchers and other agrarian interests is offered in this comprehensive treatise. Each part in the treatise offers you up-to-date analysis of the applicable principles of the law and citations to relevant federal and state statutes, court decisions and administrative regulations.

Additionally, there is discussion of recent developments and topics of growing significance as well as helpful sample tax forms relating to federal regulations. Specific areas covered include business planning, trade regulation, estate planning, property law, labor regulation, civil liabilities and environmental controls.

Bender's UCC Sales and Bulk Transfers

Henry Gabriel, William H. Henning

Conducting research on issues related to the Uniform Commercial Code can get complicated and unwieldy. With this widely respected treatise, you get complete coverage of relevant issues, in a practical format that includes coverage of sales and bulk sales transactions, complete analysis of reported decisions in this area of the law, and alternative drafting and litigation strategies for both buyers and sellers.

The following practical applications are also covered:

- Analysis of changes to the law on sales transactions in light of the 2003 amendments to Article 2
- Extensive coverage of electronic contracting, including discussion and analysis of the Uniform Electronic Transactions Act (UETA) and the Electronic Signatures in Global and National Commerce Act (ESIGN)
- Discussion of the overlap of Article 2 with revisions to Article 1 (General Provisions) and Article 9 (Secured Transactions)
- Analysis of computer information transactions and the interplay between Article 2 and the Uniform Computer Information Transactions Act (UCITA)

Goods in Transit

Saul Sorkin

Save research time and practice more efficiently with this seven-volume treatise that addresses how to recover or avoid liability for lost, damaged or delayed goods shipped by air, sea, rail or truck. This all-inclusive treatise contains all that you need, including legal analysis, forms, and relevant statutory, regulatory and international treaty material, in one central source. Designed to advise the general practitioner as well as specialists in the field, *Goods in Transit* contains detailed analysis of the rights, obligations, and remedies for losses, damages, and delays and the procedures used in claiming, settling, and litigating these disputes.

A wide variety of topics are featured in this publication, including the following:

- The transportation industry worldwide
- Cargo security
- Bills of lading
- Connecting carriage and geographic scope
- Intermodal transportation
- Termination of common carrier liability
- Carrier litigation
- Insurance contracts
- Marine insurance and inland marine insurance
- Liability insurance financial responsibility laws
- Written notice of claim
- Liability of brokers and third-party intermediaries
- Negotiation of settlement
- Jurisdiction and venue
- Limitation and damages for delay
- Limitation of damages and liability
- Indemnity actions
- Freight, rates, and demurrage
- Liens of carriers upon cargo
- C.O.D. shipments

Included in this source is an appendix of forms and the full text of relevant statutes, regulations, and international treaties, reprinted in *Goods in Transit—Selected Regulations, Statutes, and Treaties*, republished annually. In addition, relevant primary source material is reprinted in portable softbound volumes.

Constitutional Law

State Constitutional Law: Litigating Individual Rights, Claims, and Defenses, 4th Edition

Jennifer Friesen

Get the publication designed to assist attorneys who litigate and courts who decide claims of individual civil rights and liberties based on state constitutions.

Although state constitutions differ in many ways, they have more points of similarity in the texts of their Bills of Rights than might be supposed. The author helps the bench and bar take advantage of the diversity offered by the constitutions' opinions of sister courts, explaining the similarities and the dissimilarities of state constitutions with topics that includes:

- Privacy and the right to personal choice
- Freedom of religion
- Freedom of expression
- Search and seizure

As a result of a shared history, most states' individual-rights guarantees have much more in common with each other than they have with the federal Bill of Rights, and this publication provides those critical likenesses and differences.

Newsgathering and the Law, 4th Edition

C. Thomas Dienes, Lee Levine, Robert C. Lind; Lee Levine, Robert C. Lind, Seth Berlin, supplement authors

This is the publication for every newsroom and for attorneys practicing media law, providing a wealth of legal history, developing issues and expert analysis in the field of newsgathering.

There is no better time than now to negotiate newsgathering issues. CIA leaks and discourse on news media limits are splashed across the headlines. The use of hidden cameras, unauthorized taping and access to businesses and homes are the real business of those practicing in the area of reality television. Freedom of Information Act (FOIA) requests are the tools as reporters seek access to government records.

This is a must read authored by experts who each have more than 20 years of experience in media law. This edition offers you so much more with:

- More pages of analysis
- More pages of analysis, including a new chapter *Privilege on the Internet*
- New discussions like civil commitment proceedings, military proceedings, and national security and other technology in the courtroom

Alcohol, Drug and Motor Vehicle Violations

**Defense of Drunk Driving Cases:
Criminal—Civil***Richard E. Erwin, Dr. Leon Greenberg, Herbert M. Goldstein,
Arne K. Bergh; Practice Guide by Richard J. Essen;
scientific chapter revisions by Harvey M. Cohen*

Take advantage of comprehensive coverage of the legal and technical issues that arise in a drunk driving case. You'll find up-to-date guidance on relevant statutes, case law and forensic science. This guide details pretrial discovery, defenses and trial tactics. It also features extensive background information on the substance of chemical test evidence including physiology, pharmacology and analytical techniques. All aspects of drunk driving defense are addressed, including:

- Per se laws
- Implied-consent legislation
- Constitutional objections
- Field sobriety testing
- Admissibility of chemical test results and other evidence

Includes a practice guide with step-by-step description of how to handle a drunk driving case from the initial client contact through appeal, including sample cross-examination, illustrative testimony and sample forms and motions, and also provides clear, nontechnical explanations of the scientific and mathematical foundations of chemical testing. In addition, it covers pathological conditions whose symptoms sometimes resemble intoxication, leading to improper arrests and false-positive test results.

**Apprehending and
Prosecuting the Drunk
Driver: A Manual for Police
and Prosecution***Harvey M. Cohen, Joseph B. Green*

Now law officers can find the legal, scientific and practical guidance they need to ensure the effectiveness of each drunken driving stop, search, arrest and prosecution—all in one place. This resource includes detailed discussion of essential procedures—such as how to recognize the characteristics of a drunk driver, the best ways to evaluate sensory clues of alcohol and drug impairment, effective administration of field sobriety and preliminary breath tests, and much more.

Cross-Examination of the Analyst in Drug Prosecutions

James Shellow; Foreword by Gerry Spence

The case *Melendez-Diaz v. Massachusetts* opened up new possibilities, and every criminal attorney must understand the consequences. Cited by Justice Antonin Scalia in that groundbreaking decision, this volume starts with a thorough explanation of the scientific principles behind drug identification and of the role of the drug analyst. It also provides the attorney with the crucial techniques and challenges that can make the difference in a case and includes pretrial motion and orders, sample transcripts and proposed jury instructions.

Criminal Practice

Search & Seizure, 3rd Edition

John Wesley Hall

Two essential volumes written by an active trial lawyer for other active trial lawyers and judges. This resource offers expert insight on such issues as reasonable expectation of privacy, consent and probable cause, as well as current guidelines governing search and seizure in such specific circumstances as vehicles, professional offices and airports. Reflects the changing standards and applications of the law, including:

- Proliferation of knock-and-talk consent searches
- Bus and train searches
- Highway detentions to bring in drug dogs
- Video surveillance in public and semi-private places
- Searches of computers
- Litigation of motions to suppress

Federal Habeas Corpus Practice and Procedure, 6th Edition

Randy Hertz, James S. Liebman

This publication is the resource referred to most frequently by members of the U.S. Supreme Court and lower federal courts as well as by thousands of other attorneys who practice in habeas corpus matters. It offers detailed analysis of:

- Applicability of the Antiterrorism and Effective Death Penalty Act (AEDPA)
- Requirements states must satisfy to obtain AEDPA "opt-in" benefits
- Statutes of limitations
- Petition-filing requirements
- Appointment of counsel
- Range and types of discovery
- Standards for obtaining federal evidentiary hearings
- Exhaustion of state remedies
- Procedural default
- Standards for applying AEDPA's section 2254(d)(1)
- Successive petitions
- Obtaining a certificate of appealability
- Federal prisoner practice under section 2255
- Types of claims that have led to the granting of the writ

This edition and the accompanying supplement include extensive analysis of the latest habeas corpus case law as well as the important statutory changes effected by the Military Commissions Act of 2006, the Adam Walsh Child Protection and Safety Act of 2006, the USA PATRIOT Improvement and Reauthorization Act of 2005 and the REAL ID Act of 2005.

Privacy Law and the USA PATRIOT Act

Steve C. Posner

The vital issues at the intersection of national security and privacy law in the post-9/11 era are explored in this publication. With initial focus on the USA PATRIOT Act and tracking subsequent national security enactments, amendments, regulations, case law, and administrative actions that affect privacy, the publication provides timely analysis of privacy rights today and limitations on and threats to those rights.

Since the swift enactment of the USA PATRIOT Act in the aftermath of the 9/11 attack, provisions of the Act have encountered constitutional problems, raising continuing concerns about the Act's impact on privacy. But the Act continues to provide up-to-date analysis that emphasizes the practical implications, burdens and options for organizations and individuals cooperating with and subject to continually-evolving government reporting requirements, information requests, and surveillance.

White Collar Crime

Business Crime: Criminal Liability of the Business Community

Stanley S. Arkin, lead author; with Earl C. Dudley Jr., Michael Eisenstein, Jed S. Rakoff, Donald M. Re, John S. Siffert

Provides how-to guidance for: setting up compliance programs to prevent corporate liability; effectively conducting internal corporate investigations, and parallel administrative, civil, and criminal proceedings. Includes:

- Discussions of substantive criminal law
- Tactical and case-law information for grand jury representation or monitoring criminal counsel
- Forms for every area and stage of business crime practice
- The bimonthly reporter *Business Crime Commentary*

In the wake of the global financial crisis of 2008 and the revelation of massive frauds, there have been numerous case decisions that impact the liability of the business community. Discussion of this timely topic appears throughout the treatise. The latest release of *Business Crime* includes summaries of dozens of recent court decisions added to the relevant textual discussions throughout the publication.

Prosecution and Defense of Criminal Conspiracy Cases

Paul Marcus

In this well-organized guide to criminal conspiracy, you will find complete coverage of substantive problems such as requirements of agreement, overt act and specific intent as well as procedural problems, including venue, joint defendant questions, co-conspirators' declarations, the hearsay exception, complicity and double jeopardy. You'll also find a chapter on federal conspiracy principles, in addition to all state and federal conspiracy statutes in convenient tables and a discussion of RICO conspiracy issues.

- New Appendix Z examines the superseding indictment of former Illinois Governor Rod Blagojevich.
- Chapter 4, "Scope of the Conspiracy, Number of Agreements, RICO, Duration," has been updated to include further discussion of substantive RICO provisions.
- Chapter 5, "Co-Conspirators' Declarations: The Non-Hearsay Exception," has been updated to include case analysis on the Confrontation Clause Challenge.
- Chapter 11, "Practical Considerations in Conspiracy Trials," now includes significant discussion of defense witness immunity.

Cyberlaw and Communications Law

Computer Contracts

Esther C. Roditti

Research and draft ironclad contracts for buying, selling, leasing and licensing hardware, software and services with the one resource that gives you in-depth legal analysis, sample clauses and complete contracts for virtually any type of agreement involving computer technology—all in one place.

This one-stop resource helps you handle agreements for computer users and vendors, marketing arrangements, software development, maintenance, licensing arrangements and telecommunications contracts with:

- Clause-by-clause examination of a wide range of documents, including the full text of the agreement or clause under discussion and background material
- Primary source volume that includes a glossary of computer terminology, pertinent statutes and regulatory materials, and selected cases
- Practice pointers that highlight potential benefits, pitfalls and problems in using various agreements and clauses
- Alternative language for custom-tailoring documents to meet your specific needs
- Timely updates to keep you current with cutting-edge technologies and legal issues that have arisen in this ever-changing field
- Up-to-date, comprehensive coverage of Internet communications and Voice Over Internet Protocol (VoIP)

Complete with coverage of financial and tax aspects of computer acquisition, protection of proprietary rights, privacy and security matters and more, this is the one resource you need to handle contracts for every aspect of buying, selling, developing, building and distributing computers and related technologies and services.

International Computer Law

Ernst-Jan Louwers, E.J. Prins, Stephen Chow

When you need to get up to speed quickly on international information technology law, this practical guide gives you the experience of contributors who are preeminent in their fields. Coverage includes the national copyright protection systems in more than 65 countries and the European Union; European Community competition law as applied to the information technology industry; the Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS) as it relates to computer software, semiconductor chips and databases; electronic data interchange (EDI) and the newly emerging technologies in the electronic transmission of structured and coded messages; and the European Model EDI Agreement with article-by-article annotations.

Also included are sample agreements, including international software licensing agreements, copyright registration forms, a foreign-language glossary of technology terms, and a sample Compact Disc Interactive (CD) development agreement.

Bender on Privacy and Data Protection

David Bender

This clearly organized, practical reference provides coverage of United States, European Union, and Asia-Pacific Economic Cooperation privacy and data protection issues. Written by an experienced privacy practitioner, *Bender on Privacy and Data Protection* combines an overview of applicable statutes and regulations with specific guidance that can help you translate that knowledge into recommendations for your clients. Includes:

- A list of considerations involved in drafting privacy policies with sample clauses
- Best practices for dealing with a data security breach before and after it happens, with suggestions for an incident response plan
- Summaries of state law privacy litigation, broken down by cause of action and state

Bender on Privacy and Data Protection places relevant statutes in the context of such emerging issues as behavioral advertising, cloud computing, and RFID technology. The softbound guide is organized to help you quickly pinpoint the information you need. You'll find an overview note at the beginning of each chapter and content summaries at the start of each section.

Elder Law

Tax, Estate and Financial Planning for the Elderly

John J. Regan, Rebecca C. Morgan, David M. English

Take advantage of guidance from top experts who offer analysis of the continually developing state of the law related to financial, health care, tax, and estate planning for the elderly along with practice notes that help you proceed with confidence. Topics covered include government benefits; housing concerns; lifetime giving; health-care decisions; planning for incapacity; elder abuse; and financing health care through Medicare, Medicaid, long-term care insurance and Medigap policies. Each chapter begins with common client questions, followed by comprehensive legal analysis, detailed planning notes, examples and practical advice. You'll get legal analysis you can rely on to deal with the significant issues and resolve the intricate problems that arise in this evolving area.

Fundamentals of Special Needs Trusts

Stuart D. Zimring, Rebecca C. Morgan, Bradley J. Frigon

Special needs trusts may be effective tools for preserving the assets of a senior or a person with a disability, thereby improving the person's quality of life while not interfering with the person's eligibility for various governmental programs. One of the hottest areas in elder law, the Special Needs Trust (SNT) is vital to protect assets of the elderly or handicapped client that will be needed in the future from being counted against eligibility requirements of means-tested programs like Medicaid. Three highly regarded experts in the field have collaborated to write this treatise. Together, they offer not only practice-oriented insight, but also viewpoints from three distinct areas of the country: California, Florida, and Colorado.

This guide places special needs trusts in the arsenal of tools available to an attorney to help his senior clients and those who have disabilities. It helps the practitioner to understand how she can draft a trust, using the person's own funds or the funds of another, to provide goods and services for those clients that will enhance their everyday existence.

Chapters include:

- Ethics and liability
- Sources of assets for the SNT
- Establishing the trust
- Who should be a trustee
- Trust administration
- Tax issues
- Contractual relationships
- Trust termination

Employment & Labor Law

Employment Discrimination, 2nd Edition

Lex K. Larson

You can protect your clients or company with the premier legal authority on employment discrimination—or take your chances with something less. *Employment Discrimination* is the leading treatise on job-related discrimination based on race, sex, religion, national origin, age, disability or union membership. Regularly cited by courts throughout the nation, this definitive work includes:

- Detailed analysis of relevant cases, statutes and regulations that brings current law into perfect focus
- Chapters on sex discrimination, the bona fide occupational qualification exception, recruiting practices, seniority, layoffs, equal pay and benefits, age discrimination, and more
- Detailed coverage of the Americans with Disabilities Act (ADA)
- Treatment of key substantive and procedural issues arising under Title VII and other federal and state laws ... and so much more

Perfectly in tune with today's workplace issues, this resource provides all the case-winning analysis of applicable law you'll need—no matter which side you're representing.

The Law of Disability Discrimination, 7th Edition

Ruth Colker

With its incisive presentation and analysis of cases interpreting the Americans with Disabilities Act (ADA) and other disability antidiscrimination laws, this illuminating resource helps you bring this quickly growing body of law into perfect focus. You get:

- In-depth understanding of the ADA and its key sections governing employment (Title I), public entities (Title II) and public accommodations (Title III)
- Thorough treatment of ADA's implementing regulations and accompanying guidance statements—essential for a complete understanding of the Act
- Expert analysis of disability discrimination cases and issues involving employment, education, housing, insurance, and the protection of newborns with disabilities
- Coverage of disability-related amendments to the Fair Housing Act of 1988 (FHAA) and the Individuals With Disabilities Education Act (IDEA)

The publication discusses significant issues now confronting the courts and identifies key questions that may yet emerge in the wake of ADA, pointing the way forward in this evolving legal environment.

Unjust Dismissal

Lex K. Larson

Covers the full scope of wrongful discharge, providing in-depth coverage of workers' rights and employers' responsibilities with respect to employee handbooks and personnel manuals; free speech and privacy in the workplace; sexual morals; whistleblowing and retaliation; refusal to participate in criminal activity; and drug and alcohol screening. You'll find:

- State-by-state coverage of statutory and judicial exceptions to employment-at-will doctrine, including whistleblowing
- Extensive analysis that helps you assess state statutes and court rulings so you can evaluate available causes of action by jurisdiction
- An Employee Relations Guide that details preventive practices by which employers can minimize claims
- Protections available under federal constitutional, statutory and case law that may enhance state-law cases

This essential case-building tool comes complete with forms, checklists, sample interrogatories and motions, and jury instructions.

Littler Mendelson Employment Publications

The law firm of Littler Mendelson, P.C. has been writing and publishing in the field of employment law for more than two decades. With more than 800 attorneys devoted exclusively to representing management in the area of employment and labor laws, the Employer series has become a preeminent resource providing practical guidance on a broad range of employment and labor law topics that cover today's litigious environment and constantly shifting regulatory landscape, answering questions and risks for employers.

The National Employer®

This practical handbook offers guidance on a broad range of employment and labor law topics. With its comprehensive coverage updated annually by expert practitioners, *The National Employer*® gives you the most current and extensive guide to federal employment laws available in three easy-access volumes and on CD-ROM.

Highlighting federal laws, regulations, recent case law and legislative developments, this roadmap to the current regulatory environment spans the full spectrum of topics including:

- Discrimination and harassment
- Wrongful discharge
- Innovative hiring strategies
- Employee privacy rights
- Reduction in force issues
- Religion in the workplace
- Leaves of absence
- Emerging challenges in the digital workplace
- Federal compensation law
- Protection of company information
- The rise of mandatory training
- Workplace substance abuse and violence
- And much more

The searchable CD-ROM contains the contents of the book as well as the full text of cases referenced.

Energy Law

Williams & Meyers, Oil and Gas Law

Bruce M. Kramer, Patrick H. Martin

This is the preeminent work in its field, often cited by the courts, and, as the most authoritative, comprehensive treatise on the law relating to oil and gas, this set provides complete coverage of the creation, existence and transfer of property rights in the oil and gas industry.

In addition to explaining traditional oil and gas law principles, it discusses how the courts have interpreted and applied these principles, with special attention paid to differences among varying Jurisdictions. New and developing areas are added as part of each year's update.

The treatise offers expert guidance on:

- Conveyancing, oil and gas leases, implied covenants, pooling and unitization, division and transfer orders and gas purchase contracts
- Drafting instruments, making title examinations, administering estates, and preparing wills and trusts
- Terms used in the industry

This publication has three distinct parts: Volumes 1-6 contain the substantive chapters; Volume 7 sets out sample forms (lease forms, division and transfer orders, gas purchase contracts and pooling and unitization forms); and Volume 8 is the *Manual of Oil and Gas Terms*.

Kuntz, A Treatise on the Law of Oil and Gas

Eugene Kuntz, original author; Ernest E. Smith, John Lowe, Owen Anderson, David Pierce, revision authors

Find quick answers and on-point cases from citations to authorities in this treatise that provides an exhaustive survey of oil and gas conveyancing and operations. Coverage includes detailed examination of insurance in connection with use and storage of oil and gas; implied covenants and duties created by the oil and gas lease; lease transfers and interests commonly carved out of leases in business transactions; and governmental regulation regarding the leasing and sale of public land and securities and the production, sale and transportation of oil and gas.

Separate volumes contain helpful research material including oil- and gas-related statutes from all oil producing states and necessary forms for transactions such as leases, unitization and operating agreements; a table of cases; and a general index.

NS PRINT • 7 volumes, hardbound, with supplement, Pub. #04326, ISBN 9780870845079

Energy Law and Transactions

David J. Muchow, William A. Mogel

From contracts and taxes to mergers and futures, this comprehensive treatise covers the legal, business and regulatory aspects of the energy industry like no other resource available. Written by over 100 experts in the field, this incomparable guide covers all traditional energy sources, from oil, gas, electricity and coal to non-traditional energy technologies and sources such as hydroelectric, solar, nuclear, biomass, wind, and cogeneration.

Energy sources and technologies are discussed from cradle to grave, from exploration and production through transmission, distribution and final consumption by the end user. *The Energy Handbook* is included as a separate volume, featuring directories of regulatory agencies, companies and associations involved with energy; Internet resources and energy conversion tools; and a comprehensive, illustrated glossary of energy terms.

Law of Federal Oil and Gas Leases

Rocky Mountain Mineral Law Foundation

For the novice as well as the more experienced practitioner, this contains expert legal analysis and provides a practical approach to problems and questions dealing with federal oil and gas leases. With authoritative exposition of established rules and guidance, it serves as a starting point for issues that have been recognized but not resolved with certainty. Also included is the discussion of prior regulations where significant. The roles of the Department of the Interior, Bureau of Land Management and the Forest Service are discussed, along with the latest statutory, regulatory, administrative and case-law developments.

Oil and Gas Reporter

Bruce M. Kramer

A timely, monthly report of cases and administrative rulings in the fields of oil and gas law and taxation is yours with this publication. All cases are reported in their entirety from official sources, with reported materials helpfully organized by topic. Each report includes alphabetical and jurisdictional tables of cases, a table of administrative rulings and an index, all of which are cumulative for the particular volume. Additionally, discussion notes, written by a distinguished board of editors, include commentary on significant points of law decided in cases as well as references to pertinent articles and comments previously published. Also, the Digest, a preview of the cases discussed in the issue, gives the essence of the oil and gas decisions and rulings in any desired category and provides a concise subject-oriented view of the current issue.

The Law of Pooling and Unitization, 3rd Edition

Bruce M. Kramer, Patrick H. Martin

Examines the laws and customs relating to both private and public relationships in pooling and unitization of oil and gas properties and provides administrative procedures, antitrust aspects, pooling clauses and state-by-state analysis. General coverage includes conservation regulation, creation of units, effects of pooling and unitization, operating problems, administrative law aspects of conservation agencies and federal and Indian land problems. The set also includes relevant forms such as agreements, notices and orders, and the text of selected state statutes pertaining to oil and gas law that might otherwise be difficult to obtain.

Environmental Law

Treatise on Environmental Law

Frank P. Grad

The most comprehensive treatise on environmental law available, *Treatise on Environmental Law* gives you in-depth analysis of all the significant federal environmental statutes and many important state and local laws, including discussion of the statutory history and evolution of the statutes, what the statutes provide, how they actually have been implemented by governmental agencies, and how they have been interpreted by the courts.

This publication gives you a thorough understanding of today's strict environmental regulatory scheme, plus authoritative insights to help you frame arguments that best support the interests of your clients.

- Provides the most in-depth analysis of the substantive environmental law formed by common law, statute and regulation
- Examines how environmental statutes have been implemented by government agencies and interpreted in thousands of court cases—including landmark U.S. Supreme Court decisions
- Brings you expert insights into complex and controversial issues to help you form the most persuasive arguments

The Law of Hazardous Waste: Management, Cleanup, Liability and Litigation

Susan M. Cooke

This treatise contains everything you need to know about current laws, regulations and cases—both at the federal and state levels—regarding the management of hazardous waste, newly generated as well as the result of past dumping. Content includes:

- Identification of hazardous waste
- Requirements for generators and transporters
- Treatment, storage and disposal facility requirements
- Recycling requirements
- Underground storage tank and spill reporting requirements
- Emergency planning and community right-to-know provisions and chemical facility anti-terrorism standards
- Enforcement of waste management requirements
- Cleanup requirements
- Liability under Superfund and its state analogs as well as other federal environmental statutes that regulate and impose liability for hazardous substance management

This comprehensive set provides step-by-step guidance, from minimizing clients' environmental liability at the outset of a transaction to managing, treating and storing hazardous waste.

The Law of Oil and Gas Leases, 2nd Edition

Earl A. Brown, Earl A. Brown Jr., original authors; Lawrence T. Gillaspia, revision author

Analyzing the meaning and consequences of each type of oil and gas lease provision, this publication provides comprehensive content. Expert commentary, judicial interpretations from all jurisdictions in the nation, and discussion of the effects of state laws and court decisions help you gain a complete understanding of each aspect of an oil and gas lease.

Concluding this work are national and state-specific model forms and agreements. The forms cover oil and gas lease agreements as well as many other instruments that are essential to the natural resource extraction industry.

Estate Planning, Probate and Estate Administration

Modern Estate Planning, 2nd Edition

J. Martin Burke, Michael K. Friel, Elaine Gagliardi

This flagship treatise on federal estate, gift and Generation Skipping Transfer (GST) taxes has been cited by both federal and state courts, including the U.S. Court of Appeals for the Second Circuit, the U.S. Tax Court, the Wisconsin Supreme Court, and the Surrogate's Court of the State of New York. It includes thorough coverage of:

- The federal gift, estate and GST taxes
- Deductions, exclusions and credits
- Income taxation of trusts and estates
- Valuation
- Grantor and non-grantor trusts
- Client interviews
- Tax returns
- State tax issues
- Marital deduction
- Charitable transfers
- Life insurance and annuities
- Planning for closely held corporations
- Estate administration

Loaded with great practice features like client questionnaires, sample forms and agreements, drafting checklists, estate planning strategies and tips, hypothetical examples, and filled-in estate, gift and fiduciary income tax returns.

Heckerling Institute on Estate Planning

Numerous contributing authors

The annual Heckerling Institute, organized by the University of Miami and held each January in Florida, has become America's largest estate planning conference, drawing thousands of professionals from across the nation. Its speakers, truly the biggest names in estate planning (an invitation to speak here is considered an honor), convert their presentations into full-length articles published by LexisNexis Matthew Bender. Each year a new volume of articles is released examining the hottest topics and latest tax-planning strategies in the estates field. Stay atop the latest developments in estate planning and read what the experts are saying about them. Heckerling articles have been cited by the U.S. Court of Appeals for the Second and Seventh Circuits and four times by the U.S. Tax Court.

How to Save Time and Taxes Preparing Fiduciary Income Tax Returns

Stowell Rounds, Joseph H. O'Connell, original authors; revisions by Diane Mutolo

Take advantage of comprehensive coverage of the federal income taxation of trusts and estates with an item-by-item, line-by-line preparation guide to Federal Form 1041. You also get the background necessary for effective tax planning. Topics include: taxable status of trusts and estates, filing requirements, income and deductions; tax treatment of beneficiaries, including distributable net income (DNI), distributions in kind, and income in respect of a decedent (IRD); decedent's final return; grantor trust rules; alternative minimum tax as it applies to trusts, estates and beneficiaries; examples and planning notes that highlight useful techniques and warn against pitfalls; and summary of each state's fiduciary income tax rules.

International Estate Planning, 2nd Edition

Henry Christensen III

If you're looking for coverage of U.S. estate and income taxation of foreign nationals, including conflict of laws, community property and asset protection trusts, count on this resource. It examines topics such as U.S. estate, gift and generation-skipping transfer taxation of nonresident aliens; income tax aspects of estate planning for the nonresident alien; marital deduction planning for citizens and residents with non-citizen spouses; U.S. income taxation of foreign trusts; conflict of laws issues in the succession of international estates; multi-jurisdictional and separate situs wills; and many more. Also, it provides analysis of selected countries chosen for their importance as potential sites for establishment of trusts or other investment vehicles and as possible residences for U.S. nationals for business purposes. Each country-specific chapter is written by an expert in that country.

Lawyers and Fundamental Moral Responsibility, 2nd Edition

Daniel R. Coquillette, R. Michael Cassidy, Judith A. McMorro

Enhance your understanding with materials thoughtfully organized around specific problems designed to encourage and focus class discussion. The philosophical materials appear roughly in the order in which the ideas themselves evolved in the history of philosophy. Importantly, the materials have been revised since the book first was published in 1995 to address some of the burning ethical problems of our day, including terrorism, national security and abuse of government power.

This publication has also been reorganized to assist the reader in better appreciating philosophical theories underpinning discourse about ethics and attorney conduct. Though designed originally for a classroom setting, this publication can also benefit any legal professional.

NS PRINT • 1 volume, hardbound, Pub. #03556, ISBN 9781422470251

Understanding Lawyers' Ethics, 4th Edition

Monroe H. Freedman, Abbe Smith

Benefit from this analysis of the fundamental issues of lawyers' ethics, particularly the ABA's Model Rules and Model Code. This treatise is designed to facilitate a real understanding of legal rules by challenging readers to test their understanding of the legal rules against their own moral standards and reasoned judgment. You'll find sections covering law versus justice, lawyers' ethics in time of crisis, judicial ethics, prosecutors' ethics.

NS PRINT • 1 volume, softbound, Pub. #00876, ISBN 9871422470220

Family Law

Child Custody and Visitation Law and Practice

Sandra Morgan Little; contributing authors

All family law child custody and visitation issues handled by family law practitioners are analyzed in this publication that sets the standard for child custody reference sets. Comprehensive content provides discussion of custody mediation, abuse and custody, the rights of putative fathers, international enforcement of custodial rights, disputes between parents and non-parents and more.

You also get over 150 litigation forms, scope notes, extensive footnotes covering all 50 states and a detailed state-by-state analysis of the UCCJEA.

Federal Contract Management

Henry L. Goldberg, Editor-in-Chief

Covers all major aspects of the federal government contracting (procurement) process, from basic concepts to sophisticated strategies. This three-volume set supplies abundant practical advice and tips for successful bidding for contracting work with governmental agencies and guidance relative to managing contract performance.

This publication offers practical and in-depth discussions of:

- Skills and functions of the contract administrator
- Role of the contracting officer
- Control of contract performance
- Negotiation tactics and strategies
- Bidding process and protest procedures
- Social policy requirements
- Dispute resolution
- Ethical considerations

Federal Contract Management also includes citations to key administrative and court decisions, statutes and regulations, and numerous forms and exhibits are provided. Originally written by experienced practitioners, this treatise is currently updated by Editor-in-Chief Henry L. Goldberg, managing partner of Goldberg & Connolly, a law firm specializing in all aspects of construction and government contract law.

Federal Courtroom Evidence, 5th Edition

Joseph W. Cotchett

Rely on this resource for concise guidance on the Federal Rules of Evidence, which apply in both civil and criminal trials. The chapters are organized in the order of the Federal Rules of Evidence. Each chapter includes the current text of the rule, all Advisory Committee Notes relating to that rule and any amendments to it, and an analysis of legal developments concerning that rule in the federal courts, supported by case annotations. With its special mid-volume index and aligned chapter tab cards, this resource makes it easy for you flip directly to the treatment of any given subject.

Moore's Federal Practice, 3rd Edition

*Daniel R. Coquillette, Gregory P. Joseph, Sol Schreiber, Jerold S. Solovy,
Georgene M. Vairo, James William Moore and contributing authors*

One of the most cited texts in the legal world, *Moore's Federal Practice* has long been recognized as the most comprehensive and authoritative source of federal procedure information.

Written to meet the needs of today's federal law practitioners and completely up to date with the newly revised Federal Rules of Civil Procedure, this is one tool no federal lawyer should be without. It gives you tools and features that make it faster and easier to find specific points, making you more efficient and effective.

- Over 50 distinguished federal judges, law professors and practitioners, including many who have been directly involved in the federal rulemaking process, give you their expert opinions on issues that are unclear or unsettled and the authority you need to take a position.
- The text focuses on the current state of the law. Information on the amendment history and historical context of the rules is set out in Historical Appendices within each chapter. The information you need most is the information you'll find first.
- Each chapter is divided frequently by sections and subsections with descriptive headings, enabling you to find the specific information you need faster.
- Analysis is provided in the main text, and footnotes are organized by circuit.

Your subscription also includes the monthly *Moore's Federal Practice Update* newsletter.

Sanctions: The Federal Law of Litigation Abuse, 4th Edition

Gregory P. Joseph

Federal courts have issued thousands of fines—many in excess of \$1,000,000—against attorneys and parties engaging in litigation abuse. Make sure you know the law related to this critical topic as well as the latest changes that affect your practice. This publication, written by one of the nation's most effective and experienced commercial litigators, clarifies the issues and provides a logical, step-by-step survey of sanctions law and its ramifications. It contains a current and comprehensive discussion of the law of sanctions, including Rule 11, Section 1927, Appellate Rule 38, Section 1912 and the inherent powers of the court, as well as thousands of critical, relevant cases and much more.

United States Supreme Court Cases and Comments: Criminal Law and Procedure

Hon. William H. Erickson, B. James George Jr., Hon. Timothy M. Tymkovich, Nathan B. Coats

Reach for this treatise to get an analysis of United States Supreme Court case law on a variety of constitutional issues, with a concentration on those issues critical to criminal proceedings. Material is helpfully divided into two sections to aid with quickly locating needed information.

Part I offers an overview of Supreme Court cases, interpreting the First, Second, Third, Fourth, Fifth, Sixth, Eighth, Fourteenth and Fifteenth Amendments; the remedies for constitutional infringements, the constitutional right to privacy and the constitutionality of federal penal legislation under the Commerce Clause; the constitutionality of state-directed mandates under the Necessary and Proper Clause; extradition; and citations to pertinent statutes, rules and lower court decisions. Part II provides detailed summaries and legal analysis of every major criminal law and procedure case decided by the Supreme Court since the 1979-1980 Term, as well as important noncriminal cases addressing the issues discussed in Part I.

S PRINT • 5 volumes, loose-leaf, updated twice per year, Pub. #00765, ISBN 9780820517650

United States Supreme Court Reports, Lawyers' Edition 2d

This publication unofficially reports, with enhancements, the decisions of the United States Supreme Court. 18 Advance Sheets are published each year that include the full text of each Supreme Court decision and order as well as a syllabus for each case (when the Court issues one) and the names of the attorneys who argued each case. For each opinion case there is a specially prepared summary, headnotes, research references and other materials. Advance Sheets are bound and, in addition to everything in the Advance Sheets, the bound volumes also contain final corrections from the Court, annotations on specific subjects written by our staff attorneys, parallel reference tables, citations and page breaks for the official United States Reports, indexing for the annotations and, for each opinion case, summaries of counsel briefs and names of participating attorneys.

Weinstein's Federal Evidence™, 2nd Edition

Jack B. Weinstein, Margaret A. Berger, Hon. Joseph M. McLaughlin

Recognized as authoritative by the U.S. Supreme Court, *Weinstein's Federal Evidence* has long been recognized as the most comprehensive and authoritative source of federal evidence information.

Designed to meet the needs of today's federal law practitioners and enhanced with features to make your research faster and easier, this dependable tool makes information accessible in the following ways:

- Rule-based chapter organization—each evidence rule, or proposed but unadopted rule (Supreme Court Standard), has its own chapter. The Standards are presented in separate chapters because they provide a useful framework for understanding important issues in federal evidence law not covered in the Evidence Rules themselves.
- Text of Rules and Standards set forth in full—each Evidence Rule or Supreme Court Standard is set forth in full, enclosed in a boldface box. Rules and Standards appear immediately following the tab card that identifies the location of the chapter, and again in the chapter's first numbered section.
- Many sections make coverage easy to locate—each chapter has been divided into many sections and subsections, and each section and subsection features a heading specifically describing its contents. Every section number and heading appears in the chapter synopsis, and each page of the chapter text includes the appropriate subsection number in its ear, to help the reader locate coverage of a particular issue as quickly as possible.
- Updates incorporate into the text all primary source developments—affecting federal evidence law and significant evidence cases. Current Developments pamphlets accompany each update.

General Practice/Litigation

General Practice

Bender's Forms of Discovery

Patricia Lewis, Janet Capurro Graham, Seymour H. Moskowitz

Provides an A-to-Z selection of sample interrogatories under more than 200 title categories from Accounting to Zoning. Each chapter contains a Scope Note with a brief analysis of the subject title followed by cross-references to other related titles, as well as a synopsis of the chapter's forms, indicating who is propounding and receiving the interrogatories. Each form itself contains a Summary of Form, which details each question comprising the form.

Includes forms for use in virtually every type of discovery scenario, including:

- Requests for admission
- Protective orders
- Deposition notices
- Requests for production
- Rule 35 requests and orders
- Motions and orders to compel discovery
- Motions and orders to modify or squash deposition subpoenas
- Motions for criminal discovery
- Orders in complex litigation

Treatise chapters cover discovery in federal and state courts with in-depth discussion and action-oriented practice materials for all other discovery methods. This treatise also features comprehensive updated charts comparing the discovery rules of the 50 states with the various federal discovery rules and appendices providing the text of the state discovery rules at variance with the federal rules.

Forms/Contracts

Corbin on Contracts

Arthur L. Corbin, original author; Joseph M. Perillo, editor; John E. Murray Jr., supplement author; and contributing authors

Cited in the opinions of federal and state courts literally thousands of times, this exhaustive exposition of all the rules of contract law has, for more than half a century, helped lawyers understand what the rules of contract mean and how they can be used in daily practice. It provides a detailed analysis of all aspects of contract law in the U.S., covering the common law (as manifested in the decisions of the state courts), the Restatements of Contracts, and the applicable provisions of the Uniform Commercial Code. Every nuance of contract law is addressed.

NS *PRINT* • 15 volumes, hardbound, with loose-leaf index and cumulative supplement, Pub. #63310, ISBN 9780327000693

Corbin on Contracts, Desk Edition

Current Legal Forms with Tax Analysis

Jacob Rabkin, Mark Johnson original authors; and contributing authors

One of the most widely used legal forms sets available, this treatise remains an excellent resource for the attorney or firm with a diverse practice. Thousands of sample forms and clauses, drafting guidance and expert legal commentary is supplied to assist in the fundamental, and often time-consuming, task of document drafting.

- **Comprehensive Coverage:** covers corporate, commercial, intellectual property, domestic relations, employment, and computer agreements, including e-commerce and Internet agreements, family/estate planning, employment and real estate—making it a resource that can be used by an entire firm, not just a single department.
- **Intuitive Structure:** Easy-to-use format including tax background, practice background, checklists, drafting guidelines and forms for most topics.

Each chapter includes:

- **A Tax Background** that reviews the basic tax concepts and issues reflected in the forms.
- **A Practice Background** that analyzes the legal issues to be considered in researching, planning and drafting the forms.
- **Checklists** to ensure that all necessary elements of the transaction have been addressed.
- **Drafting Guidelines** that identify the major components of a standard agreement and discuss the relevance of the clause within the form.
- **Superior Tax Coverage:** comprehensive tax coverage greatly exceeds tax coverage of any competitor, yet provides just the right amount for the non-specialist.
- **Forms:** thousands of forms and clauses.
- **Commentary:** comments to all forms, providing insight into the purpose and use of the form.

Government Contracts: Law, Administration and Procedure

Thomas J. Touhey, John Cosgrove McBride, original authors; Walter A.I. Wilson, General Editor

Features extensive coverage of the law and regulation of the business of government contracting or federal acquisition. Nearly every aspect of government contract law and practice is addressed, with references to the history and policies underlying current principles as well as current references to applicable statutes, regulations and case decisions. This treatise provides thorough discussion from experienced practitioners, placing case law and regulations in the context most useful to attorneys, contract administrators and other professionals. Topics discussed include:

- Allowable and unallowable costs
- Contract officer responsibilities
- Performance
- What to do when stipulated performance becomes impossible
- Excusable delay
- Bid submission procedures
- Profit margins

Also includes a comprehensive set of forms.

Warren's Forms of Agreements®

Martin D. Fern

This publication provides well-defined, well-prefaced forms covering nearly every transaction that an attorney will encounter in a business practice. The set serves as both a legal reference resource and a valuable drafting tool. Each chapter contains introductory material that provides legal and practical business information. It compiles more than 2,000 non-jurisdictional business forms. Topics include:

- Business organizations
- Commercial Loans
- Sale of business assets
- Franchising
- Computer and Internet agreements
- Intellectual property and transactions including biotech agreements
- Disposition of real property
- Real Estate
- Credit and financing
- Dispute resolution

A unique offering in the last volume is dedicated to boilerplate clauses, providing a selection of clauses from which the drafter may draw to customize a form.

S PRINT • 8 volumes, loose-leaf, updated twice per year, Pub. #00770, ISBN 9780820517704

Warren's Forms of Agreements: Fern's Desk Edition

Martin D. Fern

Contains the most frequently used forms from the full set and provides practical insight into the legal and strategic issues that should be considered in drafting both standard and sophisticated business agreements.

Cohen's Handbook of Federal Indian Law

Carole Goldberg, Judith V. Royster, Joseph William Singer, Rennard Strickland, Robert Anderson, Nell Jessup Newton, John LaVelle

Considered the bible of federal Indian law, this treatise provides the tools you'll need to understand this complex body of law and find cases, statutes, regulations and opinions critical to your work. It addresses the relationship between tribes, the states and the federal government and covers key issues like resource management, government structure and tribal and individual Indian rights.

Cross-Examination: Science and Techniques, 2nd Edition

Larry Pozner, Roger J. Dodd

Master the skills that can render opposing testimony useless. From the creators of the *Killer Cross Exam* seminar comes this step-by-step guide that transforms cross-examination into your most potent courtroom weapon. The authors analyze thousands of new trial experiences and explain how to:

- Use your cross-examination to expand the rules of admissibility
- Exploit your opponents' co-objections for a deeper and broader cross
- Sequence your cross-examination to better present your case's theory
- Use "loops" and "double loops" to control your cross and discredit opposing expert witnesses
- Prepare for challenges of cross-examination in the Internet age

By following established guidelines, identifiable techniques and tested methods, you can learn what it takes to prevail in your cross. The authors stress the importance of careful preparation, reveal the three critical rules at the heart of successful cross-examinations, and provide a series of highly efficient systems that facilitate construction of the cross.

Art of Advocacy Series

You can depend upon this essential set of resources for expert advice on conducting litigation from start to finish. This pragmatic series will lead you on a step-by-step basis through everything from case preparation to creating jury-convincing summations, as well as other integral topics, such as the cross-examination of medical experts, conducting more effective appeals, the best way to use demonstrative evidence, performing dynamic direct examinations, making the most of the discovery process—and so many more. Each guide will help you to analyze and prepare your litigation cases effectively in a detailed, practical, yet easy-to-follow manner.

NITA's Top 10 Training Guides

Modern Trial Advocacy, 4th Edition

Steven Lubet

Setting the standard for trial advocacy texts since 1993, this bestselling work guides you every step from developing a winning case theory through all phases of trial. Its realistic approach to learning powerful trial advocacy skills, and presenting a case to a jury as a powerful and persuasive story, distinguish it from all other books in the field.

NS PRINT • 1 volume, softbound, Pub. #28718, ISBN 9781601561275

Modern Trial Advocacy: Law School Edition, 4th Edition

Steven Lubet

Geared for students, this law school edition of NITA's bestselling *Modern Trial Advocacy* adds a "Trial Basics" chapter and extensive student-oriented checklists that help guide the beginning advocate through all phases of trial. This proven approach explains how to present a case to the jury as a story, powerfully and persuasively, beginning with a winning case theory.

NS PRINT • 1 volume, softbound, Pub. #28722, ISBN 9781601561411

David Ball on Damages 3

David Ball

Learn the latest innovative and effective methods for pursuing damages from one of the nation's leading experts. Based on the last five years' cases and intensive juror and case research, this edition features an enhanced, easy-to-follow outline guide for effective opening statements ... powerful new jury voir dire methods ... new "invisible control" cross-examination techniques ... and more.

NS PRINT • 1 volume, softbound, Pub. #28723, ISBN 9781601561541

The Effective Deposition, 3rd Edition

Anthony J. Bocchino, Peter Hoffman, David M. Malone

Master the most critical step in discovery with the acclaimed deposition guide used by NITA programs and law schools nationwide. This revised Third Edition brings you critical information on new rules, the impact of technological developments like e-discovery and digital transcription, new deposition techniques that you will not learn from any other text, and much more.

NS PRINT • 1 volume, softbound, Pub. #28738, ISBN 9781601560476

Federal Rules of Evidence with Objections, 9th Edition

Anthony J. Bocchino, David A. Sonenshein

Check the rules anytime, anywhere with this handy 4x6" guide that fits in your pocket or briefcase for instant on-the-spot reference. It contains the complete text of the Federal Rules of Evidence as amended to December 1, 2010, an alphabetical section of major objections and legal interpretations for each rule. You also get practical tips and the entire book on a mini-CD-ROM.

NS PRINT • 1 volume, softbound with CD-ROM, Pub. #28683, ISBN 9781601561626

Winning at Trial

Shane Read

Winner of the ACLEA's top award for professional excellence! This is the only book/DVD that teaches trial skills by analyzing actual trial video and transcripts illustrating both great and terrible skills in action. Used by law schools and law firms across the country, it also provides invaluable jury decision-making insights from one of the nation's foremost jury consultants, DecisionQuest.

NS PRINT • 1 volume, softbound with DVD, Pub. #28732, ISBN 9781601560018

Problems and Materials in Evidence and Trial Advocacy

Robert P. Burns, Steven Lubet, James Seckinger

The authors of this title carefully developed specific case files in order to provide for completely integrated courses in evidence and trial advocacy. Volume 1 outlines two cases a trial lawyer may have as he or she approaches trial. Volume 2 is a workbook that studies problems in evidence, along with exercises in trial advocacy.

NS PRINT • 2 volumes, softbound, Pub. #28753, ISBN 9781422491683

Winning on Appeal: Better Briefs and Oral Arguments, 2nd Edition

Ruggero J. Aldisert

Edited by a 40-year veteran of the federal appeals bench, this instructive manual provides an ideal roadmap to success for every attorney who wants to win on appeal. Nearly 50 judges share their insights on how to write an effective brief and deliver a persuasive oral argument—information that is not available in any other publication.

NS PRINT • 1 volume, softbound, Pub. #28714, ISBN 9781556818240

Evidence in Context, 4th Edition

Robert P. Burns, Steven Lubet, Richard E. Moberly

Written as a fully contextual understanding of the law of evidence, this publication contains two relatively detailed case files, quite similar to the material a trial lawyer may have as he or she approaches trial. The first file is a murder case where the issue is the identity of the killer and the defendant is the estranged husband of the victim. The second file is a civil action for defamation brought by a former employee against her very wealthy employer. The cases raise realistic and challenging issues in the law of evidence and allow for a critical assessment of that law, with over 300 problems for class analysis and discussion. These problems address the full range of evidentiary issues.

NS PRINT • 1 volume, softbound, Pub. #28665, ISBN 9781422491669

Practical Guide to Federal Evidence, 9th Edition

Anthony J. Bocchino, David A. Sonenshein

Master the skills of making and responding to evidentiary objections with this valuable guide. Objections and their responses are conveniently grouped by subject category, and the extensive practice commentaries for each objection will help you understand the application of the Federal Rules of Evidence in practice and handle the issues that arise. Includes the Federal Rules of Evidence.

NS PRINT • 1 volume, softbound, Pub. #28750, ISBN 9781601560995

Mealey'sTM Litigation Reports

Whether you serve as plaintiff, defense or in-house counsel, Mealey'sTM Litigation Reports deliver the game-changing news you need, when you need it. Each issue gives you concise, unbiased reporting on the most significant trials, court rulings, decisions, appeals and other current events in the litigation. You won't miss any key facts on your way to trial or negotiations with:

- Case summaries that track crucial litigation from initial complaint to final appeal, giving you the timely details you need to craft case strategies and fine-tune arguments in your similar litigation.
- E-mail bulletins that alert you to decisions, settlements, awards, new lawsuits, and major case developments practically as they occur. You'll be among the first to know when big news breaks.
- Full-text court documents including briefs, opinions, motions, appeals, jury instructions and forms, verdicts and settlement agreements. Many are difficult to track down otherwise, and unavailable online, so they can give you a clear competitive edge when preparing your case.
- Expert commentary written by top trial pros that give you the inside story on what worked, what didn't, and why—so you can exploit the successes and avoid the pitfalls that others have encountered.
- Attorney listings that accompany each case summary, allowing you to build relationships with key players in litigation.

Mealey's Reports provide relevant legal content that lets you work with greater insights and confidence. You'll have the inside track on behind-the-scenes maneuvering in cases that impact your own. You'll be the first to know what theories of liability are working and which defenses are shutting them down. You'll know how to use experts and science to your advantage. And you'll be alerted to potential future risks so you don't get blindsided.

INSURANCE

Mealey's Litigation Report: CONSTRUCTION DEFECTS INSURANCE

Keeps you up to date on the key cases and issues in construction defect insurance coverage and tells you what arguments are and are not working in litigation battles similar to yours. Covers property damage interpretations, mold, occurrence, business risk exclusions, additional insureds, bad faith, obligations to pay, and allocation.

S *PRINT* • Newsletter, published monthly, Pub. #07055, ISSN 1550-2910

eBOOK • eISBN 9780327167433

Mealey's EMERGING INSURANCE DISPUTES

Tracks new areas of coverage liability, novel policy applications and conflicting policy language interpretations in litigation. Covers sexual harassment and discrimination; assault and battery; professional liability; patent and trademark infringement; construction defects; directors' and officers' claims; emotional distress; intentional acts; technology; and insurance business practices.

S *PRINT* • Newsletter, published twice monthly, Pub. #07016, ISSN 1087-139X

eBOOK • eISBN 9780327167020

Mealey's INSURANCE PLEADINGS

Presents insurance coverage law from the unique perspective of the voices of those involved in coverage battles—whether it is coverage for toxic tort claims, employment claims, e-commerce claims, intentional acts, D&O claims, or other emerging areas of insurance law, you'll find a wide range of filings from the hottest insurance coverage cases. Complaints, briefs and motions are digested and summarized.

Medical Law

Attorneys' Textbook of Medicine

Roscoe N. Gray, M.D.; Louise J. Gordy, M.D., LL.B.

Use this invaluable resource to help you understand involved medical aspects of an injury along with their practical legal implications. You get quick access to explanations of every compensable injury and a wide range of diseases and conditions and the background information you need to confidently prepare complex cases, evaluate injuries and disabilities, present evidence to jurors in language they can understand, and effectively examine and cross-examine medical witnesses.

Extensive medico-legal material includes:

- Concise descriptions of the nature of the injury/disorder/ disease, diagnosis, prognosis for recovery, treatment options, and extent of disability
- Over 400 full-color images depicting anatomy and mechanisms of injuries for use in court and in settlement brochures, with references to the text (on disc and *lexis.com*)
- Detailed summaries of AMA Guides to the Evaluation of Permanent Impairment (the international standard used to define impairment), explaining standards for testing

Practice aids include:

- Attorney's checklists of questions used to examine experts and investigate the medical record
- Legal annotations including case decisions and monetary awards/settlements
- Diagrams and illustrations incorporated throughout the text and extensive medical bibliographies

J. E. Schmidt, M.D.

Get the leading medical dictionary designed specifically for attorneys to help you turn medical jargon into plain English that juries can understand. You'll find more than 57,000 definitions of medical terms with examples and practical analogies, a key to abbreviations used in medical records, a simplified pronunciation system, and a unique Reversicon that uses common lay words to lead you to the correct medical terms. Also, this publication includes more than 700 illustrations of anatomical features, body movements, medical equipment and injuries—numerous small drawings appear in the text near the subjects that they illustrate, while full-page illustrations follow the definitions for each letter.

Louisell & Williams Medical Malpractice

*David W. Louisell and Harold Williams, M.D., LL.B.,
original authors; revisions by practicing attorneys
and Publisher's Editorial Staff*

For anyone involved in prosecuting or defending against medical malpractice charges, this essential treatise and complete litigation guide is a must-have resource. It's the most-cited and most-respected authority in the field and it includes the most comprehensive treatment of medical malpractice law, litigation techniques and current developments in the field, at both the state and national levels. Key theories of liability; causes of action; defenses; and procedural hurdles, such as screening panels and other pre-filing requirements, are all covered, allowing for comparison of how particular jurisdictions address certain medical malpractice issues—particularly helpful to attorneys facing an issue of first impression in a particular jurisdiction. Topics include a physician's liability for the negligence of other medical personnel; a physician's duty to obtain informed consent; malpractice by specific health care providers, such as nurses, psychiatrists, chiropractors and dentists; hospital liability; and winning without an expert witness.

Privacy Law and the USA PATRIOT Act

Steve C. Posner

Since the swift enactment of the USA PATRIOT Act in the aftermath of the 9/11 attack, provisions of the Act have encountered constitutional problems, raising continuing concerns about the Act's impact on privacy. Formally named the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act, the surveillance and database tracking tools authorized under the Act have broad-reaching ramifications on individuals, businesses, and charities. *Privacy Law and the USA PATRIOT Act* was the first major treatise on the Act and continues to provide up-to-date analysis that emphasizes the practical implications, burdens and options for organizations and individuals cooperating with and subject to continually-evolving government reporting requirements, information requests, and surveillance.

Milgrim on Trade Secrets®

Roger M. Milgrim, Eric E. Bensen

If safeguarding vulnerable trade secrets is your assignment, trust nothing less than the top recognized authority for guidance. Cited in over 200 state and federal cases, this treatise is a definitive guide to the protection and utilization of trade secrets and other intangible property.

The easy-to-use format helps you identify and understand trade secret rights and implement proven techniques to protect them. You get thorough analysis of all legal aspects, including:

- Protection by contract and by operation of law
- Trade secret protection on the Internet—particularly email, confidentiality and unauthorized downloading
- Substantive and procedural problems of litigation
- Taxation and antitrust issues related to trade secrets
- The effects of the employer-employee relationship on trade secrets
- Relationship between trade secrets and other areas of intellectual property
- Potential conflicts arising between owners of trade secrets and their employees

You also get practical guidance to implement company trade secret programs along with ready-to-use confidentiality agreements to save drafting time.

The Law of Advertising and Mass Communication

George Eric Rosden, Peter E. Rosden, original authors;
James B. Astrachan, Donna M.D. Thomas

Covering all aspects of advertising law and all media, this definitive resource lets you navigate transactional advertising work and advertising litigation with full confidence. You get in-depth analysis of the rules governing each party to the advertising contract (media, consumer, advertisers, and advertising agencies), along with detailed treatment of:

- Consumers' federal remedies
- State statutes regulating advertising
- Corrective advertising
- Comparative advertising
- Children's advertising
- Legal and medical advertising
- Advertising injury insurance
- Cable television advertising
- Internet advertising, telemarketing and direct marketing
- Securities advertising
- Alcohol, sweepstakes and lottery advertising
- Procedures before the FTC
- The law regarding representations related to quantity, quality, food labeling, price, endorsements

Always up to date with the latest FTC developments, this one-stop authority helps you meet the legal challenges and regulatory demands of the ever-dynamic advertising field.

Nimmer on Copyright®

Melville B. Nimmer, author 1963 – 85;
David Nimmer, revision author 1986 – present

Whenever you need authoritative answers to copyright law questions, turn to the leader in the field. This definitive work contains all you need to practice copyright law confidently, including:

- In-depth analysis of modern U.S. copyright law affecting printed works, plays and motion pictures, music, computer software and chips, artistic property and the Internet
- Up-to-date guidance on the Copyright Act and the Digital Millennium Copyright Act
- Model litigation and transactional forms with side-by-side commentary written by leading copyright law practitioners
- Expert insights into the guidelines used by courts when deciding open questions of law and suggested lines of argument
- Text of all relevant statutes, regulations, treaties and legislative histories

Cited over 2,600 times by the federal courts, no other treatise is more heavily relied upon by judges—which means you can trust its case-building analysis and guidance to plan the most effective strategies and maximize the scope of copyright protection.

Patent Law

Chisum on Patents

Donald S. Chisum

Whether you're prosecuting a patent application or litigating patent infringement, put authority on your side with the leading authority on U.S. patent law.

Frequently cited by courts in all jurisdictions, the Court of Appeals for the Federal Circuit and the U.S. Supreme Court, this masterwork gives you all the legal information you need to fully understand, secure and protect a patent claim. You get comprehensive coverage of substantive law—principles, doctrines, rules and cases—as well as one-stop research and guidance on such topics as:

- Patentability
- Perfecting rights to an invention
- Rules regarding disclosure and submitting claims
- Patent claim interpretation
- The application process—from filing through examination and appeals
- Substantive aspects of infringement
- Validity

Subscription includes comprehensive updates to the main treatise, the *Federal Circuit Guide* with summaries of all decisions of the Federal Circuit, and five issues of the *Chisum on Patents Case Reporter*.

S PRINT • 28 volumes, loose-leaf, updated 5 times per year, Pub. #00525, ISBN 9780820515250

Attorney's Dictionary of Patent Claims

Irwin M. Aisenberg

Save time preparing bulletproof patent applications and reply to rejections by the USPTO due to incorrect terminology. This comprehensive lexicon of the language of modern patent claims gives you an alphabetized listing of claim words and phrases, a table of terms listed in classification order, annotations to case law on terminology usage and regular updates to keep you current with the latest high-technology terminology.

Patent Law Digest, Federal Circuit 25th Anniversary Edition

Donald S. Chisum

Next time you are looking for a patent law decision on point with the facts of your case, find it fast in this quick-access guide to every new Federal Circuit patent decision.

Written by a leading expert on patent law, this reference provides concise summaries of more than 2,000 precedential, patent-related decisions of the U.S. Court of Appeals for the Federal Circuit and the U.S. Supreme Court, rendered since the establishment of the Federal Circuit Court in 1982. It also gives you:

- A case chronology to help you spot new trends in patent law
- A case table with full citations that helps you locate cases and find the correct citation
- Selected provisions of Title 35, United States Code and Title 37, Code of Federal Regulations to zero in on the most important, most frequently used statutes and regulations

There's no easier, more convenient way to track case authority and legal trends relating to U.S. patent law and procedure.

European Merger Control Law: A Guide to the Merger Regulation

Nicholas Levy, Partner at Cleary, Gottlieb, Steen & Hamilton LLP in Brussels

Authored by a leading practitioner from one of the world's most respected competition law firms, this comprehensive treatise provides authoritative and practical guidance needed to structure deals that are economically viable and in compliance with the EU's Merger Regulation.

Complete with up-to-date analysis of the Merger Regulation, topics include:

- Full coverage of the substantive law, with expert insights into its application and enforcement
- Practice-oriented guidance on jurisdictional and policy issues
- Detailed explanations of the Merger Regulation and all relevant Commission Notices and decisions
- Expert analysis of the role of economics in EU merger control, U.S. merger enforcement and transatlantic cooperation, and EU competition issues arising in the M&A deal process
- Comprehensive treatment of all the leading court cases, including *Airtours/First Choice*, *Schneider/Legrand* and *Tetra Laval/Slidel*
- Timesaving practice tips, checklists and essential primary sources, including the Draft Merger Regulation, Draft Horizontal Mergers Notice and Draft Best Practices Guidelines

International Human Rights: Law, Policy & Process, 4th Edition

*David Weissbrodt, Fionnuala Ni Aoláin, Mary Rumsey,
Marc Hoffman*

A thorough introduction to human rights law, policy and process is provided, with discussions of matters such as drafting and ratifying treaties, establishing institutions, using procedures for monitoring compliance and responding to gross violations and more. Also, examples of significant developments in human rights covered are the emergence of international criminal law as a potential response to crimes against humanity and the ability of human rights to respond to and account for violations committed in the context of ethnic hatred, internal conflict and intrastate violence.

Smit & Herzog on The Law of the European Union

Center for International Legal Studies, Hans Smit, Peter Herzog, Christian Campbell, Gudrun Zagel

This revision to the original commentary, *Law of the European Community: A Commentary on the EC Treaty* provides comprehensive analysis on the Treaty on European Union and the treaty establishing the European Community, both of which serve as the constitutional and legal basis of all action and policy areas covered by the European Union. This unique English-language commentary, featuring renowned scholars Hans Smit and Peter Herzog, accomplished European law practitioners, academics and public servants who analyze each article of the two treaties, discusses the evolution, major case law and subordinate legislation; provisions that are the basis of the European Union's internal and external trade, economic regulation and social integration, and extensively shape the domestic laws of all its Member States.

Servicemember and Veterans Rights

*Brian Clauss, Joseph Butler,
General Authors*

With more than 25 million veterans in the United States, attorneys are frequently asked to assist with servicemembers' and veterans' legal advice and legal issues. These individuals are afforded different benefits and entitlements that extend to themselves, their parents, spouses and children. Attorneys must be able to understand and identify veterans' issues and the laws and regulations that govern these issues. This publication covers the legal issues that are either affected or created by military service or veteran status, which include coverage of the Servicemember's Civil Relief Act, USERRA, family law, life insurance and TRICARE® benefits, VA benefits, GI Bill benefits and state laws related to military service and Veteran status.

Personal Injury & Tort Law

Personal Injury: Actions, Defenses, Damages

Louis R. Frumer, Melvin I. Friedman, and contributing authors

The largest and most comprehensive case-law compendium in legal literature, this definitive work provides encyclopedic treatment of the personal injury law of every American jurisdiction. It contains more than 200 “fact situation” titles under which all cases are classified. Titles are arranged alphabetically according to the situation or instrumentality out of which an injury can arise, the party injured, or the party causing the injury. Each title covers:

- Theories of recovery
- Elements of causes of action
- Necessary allegations
- Defenses and damages
- Annotations for all jurisdictions
- Forms for bringing and defending the suit, compiled from the actual files of eminent practitioners
- A separate volume that provides consolidated treatment of damages

Handling Federal Tort Claims: Administrative and Judicial Remedies

Lester S. Jayson, Hon. Robert C. Longstreth

Get the most comprehensive analysis of substantive and procedural issues involving the prosecution and defense of claims brought under the Federal Tort Claims Act. From parties, jurisdiction and cause of action to damages, statutes of limitations and settlement, this authoritative treatise provides expert guidance at every phase of a federal government liability claim. Organized according to the elements of a claim, it gives you:

- In-depth analysis of all substantive law and procedural issues
- Cases from every federal district, highlighting what facts and techniques prevailed
- Detailed guidance for successfully handling administrative claims
- Extensive discussions of excluded claims and remedies
- Fifty useful forms and documents, plus appendices of relevant statutes

Whether you're positioning a case for the highest, quickest recovery possible or defusing allegations for the defense, you'll navigate this distinctively complex area of the law with greater confidence and carry out all research quickly and effectively.

What's It Worth? A Guide to Personal Injury Awards and Settlements

Publisher's Editorial Staff

This reference guide provides summary coverage of personal injury damage awards for the most popular jurisdictions in the U.S. for the past three years. This means you can make determinations such as the dollar value that can be assigned to a particular injury, the likely verdict if you go to trial, whether the verdict is likely to be sustained on appeal, whether you should settle out of court, the maximum and minimum amounts awarded in similar cases, and the extent of a defendant's potential exposure.

Products Liability

Products Liability

Louis R. Frumer, Melvin I. Friedman, Cary Stewart Sklare

Manage even the most complex product liability cases with this comprehensive treatise on every facet of the law—from theories of recovery, causation, and collective liability to plaintiff and defendant considerations, strict liability, breach of warranty, negligence, defective products and warnings.

The most frequently cited and respected authority in the field reviews over 700 products and product categories (with a unique Table of Cases by product) to allow you to:

- Identify liable parties—manufacturers, retailers, wholesalers, middlemen, repairers, advertisers and government bodies
- Research theories of liability, such as negligence, strict liability in tort, breach of express warranty, breach of implied warranty and fraud
- Analyze current issues affecting litigation, such as multidistrict cases, federal preemption, Daubert, and damages
- Stay abreast of new products causing injury, including drug products, medical devices and toxic torts/mold

Complete with intensive 50-state analyses of facts and legal issues, this unrivaled resource gives plaintiff attorneys the expertise to position their case for the highest, quickest recovery possible.

Real Property Law

Nichols on Eminent Domain®

Revisions by prominent members of the eminent domain bar

The eminent domain bible since 1909 and cited by the U.S. Supreme Court, this is the most authoritative work in existence on every aspect of the law, practice and procedures of condemnation and eminent domain.

You get in-depth analysis of the current state of the law, including hot topics and trends, and also hard-to-find information on historical developments. All topics in the field of eminent domain are addressed, including:

- Valuation and damages, preparation of claims and negotiations, and the passing of ownership and the nature of the title acquired
- Condemnation practice and procedure, including discovery, evidence, jury instructions and examination of experts
- Recent important judicial developments and emerging areas of the law, including landmark Supreme Court decisions on exactions, compensation for loss of business goodwill, inverse condemnation, uniform professional appraisal standards and the taking of environmentally contaminated property

You also get a comprehensive index, footnoted decisions arranged both alphabetically and by jurisdiction, and a full table of cases.

Condemnation Procedures and Techniques: Forms

Patrick J. Rohan, Melvin Reskin, original authors

Get comprehensive guidance on every aspect of the condemnation process with this definitive treatise, a subset of *Nichols on Eminent Domain*. The set provides analytical discussion of the current state of the law, hot topics and trends in the law. It also covers each phase of pre-trial discovery; procedural alternatives available to resist condemnation and to avoid protracted litigation; preparation of claims and environmental issues; jury instructions; landmark Supreme Court decisions; and all the forms you need, plus appraisal contracts and reports.

S PRINT • 6 volumes, loose-leaf, updated twice per year, Pub. #00243, ISBN 9780820512433

Also available as volumes 7 – 10 of *Nichols on Eminent Domain*

Condominium Law and Practice: Forms

Patrick J. Rohan, original author; Melvin A. Reskin, Sandra Bullington, update authors

It's your complete guide for handling condominium transactions. Rely on it to provide thorough coverage of all aspects of acquisition and ownership; special problems such as arranging a "workout" for a condominium project in distress; unusual projects and new techniques, e.g., waterfront condominiums; all of the forms needed for creating a condominium; and selling and marketing condominium projects.

Insightful analysis, helpful discussion and practical guidance is offered in each chapter, with coverage of such major topics as the creation of condominiums, foreclosure, construction problems and current condominium developments. A completely revised index is also part of each release.

Powell on Real Property®

Richard R. Powell, original author; Michael Allan Wolf, General Editor; revisions by prominent contributors

Cited more than any other treatise on real property law, this definitive resource gives you authoritative analysis of the full range of real estate issues, complete with footnotes to cite statutes, regulations and cases both alphabetically and by jurisdiction.

You also get more than a dozen practice guides covering such areas as landlord/tenant, acquisition/financing and tax aspects of real estate transactions. These succinct guides take you step by step through the procedures you encounter in real property practice, and are replete with sound practice tips and cross-references to the legal analysis in the treatise chapters.

Topics include:

- Landlord and tenant law
- Mortgages, liens and foreclosures
- Condominiums, cooperatives, homeowner associations and timesharing
- Conveyancing
- Easements, licenses and restrictive covenants
- Deeds, recording acts and title insurance
- Land use planning and regulation
- Trusts and future interests
- Green buildings and smart growth
- Effect of telecommunications laws on real property interests

You also get an annual review of Supreme Court cases affecting real estate property interests, updates that contain expert analysis as well as quarterly analysis of recent case law and some of the most contested property disputes regarding the conversion of railroad corridors to public uses such as recreational trails.

Regulatory Takings, 4th Edition

Steven J. Eagle

Whether you represent property owners and developers subject to regulation, units of state or local government or public interest organizations, this is your indispensable resource for detailed examination of the substantive and procedural aspects of regulatory takings. Comprehensive content includes thorough analysis of wetlands regulations, exactions on development, asset seizures, and more. Pertinent cases, statutes and secondary sources are liberally cited, technical considerations examined and widely varying state and local statutes, ordinances and administrative practices highlighted.

Waters and Water Rights, 3rd Edition

Amy K. Kelley, Robert E. Beck, Editors-in-Chief

This treatise provides more in-depth information than any other publication on legal issues involving water rights, water usage and water quality. It's primarily national in scope with the most comprehensive current treatment of the law relating to the allocation and use of water resources in the United States, but also includes coverage of interstate, state-specific and international concerns.

The authoritative publication analyzes the environmental controls that seek to ensure water quality, and offers unparalleled breadth of material that includes such key topics as interstate allocation; climate change and water resources; surveys; pollution and quality; wetlands preservation; water rights prior appropriation; and much more.

Zoning and Land Use Controls

*Patrick J. Rohan, original author;
Eric Damian Kelly, General Editor*

This resource gives real estate practitioners everything needed to practice real estate law, offering the broadest scope, most forms and best index of any comparable publication available. Comprehensive content examines the most basic aspects as well as the complex aspects of zoning law practice, covering:

- Modern land use law trends, e.g., sign regulation and adult-use businesses
- Federal and state regulation
- Zoning procedures and judicial review
- Model ordinances
- Site plans
- Sample building permits
- Zoning application forms
- Two volumes of model ordinances and detailed annotations organized by jurisdiction

Securities Law and Mergers & Acquisitions

Securities Law Techniques

A.A. Sommer Jr.; attorneys from the country's most prestigious law firms and corporations, contributing authors

The preeminent work on securities law, this unsurpassed resource combines the authoritative analysis of a treatise with the real-world focus of a practice guide.

Created by one of the most influential securities attorneys of our time, it now assembles the expertise of over 85 leading practitioners to help you tackle virtually every aspect of securities regulation, including:

- **Registration**—exempt securities, underwriting, electronic filing, effectiveness, and closing and custody
- **Post-Effective Concerns**—prospectus requirements, sales materials and disclosure requirements, prohibited transactions, proxy rules, annual reports and MD&A, compliance procedures and internal controls, independence of audit committees and officers
- **Litigation and Investigations**—antifraud provisions, violations of disclosure requirements, class actions, bankruptcy proceedings, remedies, document control, and reporting up and reporting out

Throughout, you get the analyses you need of the core transactional and reporting requirements underlying sound corporate/securities practice—plus expert commentary supported with key source materials, sample documents, and practical checklists.

Litigating Securities Class Actions

Jonathan N. Eisenberg, General Editor

An in-depth treatise for defense attorneys, in-house counsel, and plaintiff's attorneys, specifically focused on issues arising from securities class actions. Content brings together practical expertise of 11 of the leading securities class action firms from across the country, discussing critical stages and strategies in this field. Individual chapters provide guidance on:

- How plaintiffs decide which cases to bring
- Key considerations in filing a motion to dismiss
- The evolving bases for challenging class certification
- Assessing damages
- Trial strategy
- Insurance issues
- Overseas class actions
- Recurring claims in class actions, such as accounting, subprime and investment company claims
- Crisis management
- The role of in-house counsel in managing class actions

Regulation of Investment Companies

Thomas P. Lemke, Gerald T. Lins, A. Thomas Smith III

Address day-to-day investment management issues with this superlative practice guide written by and for lawyers, accountants, and compliance officers.

Fortified with select foundational primary source materials—including the full text of the Investment Company Act of 1940 and the rules promulgated thereunder—it shows you how to:

- Develop compliance best practices concerning market timing and illegal late trading
- Negotiate contractual provisions for the increasingly popular acquisition of fund complexes
- Advise clients on the legal requirements for advertising as well as structuring, disclosing and reporting fees

So central to regulation and compliance it's been cited by the SEC itself, this unmatched treatise supplies practice tips to achieve client goals, avoid traps and satisfy regulatory requirements.

Mergers & Acquisitions

Fox & Fox: Corporate Acquisitions and Mergers

Byron E. Fox, Eleanor M. Fox

Comprehensive and easy-to-use, this treatise contains expert guidance and commentary while placing a strong emphasis on understanding legal requirements and assessing various strategic options. The authors, recognized as leading authorities, provide clear legal analysis and effective strategies for structuring and closing transactions at the lowest tax cost; winning a takeover fight; complying with applicable antitrust, securities and labor laws; dealing with finders and brokers; and analyzing the issues in taking over an acquired company's benefit plans.

Comprehensive coverage of topics including:

- General business and legal considerations
- Tax issues implicated in structuring various transactions
- U.S. and foreign antitrust implications (with superior supplementation by the numerous antitrust-related Appendices)
- Registration and disclosure requirements of federal and state securities laws
- Other laws and topics that may be relevant in a particular M&A transaction, including federal labor laws, issues relating to brokers' and finders' fees, accounting issues, and pension and profit-sharing plan considerations.

Additionally, the set's key features include thorough discussion of various acquisition methods with analysis of their legal, tax and practical implications; a full volume of actual forms used in prominent transactions, collected to highlight both industry-specific and jurisdiction-specific strategies; and rich treatment of antitrust implications, including discussion of the merger regimes of the European Union, Germany, the United Kingdom, France, Japan, Canada and Australia.

STATE AND LOCAL TAX

Bender's State Taxation: Principles and Practice

*Charles Swenson, General Editor; Robert J. Desiderio,
update author*

Gain insight into state tax-planning opportunities and pitfalls with this resource that thoroughly identifies, explains and examines state tax issues of concern to single-state and multistate taxpayers and their advisors. From federal and state constitutional limitations to local taxes, it provides practical, insightful discussion and analysis on the often detailed and always complex principles governing state tax compliance and planning. Focusing on issues relevant to today's state tax practice rather than on historical background, it helps you understand the current state of the law.

Written by SALT practitioners, the treatise avoids legalese and an overly academic approach, maintaining a practice-oriented focus, complete with practice tips drawn from the authors' experiences. Examples, checklists, charts and tables expedite research at every step.

United States International Taxation, 2nd Edition

Allison Christians, Samuel A. Donaldson, Philip F. Postlewaite

This title is one of six releases from the LexisNexis Graduate Tax Series and provides graduate tax students with a solid foundation in the applicable rules and enhances their skills in reading and applying complex statutes and regulations. It contains 21 separate units that address fundamental concepts of residency and source, the taxation of United States persons (citizens, residents, and domestic corporations) on their activities within the United States, and the safeguard rules in place to curtail potentially abusive tax avoidance in the international context.

TAX ACCOUNTING

Federal Income Taxation of Inventories*Leslie J. Schneider*

This practical tax-planning publication covers virtually every aspect of inventory taxation—from what can be included in inventory for tax purposes to complex tax and accounting problems, including valuation of goods, the uniform capitalization rules, LIFO inventories, and problems of specialized industries such as farming, retailing and securities dealing. It provides practical tax-planning suggestions based on personal insight the author gained from his former employment as the principal draftsman of many of the tax regulations and rulings that are discussed in the text. You'll get analytical treatise chapters; numerous computational examples, case histories and tax planning strategies; and hard-to-find primary source material, such as IRS private letter rulings, general counsel memoranda and revenue rulings and procedures.

TAX INSTITUTES & JOURNALS

Major Tax Planning: University of Southern California Law School Annual Institute on Federal Taxation*Numerous contributing authors*

Each January, leading authorities on federal taxation—a distinguished group of lawyers, scholars, government officials and accountants—meet in Los Angeles and offer presentations on the hottest issues to their fellow practitioners. The speakers then develop their presentations into law review-quality articles, which are published in this volume. Though scholarly, the articles are also very practical, laden with examples, tax-planning tips and commentary, covering strategies for individuals, corporations, partnerships, estates and trusts, real estate, S corporations and foreign transactions. Includes a complete index and tables of cases, statutes, regulations and rulings.

eBOOK • eISBN 9781579111403

New York University Institute on Federal Taxation*Numerous contributing authors*

Each October the biggest names in tax gather in New York City and offer presentations on hot, cutting-edge issues to their fellow practitioners. The speakers then develop their presentations into law review-quality articles, which are published in these two volumes. Topics covered include individual and corporate tax planning, partnerships and real estate, charitable organizations, international tax planning, executive compensation and employee benefits, estate and gift tax planning, elder law, tax accounting, tax penalties, ethics, tax practice and procedure, personal and family tax planning, and closely held businesses (like S corporations). Though scholarly, the articles are also very practical, laden with examples, tax-planning tips and commentary. Each annual contains its own index, table of revenue rulings, Code section reference table and table of Treasury regulations.

Workers' Compensation Law

Larson's Workers' Compensation Law

Lex K. Larson

The most trusted name in workers' compensation legal analysis, this premier resource is used by all state commissions and frequently cited by all courts in all states—which means you can confidently cite to it as precedent.

Comprehensive and authoritative coverage includes:

- The now standard framework by which workers' compensation is organized and understood
- The nuts and bolts of workers' compensation as well as newly developing areas of the law
- Discussions of the variations in state law and consequences
- A variety of local practices, grouping states that agree on a particular pattern of law
- Quick access by legal principle and fact situation indexing
- Up-to-date, detailed case summaries for comparison of facts and holdings
- Discussion about the interaction of workers' compensation with other laws, for example the Americans with Disabilities Act, Social Security and the Longshore and Harbor Workers' Compensation Act
- Examples that illustrate main points

The "Digest" feature, which expedites access to cases by jurisdiction, and helpful state-by-state comparisons of substantive statutory provisions are also included.

S PRINT • 12 volumes, loose-leaf, updated twice per year, Pub. #00340, ISBN 9780820513349

Larson's Workers' Compensation, Desk Edition

Lex K. Larson

Get detailed case analyses, statutory references and essential background information in time-saving, comprehensive portions with the abridgement that parallels *Larson's Workers' Compensation Law*.

This compact reference provides succinct, straightforward discussion of claims, with careful attention to the variants of a wide array of circumstances, as well as the latest developments in topical, controversial areas. Citing only as many cases as are necessary to illustrate the points covered in the text, authoritative, incisive coverage includes:

- Established law
- Contemporary controversies
- New directions in the law
- Variations in state law and their consequences

You'll gain greater understanding of the complexities of this area through the helpful formatting of content that groups states that agree on a particular pattern of law; provides quick access to legal principle and fact situation indexing; includes up-to-date summaries for comparison of facts and holdings; illustrates main points with examples; identifies independent contractor relationships; and eliminates the need for repeated cross-referencing between sets by using a parallel section numbering system.

Benefits Review Board Service Longshore Reporter

This monthly *Reporter* is the only source for longshore opinions and decisions—located all in one publication. Thorough coverage also includes longshore-related federal court opinions, published and unpublished, and selected opinions and decisions of administrative law dealing with longshore issues. And it's the only resource for selected administrative law judge decisions related to longshore dating back to the 1970's.

To assist with your research, all opinions are headnoted and digested also. The *Reporter* provides tables of cases, docket tables, various indexes, primary source materials (codes and regulations), forms and the updated longshore desk book. Plus, an advisory board provides feedback on the utility of the publication, guidance in selection of administrative law judge and federal court opinions and commentary on important cases each month.

Understanding Criminal Law, 5th Edition

Joshua Dressler

Frequently cited by courts in their analysis of substantive criminal law, this authoritative guide helps give you a firm understanding of how our criminal justice works. You get clear analysis of the basic elements of, and defenses to, specific crimes such as homicide, rape, and theft; group criminality; and inchoate liability. Other topics covered include theories of punishment, sources of the criminal law and overarching principles such as legality and proportionality. The common law is emphasized with extensive comparisons to the Model Penal Code and thoughtful examination of the underpinnings of the utilitarian philosophies of substantive criminal law.

NS PRINT • 1 volume, softbound, Pub. #00789, ISBN 9781422429877

Understanding Criminal Procedure: Volume 1, Investigation, 5th Edition

Joshua Dressler, Alan C. Michaels

This volume covers the most important Supreme Court cases in the field of police practices—including search and seizure, police interrogation, eyewitness identification and entrapment. It also includes a non-police-practices chapter on the right to counsel at trial and on appeal. Where pertinent, the Federal Rules of Criminal Procedure, federal statutes, and lower federal and state court cases are considered. The broad overarching policy issues of criminal procedure are laid out and some of the hottest debates in the field are considered objectively and in depth.

NS PRINT • 1 volume, softbound, Pub. #03218, ISBN 9781422426784

Understanding Criminal Procedure Volume 2, Adjudication, 5th Edition

Joshua Dressler, Alan C. Michaels

This volume focuses on the criminal process after the police investigation ends and the adjudicative process commences, covering such topics as pretrial release, prosecutorial charging procedures, discovery, speedy trial, plea bargaining and guilty pleas, trial by jury, confrontation at trial, self-incrimination, right to counsel at trial and on appeal, double jeopardy and post-conviction proceedings. The authors examine the most important Supreme Court cases in the field.

NS PRINT • 1 volume, softbound, Pub. #03219, ISBN 9781422426791

Understanding White Collar Crime, 3rd Edition

J. Kelly Strader

Jump-start your understanding of the complex patchwork of statutes that define white collar crime. This compact resource provides the texts of the relevant statutes along with detailed analysis of the main cases interpreting them—including a large number of U.S. Supreme Court cases. It also discusses the significant policy issues that arise in white-collar crime investigations and prosecutions, such as enforcement barriers and prosecutorial discretion. All principal federal white-collar crimes are covered—including mail and wire fraud, securities fraud, computer crime, environmental crime, bribery and gratuities, extortion, perjury, obstruction of justice, tax crimes, money laundering, racketeering and more.

NS PRINT • 1 volume, softbound, Pub. #03123, ISBN 9781422496046

EMPLOYMENT AND LABOR LAW

Understanding Disability Law, 2nd Edition

Mark C. Weber

Gain a thorough understanding of the statutory and constitutional issues relating to disability law. This compact treatise analyzes many federal disability laws as they relate to controversial disability rights issues and examines leading cases on each major topic of disability law as well as suggested ways of thinking about unresolved questions and debates over legal policy. Detailed coverage includes constitutional law bearing on disability discrimination and employment discrimination rights and remedies; discrimination by federal, state and local governments; and other topics such as disability discrimination related to housing, transportation and telecommunications.

NS PRINT • 1 volume, softbound, Pub. #03217, ISBN 9781422498750

Understanding Employment Discrimination Law, 2nd Edition

Thomas R. Haggard

Gain a clear understanding of the fundamental concepts, principles, doctrines and theories that together form the foundation of today's employment discrimination law. The authors examine the many and varied sources of employment discrimination law and analyze key topics including individual and separate disparate treatment; special problems relating to discrimination based on race, sex, national origin and religion; retaliation; filing and processing charges; litigation; types of violations and their proof; procedure and remedies; defenses; enforcement; and more.

IMMIGRATION LAW

Understanding Immigration Law

Kevin R. Johnson, Raquel E. Aldana, Bill Ong Hing, Leticia Saucedo, Enid Trucios-Haynes

This title lays out the basics of U.S. immigration law in an accessible way for newcomers to the field. It offers background about the intellectual, historical and constitutional foundations of U.S. immigration law. It also identifies the factors that have historically fueled migration to the United States, including the economic "pull" of jobs and family in the United States and the "push" of economic hardship, political instability and other facts of life in the sending country. The authors summarize the law concerning admissions and removal procedures and criteria in the Immigration and Nationality Act.

Alabama

PRIMARY LAW

Michie's™ Alabama Code

Lawyers and judges in Alabama have been relying on LexisNexis code service for more than 50 years. This title incorporates changes to the state's code as approved by the Alabama Legislative Council. It features a comprehensive index with many more descriptive main headings and cross-references than any other Alabama code index. Features:

- Interim supplement of the year's Regular Session legislation, with amendment notes and effective date notes
- Comprehensive index, replaced annually, with more headings and cross-references than any other Alabama code index
- Annotations based on cases, select law reviews and ALR
- Advance Code Service (ACS) published three times per year, providing the most current case law
- All case citations *Shepardized*™ for accuracy

Our statutory Codes are annotated by lawyer-editors who work diligently to ensure the accuracy and currentness of your code research, provide meaningful context and clarify unclear or ambiguous language.

Available separately, an Advance Legislative Service (ALS) gives you the latest session laws as they are passed along with handy tables showing you what sections of the code are affected. It also includes an annual Legislative Review Service pamphlet. Published annually, it's an annual summary of the year's legislation, arranged in topical order.

S PRINT • 39 volumes, hardbound, with current and interim supplements, Pub. #40002, ISBN 9780327110262

Michie's Alabama Code Citator

This valuable resource can help you ascertain the current status of case notes appearing in the Alabama Code. It can also aid you in broadening your research with references to later cases that cite the annotated case. It lists all significant *Shepard's* information pertaining to the cases annotated in the Code, including subsequent history and entries for all later cases citing the annotated case that received *Shepard's* editorial treatment (such as "questioned" or "distinguished"). The annotations in the Code are abstracted court opinions construing or interpreting statutory provisions. This progression of opinions allows you to analyze more thoroughly the law that will determine your outcome. Citing references that were not assigned any editorial treatment are not included.

NS PRINT • 1 volume, hardbound, replaced annually, Pub. #40143, ISBN 9781422485989

Michie's Alabama Rules Annotated

LexisNexis, publisher of *Michie's Alabama Code*, offers you the most comprehensive rules volume available in Alabama. This publication contains rules for:

- Alabama Supreme Court
- Alabama Court of Civil Appeals
- Alabama Court of Criminal Appeals
- Federal Courts

There's an index for each set of rules. And this is the only annotated rules set where you can find complete annotations to cases interpreting or construing the court rules, along with extensive research references.

REAL ESTATE LAW

Alabama Property Rights and Remedies 4th Edition*Jesse P. Evans III*

Updated, expanded and converted to a convenient loose-leaf format, the new fourth edition continues to offer a comprehensive review of the statutory rights and remedies affecting real property in Alabama. Central to the book are issues pertaining to the rights and remedies most commonly associated with the use, ownership and enjoyment of real property. It also features expert commentary, checklists and forms. It's designed as an aid in the selection of the appropriate rights and remedies for specific situations, and a guide in case preparation, from the commencement of an action to the end of trial.

NS PRINT • 1 volume, loose-leaf, updated annually, Pub. #61851, ISBN 9781422481264

Real Estate Handbook: Land Laws of Alabama*Robert L. McCurley Jr., Penny A. Davis*

Long relied upon, this indispensable resource is organized to facilitate quick, accurate research and contains a complete, indexed digest of statutes and cases on virtually every real estate topic; more than 200 sample forms covering all types of real estate transactions; and a handy checklist for covering each step in a loan closing. It is a reference covering the law on the most frequent real estate questions, making it a valuable resource for professionals involved in real estate transactions.

NS PRINT • 1 volume, hardbound, with current supplement, Pub. #64682, ISBN 9780820574554

TORT LAW

Alabama Tort Law, 5th Edition*Gregory S. Cusimano, Michael L. Roberts*

When handling a tort case—premises liability, products liability, motor vehicle, government liability, medical malpractice—wouldn't you like to take advantage of expert discussion of proof requisites and defenses? This resource provides coverage of all points of law, practical tips, sample complaints, forms and checklists.

Alaska

PRIMARY LAW

Alaska Statutes

Smart Alaskan practitioners know there is only one official source to trust for annotated Alaska primary law. This set provides the entire statutory contents of Alaska Statutes, the Constitutions of the United States and the State of Alaska, the treaties relating to Alaska, and statutory tables—all updated through the end of the latest legislative session. Features:

- Temporary & Special Acts pamphlet
- Comprehensive index, replaced annually
- Alaska Legal Ethics opinions volume, supplemented annually
- Annotation Citator volume, replaced in odd-numbered years
- Cumulative supplement published in one-volume format in odd-numbered years
- Annotations to the official state statutes based on all Alaska cases and federal cases arising in Alaska since statehood
- All case citations *Shepardized* for accuracy

You also get up-to-date annotations to judicial decisions and opinions of the Attorney General, revisor's notes, editor's notes, amendment notes and effective date notes, which set out useful statutory information beyond what is in the actual statute text.

Available separately are an Advance Code Service (ACS) and an Advance Legislative Service (ALS). The ACS provides annotations to the most current case law. The ALS is a compilation of the latest session laws with handy tables showing what sections of the code are affected and convenient marginal notations of the sections affected and their effective dates. It also includes an annual Legislative Review Service pamphlet.

S PRINT • 14 volumes, softbound, replaced in even-numbered years with annual supplements in odd-numbered years, Pub. #40215, ISBN 9781422446951

Alaska Statutes Annotation Citator

This valuable resource can help you ascertain the current status of case notes appearing in the Alaska Statutes. It can also aid you in broadening your research with references to later cases that cite the annotated case. It lists all significant *Shepard's* information pertaining to the cases annotated in the Statutes, including subsequent history and entries for all later cases citing the annotated case that received *Shepard's* editorial treatment (such as "questioned" or "distinguished").

NS PRINT • 1 volume, softbound, updated every other year, Pub. #41323, ISBN 9781422486856

Alaska Administrative Code

OFFICIAL

Up to date and authoritative, this is an indispensable reference for any practitioner in Alaska. It's the only official publication of the permanent and emergency regulations of the administrative agencies for the state of Alaska. Features:

- Updated regulations allow you to remain current with administrative procedure and provide statutory references to the authorizing legislative provisions
- Explanatory comments, prepared by the Alaska Department of Law, to help you understand the history of a regulatory change
- Quarterly updates to the administrative code contain the latest changes to the regulations which affect Alaskans most

Titles such as Commerce and Economic Development, Health and Social Services, Fish and Game, Natural Resources, and Environmental Conservation change frequently, and this publication is the best way to keep current.

PRACTICE GUIDES

Matthew Bender® Practice Guides

Matthew Bender Practice Guides are next-generation research tools providing expert guidance from leading California litigators and judges. Each title in the series offers concise, how-to guidance including a host of features to streamline your practice and increase your effectiveness, such as practical, step-by-step discussion; numerous practice tips highlighted with descriptive symbols; checklists, forms and extensive cross references; references fully linked online; and more.

Updated twice a year to provide the most current California perspective on legal issues, the Guides help you map out and execute successful strategies for your cases and make sure you don't overlook a single detail.

Matthew Bender Practice Guide: California E-Discovery and Evidence

Michael F. Kelleher

Looks at e-discovery and electronically stored information (ESI) and all commonly encountered legal procedures relating to discovery of such evidence in litigation. It provides a clear framework for addressing such issues as evaluating corporate policies for retention and destruction of electronic records; admitting ESI into evidence at trial; legal procedures for demanding and producing ESI; and more. This publication provides answers to both the e-discovery proponent and the respondent and fully incorporates California's 2009 Electronic Discovery Act.

GENERAL PRACTICE

California Legal Forms: Transaction Guide

With a unique transactional approach, quality coverage and ongoing updating and revision, this authoritative resource guides you through all non-litigation California transactions you'll likely encounter. It covers virtually all transactions involving businesses or nonprofit organizations, real estate and commercial transactions, contracts and obligations, wills and trusts, performance of services, personal transactions and more.

- Detailed analysis of the law you need for undertaking a transaction, with particular emphasis on potential problem areas.
- A complete listing of relevant statutes, regulations and secondary sources.
- Transaction guides steering you through every step of the transaction.
- Expertly prepared forms (including both attorney-drafted and official) for every need.

Each chapter is complete in itself and organized according to the sequence of a typical transaction. All new developments in the law are smartly integrated into text and forms with frequent supplementation and revision.

California Points and Authorities

Find the information you need to produce legally precise, customized memoranda at all stages of civil litigation, including pretrial motions, proposed jury instructions, post-trial motions, and appellate briefs.

The only California publication to provide forms that combine concise arguments of the law with accurate summaries of supporting statutes, cases and rules, this unique publication arms you with:

- Narrowly crafted individual points of law for virtually every substantive and procedural subject area
- Discussion of the most important authorities for each point of law
- Memoranda for supporting and opposing specific contentions—preparing you for counter-arguments and cases your opponent may use
- Points of law to aid research and evaluation of a case
- Easy-to-use forms for memoranda to articulate necessary predicate arguments

Easily adaptable for most arguments and extensively cross-referenced to *California Forms of Pleading and Practice*, this publication will prove invaluable in your efforts to support specific points, anticipate arguments and prepare appropriate responses.

GENERAL PRACTICE • FORMS

California Forms of Jury Instruction

Whether you're drafting instructions at trial or researching issues before litigation begins, you'll leave no stone unturned with the most comprehensive and authoritative source for California jury instructions at your fingertips.

This one-stop resource provides:

- All official Judicial Council of California Civil Jury Instructions (CACI) covering over 40 topics including evidence, contracts, torts, civil rights, eminent domain and more
- Hundreds of Matthew Bender jury instructions that enhance CACI and cover areas not addressed by CACI, from construction contracts to debtor-creditor relations
- Expert drafting guidance plus sources and authorities supporting the instructions, a research-speeding index and verdict forms for most CACI chapters

California Forms of Jury Instruction lets you easily draft plain-English instructions that accurately reflect the law—even for the many cases that fall outside the realm of CACI and BAJI. It's the most complete collection of jury instructions for use in California civil courts, and an essential resource for the successful California litigator.

S PRINT • 6 volumes, loose-leaf, updated twice per year, Pub. #00138, ISBN 9780820511382
eBOOK • eISBN 9781579114008

Judicial Council of California Civil Jury Instructions (CACI)

Use the exact jury instructions used by judges in every civil court across California. As the Judicial Council continues to name LexisNexis as the official publisher of its Civil Jury Instructions (CACI), every judge in California has a copy—and you should too.

California Rules of Court, Rule 2.1050(e), states that “Use of the Judicial Council Instructions is strongly encouraged. If the latest edition of the civil jury instructions approved by the Judicial Council contains an instruction applicable to a case and the trial judge determines that the jury should be instructed on the subject, it is recommended that the judge use the Judicial Council instruction unless he or she finds that a different instruction would more accurately state the law and be understood by jurors.”

Updated annually, these plain-English instructions cover more than 40 areas from contracts and evidence to torts and verdicts, and are smartly organized for easy access. They're also available on *LexisNexis Automated Judicial Council of California Civil Jury Instructions*.

PERSONAL INJURY & TORT LAW

California Torts

Neil M. Levy, Michael M. Golden, Leonard Sacks, editors

Gain clear and practical understanding of virtually all theories of tort liability and defenses. Covering the current state of the law as well as unsettled legal issues, this complete work provides the most in-depth treatment of California tort law available. You get detailed discussions of all key topics including:

- Negligence
- Strict liability for injuries caused by animals or hazardous activities
- Vicarious liability, joint liability and conspiracy
- Effect of workers' compensation law
- Premises liability, including landlord-tenant tort liability
- Motor vehicle tort liability
- Medical, legal and other professional malpractice
- Business torts, including fraud and negligent misrepresentation
- Intentional torts, including assault, battery, false imprisonment
- Wrongful death and loss of consortium

California Torts also highlights emerging areas of tort liability, such as liability for intentional or negligent interference with business or contractual relationships and "bad faith" in numerous commercial contexts—and is regularly updated to keep your information at the leading edge.

SECURITIES LAW

Practice Under the California Corporate Securities Laws

Harold W. Marsh, Robert H. Volk, R. Roy Finkle

Count on the preeminent authority in the field for the most comprehensive and detailed analysis available of California securities regulation. With an emphasis on understanding both the history of the securities laws and the modern-day application of the intricate network of rules and regulations, Marsh & Volk provides in-depth coverage of all critical topics including:

- Federal preemption of state regulation
- Qualification and exemption of securities and securities transactions
- Regulation of agents, broker-dealers and investment advisers
- Problems relating to special types of issuers and securities
- Advertising and transfer of securities
- Matters before the California Department of Corporations

Its thorough analysis is bolstered by primary source material that includes the full text of the Corporate Securities Law of 1968, the commissioner's rules interpreting that law, the opinions of the corporations' commissioner, and consultant annotations and commentary providing important insight into the statutes and rules, as well as sample forms.

CORPORATE LAW

Corporate and Commercial Practice in the Delaware Court of Chancery

Donald J. Wolfe Jr., Michael A. Pittenger

Because it is the corporate domicile of choice in the United States, Delaware produces and implements the substantive laws governing internal affairs for most of our nation's corporations, both large and small. As a result, most battles concerning the application of those laws are waged in Delaware courts.

Your corporate litigation can benefit from the firsthand experience of two of the Delaware courts' leading practitioners.

GENERAL PRACTICE

Delaware Statutory Trusts Manual

Charles J. Durante, Brian M. Gottesman

Confidently manage every step of the Delaware statutory trust process and help your clients take full advantage of this powerful new entity for tax deferral, asset protection, liability protection, balance sheet benefits and more.

This comprehensive manual guides you through the Uniform Statutory Trust Entity Act and every aspect of establishing and dissolving a statutory trust, including formation, management, amendment and conversion, dissolution, tax issues, disputes, bankruptcy issues, applicable blue sky laws and more. Coverage is truly authoritative; many of the contributors from the Delaware firm of Connolly Bove Lodge & Hutz LLP serve on the committee that oversees legislative changes to the Delaware General Corporation Law.

CRIMINAL LAW

Criminal Jury Instructions for the District of Columbia, 5th Edition

Young Lawyers Section of the Bar Association of the District of Columbia; Publisher's Editorial Staff

Also referred to as "The Red Book," this publication has been an indispensable resource in the District of Columbia courts since 1966 for both practitioners and judges who appear in D.C. local and federal courts. It is organized with numerical tabs for each subject, making courtroom referencing quick and easy.

Each instruction is set forth and contains comments by the authors, including relevant cases with explanations, notes on how to use the instructions, cross references to other instructions, recent revisions, the way in which the rule has been updated and references to other publications relating to criminal law and procedure.

GENERAL PRACTICE

Standardized Civil Jury Instructions for the District of Columbia*Young Lawyers Section of the Bar Association of the District of Columbia, Richard W. Stevens, Editor*

Save time researching and drafting civil jury instructions with fingertip access to the text of pattern jury instructions, the authorities on which each instruction is based, practice comments and other references to relevant materials. Editor Richard W. Stevens and the D.C. Bench & Bar diligently reviewed and edited instructions and comments to provide lawyers with more than just the instructions but also an understanding of the derivation of each instruction and the rationale underlying it.

The Law of Evidence in the District of Columbia, 5th Edition*Brian T. FitzPatrick, Hon. Henry F. Greene*

A practice staple in the District of Columbia courts for more than 25 years, this invaluable tool helps you analyze threshold evidence issues during trial preparation and find information about evidence questions at trial. Each Federal Rule of Evidence is set forth at the outset of a section. Legislative history for each federal rule of evidence, as appropriate, is included in an historical appendix. Since the Federal Rules are not applicable in the District of Columbia, the treatise also provides a concise comment comparing the particular Federal Rule with local practice. The treatise then presents case annotations showing the development and current state of the law in the local courts. Given the influence of its pronouncements, case annotations of the United States Supreme Court are also included.

Florida

PRIMARY LAW

LexisNexis® Florida Annotated Statutes: The Florida Bar® Edition

LexisNexis has partnered with The Florida Bar to produce the *LexisNexis Florida Annotated Statutes: Florida Bar Edition*. This completely annotated set contains thousands of exclusive references to Florida Bar CLE titles. Other highlights include thousands of references to recent law review and journal articles, as well as cross-references to Florida specific analytical materials from LexisNexis. References to cases arising in the state and federal courts in Florida are examined for relevancy, and notes were prepared and edited only from those cases that meaningfully interpret, apply and construe the specific Florida statute.

This set is highlighted with:

- Case Notes emphasizing state and federal cases that meaningfully interpret, apply or construe the Thousands of exclusive cross-references to the Florida Bar CLE titles
- The text of the statutes as passed by the Florida Legislature and supplied by the Division of Statutory Revision
- Opinions of the Attorney General appearing under their own heading making it easier for you to distinguish them from case notes
- Comprehensive amendment notes for each statute that has been changed since 2002, allowing you to recreate the statute as it existed
- Finely tailored case notes that meaningfully interpret, apply, or construe the specific statute

S PRINT • 53 volumes, hardbound, with supplement, Pub. #41070, ISBN 9781422469705

LexisNexis® Florida Rules of Court Annotated

An essential resource for litigators, the *Rules of Court Annotated* provides the most recent version of the applicable Florida and local federal court rules, as well as annotations from significant cases construing, interpreting or applying the rules. Features include:

- Expanded scope of coverage, including Rules of Evidence, all court rules of procedure and Rules of the Eleventh Circuit Court of Appeals
- Over 300 federal and state court forms accompanying the rules
- More than 23,500 annotations from case law applying and construing the rules
- Contains two separate indices to all state rules and federal rules
- Convenient, portable softbound format with a semiannual supplement and an annual replacement
- An easy-to-read, wide-measure format that is ideal for making copies

NS PRINT • 4 volumes, softbound, replaced annually, with semiannual supplement, Pub. #41161, ISBN 9781422486924

Florida Advance Legislative Service

The complete text of all the general laws enacted by the Legislature is published. The Legislative Acts are printed exactly as enacted by the Legislature without corrections or editorial changes. Each issue contains a subject matter index to the laws included in that pamphlet as well as a table of statutes affected. The table includes the corresponding Senate Bill and House Bill numbers. Issues are published periodically as the number of Acts warrants. The first issue generally ships in June and the remainder of the issues are produced over the following two months.

S PRINT • Cumulative pamphlets, issued 5 times per year, Pub. #07091, ISBN 9781422496457

Florida Administrative Code Annotated

The Code is fully annotated with decisions of federal and state appellate courts, state attorney general opinions, orders of the Division of Administrative Hearings, and final agency orders construing the rules so you don't get blindsided by an unexpected rule, consisting of:

Master the essential principles of estate planning and prepare a complete set of documents that meets your clients' needs. Using model wills and trusts, this manual covers complex estate planning strategies as well as simple wills. The forms in this manual are designed to save you many hours in drafting your clients' estate planning documents. The Fourth Edition includes the new *Florida Will and Trust Deskbook* and a companion CD-ROM with the full, searchable text of the manual. The CD also features hyperlinks to cited cases and statutes, the full text of related cases and statutes, and all model wills, trusts, and alternate and supplemental provisions in Word format, making drafting documents easy.

Florida Forms of Jury Instruction, 2nd Edition

Mary Catherine McGuire

Don't be surprised the next time you enter the courtroom. Immerse yourself in the Florida Supreme Court's new standard jury instructions for civil cases—so you're ready for anything. Prepared by Florida attorneys and the LexisNexis editorial staff, reviewed by appellate and retired trial court judges, this is the only publication to cover general civil, tort and contract litigation instructions in one comprehensive research source.

Coverage includes basic concepts and procedures governing instructions for any stage of a civil action, a comprehensive section on breach of contract and material on tort actions. In every area covered, pattern instructions are accompanied by: the cases or statutory authorities on which the instruction is based, a use of instruction, a comment that provides a brief legal background and advice in areas where there is a conflict of law, and references that tie the work to other chapters in the set and to other Matthew Bender publications for further clarification.

Georgia

PRIMARY LAW

Official Code of Georgia Annotated

Lay the groundwork for an airtight case and have peace of mind that you are backed by the most authoritative resource on Georgia statutory law. This fundamental reference accelerates your Georgia statutory research with:

- The official state statutes, fully annotated
- A comprehensive index, replaced annually
- Fully annotated cumulative supplements published annually within 75 days of receipt of all acts from the legislature
- Annotations based on all decisions of the Supreme Court of Georgia and the Court of Appeals of Georgia and all federal cases arising in Georgia, select law reviews, and Attorney General Opinions
- All case citations *Shepardized* for accuracy

LexisNexis also publishes Georgia Advance Annotation Service (AAS) and Advance Legislative Service (ALS). The AAS is published three times per year, providing annotations to the most current case law. The ALS helps you provide your most effective representation with the latest session laws as they are passed, along with handy tables showing you what sections of the code are affected to save you valuable research time.

Hawaii

PRIMARY LAW

Michie's™ Hawaii Revised Statutes Annotated

To be at the top of your game, you need top-notch references backing you up. That's just what you get with this foremost authoritative and comprehensive source for Hawaii primary law and court rules. The set contains the entire statutory contents of the Hawaii Statutes, the Constitutions of the United States and the state of Hawaii, historical documents and statutory tables, all updated through the end of the latest legislative session.

This unparalleled resource gives you a clear path to success. With topics ranging from government and business to property and family, criminal issues and beyond, it is widely recognized as the most extensive, up-to-date and easy-to-use code available. In a complete and convenient source, you get:

- 24 volumes with current cumulative supplement
- Authoritative statutory text, fully annotated
- *Michie's Hawaii Court Rules Annotated*
- Comprehensive index, replaced annually
- Annotations based on Hawaii cases and federal cases arising in Hawaii, including memorandum and summary disposition cases; state law reviews; ALR; and Attorney General opinions
- All case citations are *Shepardized* for accuracy

Also includes the *Advance Code Service (ACS)*, a cumulative pamphlet that updates the Cumulative Supplement and contains annotations to the most recent state and federal court decisions as well as law review articles and other research references.

Available separately is a *Hawaii Advance Legislative Service (ALS)*; published in July and August, this series of books provides, in addition to a copy of all current acts, a summary of the legislation by act number and topic, a table of code sections affected, and a topical index.

Idaho

PRIMARY LAW

Idaho Code

Smart Idaho practitioners who want to prepare their cases with greater insight turn to the *Idaho Code* from LexisNexis as the only official source for Idaho primary law. It is widely recognized as the most authoritative, comprehensive, up-to-date, and easy-to-use code available.

Topics offer gavel-to-gavel coverage of civil procedure; probate code; penal code; and general laws including agriculture, insurance, labor and much more. The first and last word in Idaho statutory research, the *Idaho Code* features:

- 25 statute volumes plus current cumulative supplement
- The official state statutes, fully annotated
- 2-volume Idaho Court Rules
- 2-volume comprehensive index, replaced annually
- Fully annotated cumulative supplements published annually within 70 days of receipt of all acts from the legislature
- Annotations based on all Idaho cases and federal cases arising in Idaho since statehood and pertinent Attorney General opinions
- All case citations *Shepardized* for accuracy

You can also enhance your service with the Idaho Advance Code Service (ACS) and the Annotation Citator to the Idaho Code. The ACS is a series of three cumulative pamphlets published at intervals during the year between legislative sessions. The pamphlets contain current case law annotations for cases decided since publication of the supplement for the preceding year. The case annotations are placed under appropriate code sections and arranged in code section order.

Illinois

PRIMARY LAW

Illinois Compiled Statutes Annotated

The cornerstone of any Illinois legal research library, this comprehensive reference of Illinois laws draws its statutory text directly from the official database of the state legislature.

From agriculture to pensions, financial regulation to criminal procedure, its 55 volumes fully implement the new Illinois classification system and include:

- Illinois State and Federal Court Rules Annotated—with annotations based on cases, law reviews, ALR, and AG opinions
- Supplements and a replacement index published each year within 45 days of receipt of all acts from the legislature
- *Illinois Advance Code Service*, published three times a year, providing annotations to the most current case law
- A comprehensive index, replaced annually
- All case citations *Shepardized* for accuracy

Available separately, *Illinois Advance Legislative Service*, giving you the latest session laws as they're passed along with handy tables showing you affected sections of the code.

BUSINESS & CORPORATE LAW

Illinois Business Entities

Jerry J. Burgdoerfer, Thomas A. Monson, Thaddeus J. Malik

Covers the various types of business entities commonly utilized, including corporations, general and limited partnerships and limited liability companies. There is discussion on choosing a particular type of business entity, organizing, operating, merging, selling its assets and dissolving the entity. Also considered are tax considerations, mechanisms to reduce risk and liabilities and corporate governance concerns. Practice tips, warnings, comparisons with Delaware law, case law examples, checklists and numerous forms are provided throughout the publication. The almost 100 sample forms cover various topics including corporate agreements, stock purchase agreements, shareholder agreements and certificates of dissolution. The publication meets all needs in advising a business client through all stages of the business life-cycle from creating, to maintaining, to modifying, or dissolving a business entity.

NS PRINT • 2 volumes, loose-leaf, updated annually, Pub. #01323, ISBN 9780820558127

CSC® Illinois Laws Governing Business Entities Annotated

Access the most important business entity laws you need to transact business in Illinois—including opinions and editable PDF forms—with this fully annotated collection of statutes on corporations, partnerships, limited liability companies, nonprofit corporations, securities, associations, names and records, secured transactions, and more.

Its more than 50 statutory changes since the last edition show you how to eliminate certain filing requirements, allow nonprofit corporations to act by unanimous written consent in lieu of a meeting and vote, and act on other streamlined legal revisions. Also includes over 60 new case annotations from state and federal court decisions.

ESTATES, GIFTS AND TRUSTS LAW

Illinois Estate Planning, Will Drafting & Estate Administration Forms, with Practice Commentary, 3rd Edition

David A. Berek

This work reflects the latest legal thinking on scores of issues, with chapters on the estate planning process, will and trust fundamentals, specialized issues, such as value-shifting techniques and generation-skipping transfers, and probate and estate administration in Illinois. It is ideal both for newcomers to the law as well as experienced practitioners, handling *pre-death* estate planning or *post-death* probate and estate administration matters.

It combines a learned treatise, featuring:

- A separate chapter clarifying complex asset valuation rules
- An expanded discussion of planning for disabled beneficiaries, accompanied by supplemental needs trust forms
- Additional material on installment sales, particularly installment sales to a grantor trust
- A separate chapter devoted to estate planning with limited partnerships and LLCs
- A wealth of forms, including various powers of withdrawal and trustee succession alternatives, irrevocable insurance trusts (both for single life and second-to-die policies), and irrevocable grantor trust provisions

FAMILY LAW

Gitlin on Divorce: A Guide to Illinois Matrimonial Law, 3rd Edition*H. Joseph Gitlin*

The authority on Illinois divorce law, cited consistently and extensively by Illinois courts. This set focuses on the realities of family law practice in Illinois, delivering seasoned analysis in a uniform, from-the-trenches style. Attorneys can confidently turn to its comprehensive substantive coverage, procedural guidance, and court-tested forms and charts, such as those disclosing patterns in spousal maintenance awards by Illinois courts.

The author stresses practical commentary and analysis in drawing on more than 40 years of experience and examines exhaustively each provision of the Illinois Marriage and Dissolution of Marriage Act in its conceptual framework and directs you to relevant case law interpreting the statute.

NS PRINT • 3 volumes, loose-leaf, updated annually, Pub. #81173, ISBN 9780327158356

eBOOK • eISBN 9780327171973

Gitlin's Illinois Annotated Family Practice Desktop Code

While virtually all family law in Illinois has become statutory, family law lawyers or judges still often need to apply the statute in the court of reviews. This masterful reference serves up the statutory subjects those practicing domestic relations or family law must know—providing the full statute text plus casenote annotations.

You get the letter of the law on core family issues like marriage, premarital agreements, family and child support, custody, surrogacy, adoption, and domestic violence as well as related laws governing children and family services, public aid for needy families, elder abuse and neglect, newborn and child abuse, child protection services, and more. Includes Illinois Supreme Court rules on child support, appeals on juvenile court proceedings, and others.

GENERAL PRACTICE

Illinois Jurisprudence

Perfect for firms with general practices, this indispensable encyclopedia of Illinois law is the cornerstone of any library and the ideal place to start your research on virtually any topic. Quickly get an overview of prevailing Illinois law and quickly move on to referenced procedural guides, forms, on-point cases, statutes and more for these topical Legal Encyclopedia topics:

- Business relationships
- Civil procedure
- Commercial law
- Criminal law and procedure
- Education law
- Family law
- Health law
- Insurance law
- Labor and employment
- Municipal law
- Personal injury and torts
- Probate, estates and trusts
- Property law
- Workers' compensation

Illinois Jurisprudence provides an encyclopedic analysis of the standard subjects most pertinent to everyday practice. It presents a concise textual presentation of law based on modern authority, with an emphasis on emerging concepts and cases decided within the last fifty years. All relevant statutes and rules are discussed and administrative regulations are cited, as are a variety of research references. Comments, Cautions, Illustrations, Practice Guides, Recommendations and Reminders point out strategies to follow and pitfalls to avoid, show the application of the law to factual situations arising in Illinois and otherwise call attention to matters of practical significance to the Illinois lawyer.

PERSONAL INJURY & TORT LAW

Illinois Governmental Tort and Section 1983 Civil Rights Liability, 3rd Edition*Steven Puiszis*

Treats comprehensively the tort liability of municipal and local governmental entities in the state, and the defenses available to them. If you're an attorney involved in litigation against a local governmental entity in Illinois, whether it's a police department, a school district, or a sanitation department, this is the resource you'll want to turn to first. With its analysis of the Local Tort Immunity Act, Illinois Governmental Tort and Section 1983 Civil Rights Liability is also an essential reference for risk managers of local governmental entities in Illinois. This edition includes sections in every chapter and has current analyses of:

- Medical liability
- The Public Defender and Appellate Defender Immunity Act
- The Good Samaritan Act
- Absolute immunity for prosecutors and judges
- The need to join federal and state claims in one action against a municipality
- Municipal liability for police, fire, and EMS services
- Immunities for discretionary activities

ESTATES, GIFTS AND TRUSTS

Henry's Indiana Probate Law and Practice*Daniel R. Gordon, Jeffrey B. Kolb, John A. Cremer*

Henry's has been cited 17 times by the courts of Indiana, including twice by the Indiana Supreme Court and 15 times by its Court of Appeals. More than a century old, this trusted treatise covers the Indiana probate and trust codes and analyzes the impact of recent legislative changes and judicial decisions on these codes. It features a logical, chronological approach to every stage of the probate process. It also includes detailed treatment of the necessary tax returns to be filed by the estate. Specifically, coverage includes:

- The history and philosophy of Indiana probate law
- Judicial officers, records, pleadings, and rules
- Jurisdiction, venue and notice
- Necessity of administration;
- Qualifications of the personal representative
- Bonds

The set is also loaded with model forms, as well as helpful practice tools like checklists of “to-do’s” for the Indiana probate lawyer. Finally, the set also includes: a Topic Index, Table of Statutes, and Table of all Indiana and Federal cases cited in the set.

Maine Probate Procedure*Hon. James E. Mitchell*

A completely up-to-date guide to the use of the Official Probate Forms and Suggested Forms and Materials promulgated by the Supreme Judicial Court. Retaining much of the still-valuable original text by Judge Mitchell, this revision updates the format to include commentary on appropriate use of each of the 13 major categories of official forms and related procedural guidance including citations to new statutory and case law developments; suggestions on how to prepare each official form - when and how to use it; supplemental sample forms and instructional commentary about the use of each; a revised format increasing accessibility of the commentary, including a new subject matter index; a Directory of Probate Judges.

NS PRINT • 1 volume, loose-leaf, updated annually, Pub. #81680, ISBN 9780327010456

FAMILY LAW

Maine Family Law: Divorce, Separation and Family Annulment*Hon. Jon David Levy*

This practical "how to" resource provides all the laws, procedural guidance, and substantive analysis you need to build a successful family law practice. It analyzes clearly and exhaustively the substantive principles of Maine matrimonial law, including issues of jurisdiction, mediation, parental rights and responsibilities, property distribution, spousal support, and settlement agreements. It also features time-saving forms, sample documents, and other practice aids.

NS PRINT • 1 volume, softbound, Pub. #81640, ISBN 9781422473832

GENERAL PRACTICE

Maine Jury Instruction Manual, 4th Edition*Hon. Donald G. Alexander*

This title includes many instructions and a new discussion of practice points for closing arguments. In addition to sample instructions, the manual offers expert commentary on convening the jury panel, jury selection and voir dire, and return of the verdict. It shows you how to present information in layman's terms, enabling more effective communication with jury panels. Also provides extensive cross-references and online hyperlinks to the pattern criminal jury instructions for the District Courts of the First Circuit, with a cross-reference table and cross-references in related individual jury instructions. It includes new tables of cases and statutes, references to Maine-specific websites that have information on related jury issues, and a comprehensive index.

NS PRINT • 1 volume, loose-leaf, updated annually, with companion forms, Pub. #81655, ISBN 9780327161905

Maryland

PRIMARY LAW

Michie's™ Annotated Code of Maryland

The most authoritative source for annotated Maryland primary law, this set includes:

- Authoritative statutory text, fully annotated
- *Maryland Rules Annotated*
- Advance Code Service published three times per year
- A comprehensive index, replaced annually
- Fully annotated cumulative supplements published annually within 90 days of receipt of all acts from the legislature
- Annotations based on cases, select law reviews and attorney general opinions
- All case citations *Shepardized* for accuracy

LexisNexis also publishes an Advance Legislative Service (ALS). Available separately, the ALS gives you the latest emergency legislation updates and session laws as they are passed, along with handy tables showing you what sections of the code are affected.

Maryland Advance Court Rules Review Service

Linda M. Schuett

This publication provides an overview of activity in the state and federal court systems in Maryland, with extensive content that offers:

- Recent rules, amendments, additions and repeals
- How a rule's text has changed, with editorial notes that describe the changes and provide effective dates
- Proposed rules changes for comment and review on behalf of the Maryland Court of Appeals and federal courts

Practitioners can stay abreast of the latest developments with a cumulative table of rules affected, which indicates whether the change is proposed or has been ordered.

S PRINT • Published 6 times per year, Pub. #41250, ISBN 9780327110460

Maryland Code Citorator

Rely on this publication for case history on each case appearing in *Michie's Annotated Code of Maryland*. Like the generations of lawyers who have *Shepardized* to retrieve comprehensive lists of cases and other sources that have cited their case or statute as well as validate their authorities, check the Maryland citations to help you:

- Be sure a case is still good law, using time-tested legal analysis to verify the current status of your authority
- Find additional supporting authority, including citations from decisions of Maryland courts, the U.S. Supreme Court and lower federal courts
- Locate secondary sources dealing with your issue, including law reviews and annotations

Compiled by the editorial staff of the publisher, working with the *Shepard's* Citations group, this thorough resource also includes the location in the Code for each citation.

Maryland Rules Commentary, 3rd Edition

Linda M. Schuett, Paul V. Niemeyer

Often cited by the appellate courts, this treatise, written by experts who helped draft the Maryland Rules, explains the rules and provides practical advice on how to apply them, guiding you from commencing the action through trial and judgment. Includes commentary on rules governing the issuance of injunctions and writs of mandamus, which are broadly applicable to all types of civil litigation pursued in the circuit courts of Maryland.

NS PRINT • 1 volume, hardbound, with supplement, Pub. #65112, ISBN 9780327161691

CIVIL PRACTICE & PROCEDURE

Maryland Civil Procedure Forms, 3rd Edition

Robert D. Klein

Conveniently arranged in the order of the rules, this manual provides:

- Expert commentary to help you understand each rule's requirements
- Practice considerations applicable to the rule
- Sample forms designed to satisfy the rule right at your fingertips
- Key cases that illustrate the reasons for drafting a form in the manner illustrated
- A detailed subject matter index enabling you to locate items by concept

All forms in the manual are available on disc, allowing you to quickly draft, customize and modify documents.

Modern Maryland Civil Procedure, 2nd Edition

Richard W. Bourne, John A. Lynch Jr.

This treatise describes how the Maryland Rules interact with statutory and common law rules governing original and appellate jurisdiction, venue, trial by jury and res judicata. It also discusses extensively the judicial interpretation of the rules. It addresses many unanswered questions about the direction of Maryland law in light of the experience of other states and the federal courts. It also discusses recent changes in Maryland law, including subject matter jurisdiction, the right to trial by jury and discovery rules.

Massachusetts

PRIMARY LAW

Annotated Laws of Massachusetts

Most judicious choice in Massachusetts codes service. It provides comprehensive, fully annotated coverage of the Massachusetts General Laws, selected special laws, court rules, and the Massachusetts and U.S. constitutions—and arms you with:

- Authoritative statutory text plus fully annotated Massachusetts Court Rules
- A comprehensive 3-volume index, replaced annually, and a tables volume, supplemented annually
- Annotations based on cases, all U.S. law reviews and journals and Attorney General Opinions, as well as findings from key administrative agencies such as the Commission Against Discrimination, Labor Relations Commission and the Department of Revenue
- *Massachusetts Laws Annotated Advance Legislative Service* and *Massachusetts Laws Annotated Quarterly Update Service* (also available separately)
- Legislative acts annotated from 1994 and indexed from 1921

Provides reference to all Massachusetts cases, federal cases arising in Massachusetts, over 65 state and national treatises, 760 state and national law reviews and journals, and attorney general and administrative agency decisions. All case citations have been *Shepardized* for accuracy. LexisNexis also publishes a Quarterly Update and Advance Legislative Service (ALS). The Quarterly Update is published three times per year and includes updated statutory law, case notes and research references. The ALS gives you the latest session laws as they are passed along with handy tables showing you what sections of the code are affected.

S PRINT • 102 volumes, hardbound set kept current through monthly advance service, quarterly interim supplements and annual cumulative supplements, Pub. #43002, ISBN 9780327100218

Massachusetts Estate Planning, Will Drafting and Estate Administration Forms, 2nd Edition

John H. Clymer, Katherine L. Babson, Robert G. Bannish

Find up-to-date coverage of Massachusetts estate planning, probate and estate administration with this exhaustive work that provides expert guidance and insightful commentary in planning the disposition of your client's assets. Forms and checklists offer valuable starting points for drafting documents.

The authors pull together primary legal sources, as they analyze these and many other topics:

- Basics of estate planning
- Acquisition of necessary data
- Income-shifting devices
- Estate freezing techniques
- The generation-skipping transfer tax
- "Simple" wills and pour-over wills
- Fiduciary and attorney fees in the settlement of estates

FAMILY LAW

Guardianship and Conservatorship in Massachusetts, 2nd Edition

John H. Cross, Robert D. Fleischner, Jinanne S.J. Elder

Used by bench and bar, this complete practice manual covers the appointment of guardians and conservators of mentally disabled individuals and children. Learn the workings of the system—all the players, rules and documents that are necessary to do your job well. Devise strategies guided by authors who have "been there" and understand the huge demands on your time. Learn, for example, how to persuade the court regarding difficult questions such as: a person's right to die, whether to medicate for psychotic symptoms, whether to limit or expand a guardian's powers, a ward's right to vote, whether a mentally retarded woman can be sterilized, or whether a child should be removed to the custody of the DSS.

NS PRINT • 1 volume, hardbound, with supplement, Pub. #81523, ISBN 9780327109914
Volume 8 in the Massachusetts Legal Practice Library.

Massachusetts Family Law Journal

Monitor trends in Massachusetts family law with this bimonthly journal whose articles by state practitioners, judges and law students give you fresh insights into court tendencies in treating family law issues. Articles cover the gamut of family law topics and include the full text of significant trial court decisions plus summaries of selected trial and appellate cases.

GENERAL PRACTICE

Massachusetts Legal Practice Library

The MLPL is a series of authored works covering core areas of Massachusetts legal practice, including some of the fastest growing areas of litigation. These timesaving resources will provide you with practical solutions that are backed by current case law and applicable citations. Within each volume, the authors give suggestions and advice based on years of specialization in their field. It’s all here in these concise and indispensable references.

Drawing upon the expertise of some of the most distinguished judges and practicing attorneys in Massachusetts, the MLPL is destined to become the most comprehensive, authoritative and practically focused reference tool available to Commonwealth attorneys.

PERSONAL INJURY & TORT LAW

Massachusetts Legal Practice Library: Massachusetts Tort Damages, 2nd Edition

Michael B. Bogdanow

An essential resource for practitioners looking to build a winning tort case in the Massachusetts courts. It is an easy-to-use desk reference that can easily be taken into the courtroom. This book helps counsel evaluate damage claims, handle discovery requests, formulate jury instructions, select expert witnesses and analyze the grounds for and scope of recovery and proof of damages.

REAL ESTATE LAW

Massachusetts Legal Practice Library: Massachusetts Landlord-Tenant Law, 2nd Edition

George Warshaw

This comprehensive resource explores the effective handling of basic and complicated residential and commercial landlord-tenant questions. In addition to detailing the potent “substantive rights” created by the State’s Consumer Protection Act (Chapter 93A), it analyzes the differences between various rent control statutes of municipalities such as Boston, Cambridge and Brookline and offers settlement strategies for both landlords and tenants. Plentiful citations to authority help you support your case.

Michigan

PRIMARY LAW

Michigan Compiled Laws Service

Now you can afford the convenience of *Michigan Compiled Laws Service* (MCLS) right in your office. Broaden your understanding of Michigan statutes and court rules—quickly, easily and affordably—with comprehensive annotations to statutes and court rules. MCLS combines authoritative coverage of Michigan law with logical and intuitive features to form an indispensable resource, at a fraction of the cost of comparable alternatives. Features include:

- Official numbering
- Fully annotated statutory text and annotated cumulative supplements
- Quarterly updates with additional annotations and case notes
- Numbered and topically labeled volumes for easy reference

Michigan CLS Advance Legislative Service (ALS) and *Michigan CLS Quarterly Update Service* are included—making this resource comprehensive and indispensable. The ALS, usually published eight times a year, provides the latest session laws as they are passed, with changes indicated, along with handy tables showing you which sections of the code are affected.

BUSINESS & CORPORATE LAW

Michigan Corporation Law with Federal Tax Analysis

*Robert M. Schmidt (original author);
Charles W. Borgsdorf, Matthew P. Cavitch,
Zolman Cavitch*

This practice-oriented guide to Michigan corporation law is an ideal resource on how to form, operate and terminate businesses in Michigan and provides important information on the tax implications associated with each of the different types of corporate entities.

Specific topics covered include pre-incorporation planning; the mechanics of incorporation; shareholders' rights; the purchase, sale and dissolution of businesses; LLCs; S corporations; state securities regulations; and federal and state tax law. Each chapter includes commentary, practice tips and references to relevant state and federal case law, Michigan statutes and federal statutes, including the Internal Revenue Code. Useful forms are included in the second volume.

Minnesota

GENERAL PRACTICE

Dunnell Minnesota Digest

Drawing on Minnesota Supreme Court and Court of Appeals cases, statutes, and rules since 1910, this encyclopedic work sets forth the current state of Minnesota law in over 350 legal areas.

From abandonment to larceny, marriage to workers' compensation, it helps expand your research quickly—giving you fast access to:

- Expert analysis of current Minnesota cases, statutes and other sources with easy-to-scan subject headings, summaries outlining the scope of each area, useful cross references to related subjects, citations to historical and supplemental information, and more
- Appropriate administrative rules, regulations, and decisions—including attorney general opinions
- Constant revisions and ongoing updates—to keep you abreast of changes in criminal law (such as admissible evidence, scientific tests, witness testimony, and appeals) and other fast-moving practice areas

S PRINT • 57 volumes, hardbound with supplement, Pub. #80050, ISBN 9780866780025

Minnesota Civil Practice, 4th Edition

Douglas McFarland, William J. Keppel

From the client interview to final judgment and appeal, locate what you need more easily than ever before with the most current, comprehensive Minnesota civil litigation coverage available.

This landmark work incorporates the latest case interpretations, statutory changes, and rules amendments and other recent developments in such topics as spoliation of evidence, alternative dispute resolution, use of experts, reconsideration of motions, sanctions for bad faith, and more.

FAMILY LAW

New Jersey Family Law, 2nd Edition

Alan M. Grosman, Cary B. Cheifetz

Stay sharp on all aspects of New Jersey family law with this authoritative guide at your fingertips. You get detailed treatment of this always-changing field, including grounds for divorce and annulment, equitable distribution of marital property, pre-marital and property settlement agreements, adoption, domestic violence, alimony and child support, custody and the Uniform Interstate Family Support Act (UIFSA).

Indispensable whether you're a general practitioner or a matrimonial attorney, the volume also covers discovery, trials, pre-trial and post-trial motion practice and features expanded discussions of mediation, arbitration and equitable distribution, and the creation and dissolution of civil unions. Nearly 90 time-saving matrimonial forms have been added to the existing collection.

BUSINESS & CORPORATE LAW

White, New York Business Entities, 14th Edition*Steven R. Gersz, General Editor*

Want expert guidance on setting up, running and terminating businesses in New York, plus important information about tax issues? In this set, you get section-by-section analysis of each provision of New York's Business Corporation Law, Limited Liability Company Law, Not-for-Profit Corporation Law, and Partnership Law. And it's paired with the full text of each statutory section, detailed legislative history, and cross-references to related sources to create the most comprehensive treatise available on New York's business laws. You also get a wealth of practical guidance, and many sections are amplified by relevant sample forms, agreements, specific clauses, and pleadings. The forms, which are grouped together for quick, easy access, include:

- Certificates of incorporation; certificates of registration
- Operating agreements; articles of organization; corporate by-laws
- Notice of annual meetings; meeting minutes; proxies; voting rights; voting trust agreements; quorum requirements
- Provisions for removal of directors; partnership interest assignments
- Certificates of amendment; plans of merger
- Petitions for dissolution; partnership dissolution agreements

This unique combination of analysis, primary source and forms has become the accepted authority on New York business entities.

CIVIL PRACTICE & PROCEDURE

New York Civil Practice: CPLR (Weinstein, Korn and Miller), 2nd Edition

Jack B. Weinstein, Harold L. Korn, Arthur R. Miller original authors;
David L. Ferstendig, General Editor

Recognized by the courts and the market as the authority on New York civil practice for more than 40 years, this treatise has made the analysis of eminent experts easily accessible and relevant. It captures the latest trends in case and statutory law and serves as the exhaustive source for research on New York civil practice. Modernized and enhanced for easier use, it features:

- Expert authors' commentary that provides unique insight into development of case and statutory law
- Organization—by statute—that emphasizes the most current legal developments and deemphasizes old law
- Procedural Context paragraphs, which describe each CPLR section's interrelationship with other statutes and the New York court rules, cross-refer to related CPLR sections, and explain significant recent amendments
- A Reference Appendix in each chapter that highlights related materials, including New York court rules, law review articles, references to key forms in *Bender's Forms for the Civil Practice: CPLR*, and citations to federal practice counterparts
- Introduction chapter provides an overview of coverage and suggestions on how to use this treatise in print and online

EVIDENCE

Bender's New York Evidence: CPLR

David Paul Horowitz; originally written by Louis R. Frumer and Elliot L. Biskind

Benefit from this comprehensive examination of the case law, statutes, and court rules that define evidentiary standards in New York. New York evidence law has developed primarily according to a common-law model and this title includes an analysis of both foundational cases and the most recent decisions interpreting the law.

Also included are analyses of key statutes (such as CPLR Article 45, Evidence) essential to an understanding of New York evidence. This title includes analysis of both civil and criminal evidentiary issues. It illustrates courtroom methods and techniques with sample sequences of direct and cross-examination.

INSURANCE LAW

New Appleman New York Insurance Law, 2nd Edition*Wolcott B. Dunham Jr., Aviva Abramovsky*

The second edition of *New York Insurance Law*, is now part of the Appleman series. Chapters have been reorganized to follow the practice of insurance law according to the work flow of insurance attorneys.

The treatise is structured into four parts: Overview, Principles and Practice, Types of Insurance Coverages, and Structure and Regulation of Insurance Industry.

Introductory scope sections have been added at the beginning of each chapter to give users a quick overview of each chapter. Descriptive section headings have been added for each chapter which makes it easy to scan chapters and find essential information. The content of each chapter is now organized to quickly get inexperienced and experienced users alike to the correct information. The second edition is also integrated with the Lexis electronic database providing search queries and strategies to find the most current New York and federal cases on-point

North Carolina

PRIMARY LAW

General Statutes of North Carolina

The General Statutes of North Carolina Annotated provides users with the official version of the North Carolina statutes from the same official publisher that has produced the General Statutes for over 65 years.

- The official state statutes, fully annotated
- *North Carolina Rules Annotated*
- A comprehensive index, replaced annually
- Cumulative supplements published within 90 days of receipt of all acts from the legislature
- Annotations based on cases, select law reviews, and Attorney General Opinions
- All case citations *Shepardized* for accuracy

LexisNexis also publishes a North Carolina Advance Annotation Service (AAS) and a North Carolina Advance Legislative Service (ALS), available separately. The AAS is published three times per year, providing annotations to the most current case law. The ALS gives you the latest session laws as they are passed, along with handy tables showing you what sections of the code are affected.

Robinson on North Carolina Corporation Law, 7th Edition

Russell M. Robinson II

A concise, one-volume practice guide on all aspects of setting up and maintaining business enterprises in North Carolina. Well-respected author, Russell Robinson, addresses choice of entity and formation, financing, corporate management, and rights and duties of shareholders. Sample forms are also included for reference. Also included is an overview of developments in federal law and Delaware corporate law that may affect the law of North Carolina. Focus is on corporations but also includes a separate chapter on limited liability companies. Topics include:

- Organization and powers of a corporation
- Rights and duties of shareholders
- Corporate management and financial matters
- Termination

CRIMINAL LAW

Criminal Procedure in North Carolina, 3rd Edition

Irving Joyner

A comprehensive reference to the rules, statutes, and case law affecting criminal procedure in North Carolina. In one convenient volume, it covers every procedural aspect of the criminal case, from arrest to appeal. Through careful analysis of the case law, the author points out where North Carolina Appellate Court decisions conflict with holdings of the U.S. Supreme Court.

North Carolina Criminal Defense Motions Manual, 1st Edition

North Carolina Advocates for Justice; Mike Klinkosum

Provides a practical, authoritative and comprehensive overview of motions practice in North Carolina. It discusses the common types of motions typically filed by criminal defense attorneys, along with practical guides and forms to help attorneys determine which motions to file and what sources to consult in litigating a criminal case.

This resource is written to help navigate the major purposes of motions practice in criminal court to:

- Test the legal bases for the prosecution's case
- Limit the evidence that will be introduced by the state
- Limit the charges that the defendant may be tried upon
- Discover and expand the evidence the defendant can present at trial
- Strengthen the defendant's legal claims
- Provide a record for possible appellate review

NS PRINT • 1 volume, hardbound, with supplement and companion CD-ROM, Pub. #30280, ISBN 9781422452295

North Carolina Criminal Law and Procedure

Gain fingertip access to the statutes pertaining to criminal law and procedure, motor vehicle law, juvenile law, and many related topics. This one concise volume offers the statutes that law enforcement professionals and trial attorneys need most often. It also includes a listing of applicable sections affected by recent legislation.

As an added bonus, you can complement your traditional book research with the powerful advantages of CD-ROM technology. A fully searchable, printable, and downloadable CD-ROM version of the book is included.

GENERAL PRACTICE

Brandis and Broun on North Carolina Evidence, 7th Edition

Kenneth S. Broun

This publication presents, in readily usable form, the law of evidence as it actually is in North Carolina today. The rules are stated as precisely as possible, and applications to particular situations are liberally noted either in the text or in the footnotes. General principles, and the accepted reasons for the rules, are given in most instances, not for the sake of theoretical exposition but as a guide to the decision of points which cannot be regarded as settled in North Carolina.

REAL ESTATE LAW

Webster's Real Estate Law in North Carolina, 6th Edition

Patrick K. Hetrick, James B. McLaughlin Jr.

Lawyers in North Carolina have long relied upon Webster's Real Estate Law as the authoritative reference for North Carolina real estate law. This classic handbook remains the single most important source for real estate law in the state. Featuring both expert analysis of the law and time-tested forms, it:

- Presents the North Carolina courts' holdings on virtually thousands of questions concerning property law
- Covers the fundamental principles of the law of real property as developed and defined by North Carolina legislation and judicial opinion
- Includes updated standard real estate forms approved by the North Carolina Bar Association
- Contains tables of statutes and cases and an easy-to-use index.

North Dakota

PRIMARY LAW

North Dakota Century Code Annotated

Smart North Dakota practitioners turn to this peerless set as the only source they can trust for annotated North Dakota primary law. The first and last word in North Dakota statutory research, its 24 volumes plus current cumulative supplement brings together:

- The official state statutes, fully annotated
- *North Dakota Court Rules Annotated*
- Comprehensive index, replaced biennially
- Fully annotated cumulative supplements published biennially by August 1 of each session year
- Annotations based on all North Dakota cases and federal cases arising in North Dakota, state law reviews, and ALR

As you'd expect, all case citations have been *Shepardized* for accuracy—and the set includes Advance Code Service (published three times a year, providing annotations to the most current case law.) Available separately is an Advance Legislative Service to keep you on top of laws in the North Dakota pipeline.

S PRINT • 24 volumes, hardbound, and 1 softbound index, updated biennially, Pub. #46705, ISBN 9780327119197

ELDER LAW

Anderson's Ohio Elder Law Practice Manual

Gregory S. French, Ruth R. Longenecker and Richard T. Taps

As the legal issues affecting America's elderly become more and more complex, elder law continues to grow as a legal specialty. Anderson's Ohio Elder Law Practice Manual (formerly known as Financial and Health Care Planning for the Elderly in Ohio) has been completely revised and contains the latest analysis, forms and statutes relating to the practice of elder law in Ohio.

Topics covered include ethics, powers of attorney, living trusts, and Medicaid issues, among others. Although the emphasis is on Ohio law, reference is also made to certain laws of Indiana, Kentucky and Florida that may be of interest to Ohio practitioners. Also included is a CD-ROM containing 10 forms that are especially relevant to the practice of elder law in Ohio.

GENERAL PRACTICE/LITIGATION

Ohio Jury Instructions

The Ohio Jury Instructions Committee of the Ohio Judicial Conference

For strategic insight into any civil or criminal case, turn to the one source that defines the key elements essential to proving or defending it from the outset. The set provides clear initial guidance on any matter and will prove invaluable to case and trial preparation, even in the majority of cases that never make it to court. This essential three-volume set features:

- The latest pattern instructions drafted and issued by the Ohio Civil and Criminal Jury Instructions Committees of the Ohio Judicial Conference
- Commentary on the instructions directly from the judges who wrote them
- Updated references to all relevant state and federal statutes and cases, and Ohio Revised Code sections
- A reorganized format that facilitates faster and easier research
- Explanatory Committee Notes

As the official pattern instructions used by all Ohio judges, Ohio Jury Instructions is indispensable to your practice and to every partner, associate and paralegal in your firm—and it's available in print and CD-ROM only from LexisNexis and features several notable enhancements to facilitate your research:

- The Civil and Criminal instructions are now organized in self-contained units and available separately
- General Instructions have been incorporated as needed into substantive Civil and Criminal Instructions
- Jury instructions have been renumbered to include a prefix (CV, CR) identifying the instruction as Civil or Criminal
- A handy Correlation Table in each volume identifies new and old section numbers
- Each volume includes a comprehensive General Index

Pennsylvania Civil Practice, 4th Edition

Kevin A. Hess, Seth A. Mendelsohn, Nathan C. Wolf, Stacy Barker Wolf

Integrates the most relevant, accurate, and up-to-date case law with the Pennsylvania Supreme Court's latest Rules of Civil Procedure and practice, referencing Pennsylvania Statutes and Consolidated Statutes. This handbook outlines each step in the trial process, from establishing jurisdiction to preparation for appeal, and includes citations to leading cases for each point discussed. Practice notes guide attorneys through everyday dilemmas, beyond a simple reading of the Rules. The publication complements electronic research by providing summaries and references to online LexisNexis services.

CONSTRUCTION LAW

The Complete Guide to Mechanic's and Materialman's Lien Laws of Texas

Sterling W. Steves, Brenda T. Cubbage

Filing deadlines are crucial to the success (or failure) of a claim. This publication covers the entire process of filing, perfecting and foreclosing liens in a clear, step-by-step manner and provides a concise, detailed analysis of lien laws governing both private and public construction projects, and includes in-depth discussion of notice, limitations, and attorney fees. Also included are chapters on the specific topics of bonds, the trust fund statute, bankruptcy, and oil, gas and mineral liens.

ENVIRONMENTAL & ENERGY LAW

Texas Wind Law

Ernest E. Smith, Steve K. DeWolf, Roderick E. Wetsel

Wind law is a burgeoning area of energy law as the U.S.—especially Texas—tries to diversify sources of alternative energy. With so much happening so quickly, this timely volume of laws, regulations and rulings is valuable to all attorneys involved in energy law. Whether you represent an energy company, municipality, state or federal agency—or a party wishing to lease out a property for a wind farm—you'll want to turn here first. From litigation over the location of wind farms, to drafting the right documents, to federal, state and local government incentives (including tax credits), here are the topics you need to know, including:

- Major elements of the wind energy lease
- Conveyance
- Severance of wind rights
- Litigation, permitting and legislative efforts
- Transmission issues
- Energy purchase agreements
- Offshore leasing
- Compliance with ERCOT protocols, Texas Public Utility Commission regulations, and all other relevant laws and regulations

Texas Law of Oil and Gas

Ernest E. Smith, Jacqueline Lang Weaver

Whether you specialize in oil and gas law or encounter those issues as an adjunct to another field of concentration, you'll find the valuable information you need in this treatise. Volume 1 focuses on the common law of oil and gas, legal doctrines on ownership and conveyance of mineral and royalty deeds, and oil and gas leases. In Volume 2, find statutes and Railroad Commission rules governing conservation of oil and gas in Texas via regulation of drilling, production, and voluntary unitization. Volume 3 covers the Mineral Interest Pooling Act, the Common Carrier and Common Purchase Acts, and statutes on well plugging and pollution control, as well as the latest on farmouts, assignments and operation agreements.

FAMILY LAW

Court-Appointed Legal Representation of Children in Texas Family Law Cases

Debra H. Lehrmann

A practical guide for attorneys, this publication is a groundbreaking work, with coverage of the new Texas standards for court-appointed representation. It includes full discussion of the case and legislative history leading up to passage of the 2003 legislation that overhauled the Texas Family Code Chapter 107, as well as comparison with national standards adopted by the American Bar Association, the National Association of Counsel for Children, and the American Academy of Matrimonial Lawyers. Also provides step-by-step guidance for each type of court appointment, whether as *amicus*, or attorney *ad litem*, or in a dual role.

Texas Family Law Practice and Procedure

Brian L. Webb, Sally H. Emerson, Hon. Ann Crawford McClure, 8th District Court of Appeals, editorial consultants

Thoroughly detailed exposition of all aspects of family law practice in Texas. Covers every aspect of family law governed by the Texas Family Code, from marital dissolution and suits affecting the parent-child relationship to local and interstate enforcement and modification of conservatorship, child support, and spousal support orders. Uniquely organized by objectives and tasks, the set also covers related matters such as dividing and valuing community property, premarital agreements, marital property agreements, adoption, cohabitation, paternity, torts and the family, and children's issues (including guardianship and emancipation). Explanation of the law, both substantive and procedural, is joined with practical pointers and forms from leading Texas family law practitioners to give the reader clear, precise guidance in transactions and litigation involving Texas family law.

Texas Civil Trial and Appellate Procedure

Jeremy Wicker

An invaluable reference for the Texas attorney engaged in civil and appellate practice. The book's comprehensive scope and attention to detail offer litigators a solid understanding of the law. Also included are analyses of court rules, statutes and cases governing all stages and aspects of civil trial and appellate procedure in Texas. This all-inclusive work offers a keen appreciation of the underlying laws that govern civil trial and appellate procedure plus insightful answers to complex procedural questions.

NS PRINT • 3 volumes, loose-leaf, updated annually, Pub. #68995, ISBN 9780327101352

Texas Civil Trial Guide

Professor William V. Dorsaneo III, Earl Johnson Jr., original authors

An innovative practice tool for civil practitioners, this guide provides substantive and procedural guidance to the evidentiary issues encountered throughout the trial process. Also covers pretrial issues such as trial settings, continuances, special exceptions, pleadings and amendments, disqualification and recusal motions, consolidations, severance, and separate trial and jury selection. Coverage highlights include:

- Presenting and opposing motions *in limine*, using affidavits as foundations for documentary evidence
- How to object and how to respond to an objection on all grounds, including relevancy, competency, "best evidence," and hearsay
- Assertion of privileges, admission of opinions, and effective cross-examination
- Scripts illustrating what to say in court
- Direct quotes of relevant statutes and rules
- Leading case authorities
- Master checklists of motions
- Practice points

Texas Courtroom Evidence

Chief Justice Phillip D. Hardberger,
original author

For years, Texas lawyers have relied on *Texas Courtroom Evidence* for current analysis of evidence rules and objections. Revised and updated throughout, this essential handbook gets you right to the information you need without a wasted moment. Tabbed and indexed with a unique center topical index, it provides quick access to the law on points of admissibility. Each subject heading is keyed to a numbered tab to lead you to the most current case law and rules in that area. For each subject, the text compares the Texas Rules of Evidence with the Federal Rules of Evidence as interpreted by existing case law.

Texas Transaction Guide: Legal Forms

Herbert S. Kendrick (1934 – 1990), John J. Kendrick Jr., original editors;
Publisher's Editorial Staff

With this publication you can efficiently prepare expert documents. With extensive cross-referencing to all the sources in your library, this title will connect you to research tools you use every day as well as those you use less frequently. In six units, it covers business entities, wills and trusts, commercial, real estate, and personal transactions. Each unit is divided into chapters that focus on a broad spectrum of transaction forms in that area of practice. This highly organized format makes it simple for you to find exactly which form you need, when you need it, covering:

- Over 250 forms to provide practitioners the content necessary to handle the types of transactions engendered by a tough economy
- Logical organization to quickly locate the right form needed
- The tools necessary to maintain and grow your practice even in difficult times

Utah

PRIMARY LAW

Utah Code Annotated

For more than 50 years, Utah practitioners have turned to *Utah Code Annotated* as the official source for Utah primary law research. It covers:

- The official state statutes, fully annotated
- *Utah Court Rules Annotated*
- Utah Code of Judicial Administration
- A comprehensive index, replaced annually
- State and federal constitutions
- Re-codification tables and tables of session laws
- Cumulative supplements published annually within 90 days of receipt of all acts from the legislature
- Annotation citator
- Annotations based on amendments and uncodified legislation enacted by the Utah Legislature; cross-references to relevant statutes and court rules; cases; select law reviews; and American Jurisprudence (Am. Jur.) and Corpus Juris Secundum (C.J.S.)
- All case citations *Shepardized* for accuracy
- *Advance Code Service (ACS)* published three times per year, providing annotations to the most current case law.

Available separately, an *Advance Legislative Service (ALS)*, giving you the latest session laws as they are passed by the Utah Legislature.

LAW ENFORCEMENT

Utah Auto Law

Not only does this treatise discuss in great and meticulous detail the core legal issues of auto accident law (e.g., insurance coverage, bad faith, damages, subrogation, traffic law), it also discusses in similar detail tangential issues (e.g., negligent entrustment, agency, exclusive remedy) that can arise in some cases.

The publication provides for both plaintiff and defense perspectives and is designed to serve attorneys, judges and claims adjusters. With its detailed table of contents and concise text, this single-volume treatise is as handy as it is thorough, with readers finding it indispensable in both the office and the courtroom.

NS *PRINT* • 1 volume, hardbound, with supplement, Pub. #01546, ISBN 9781422470879

Utah Criminal and Traffic Code

Gain ready access to criminal law and procedure and traffic laws as well as many related statutes and rules. In one concise volume you'll have the annotated statutes and Superior Court Rules that law enforcement professionals and trial attorneys need most often. Vermont

PRIMARY LAW

Vermont Statutes Annotated

When you need to research Vermont statutory law, cite the only official Vermont Code—exclusively from LexisNexis. Complete with annotations written by attorney-editors, this authoritative resource includes:

- The official state statutes
- Vermont Rules of Civil and Criminal Procedure
- Vermont Probate Rules
- A comprehensive index, replaced annually
- Cumulative supplements published annually within 90 days of receipt of all acts from the legislature

On-point annotations are based on all reported cases from Vermont state appellate courts, Vermont federal district courts, the federal Second Circuit and the U.S. Supreme Court—as well as select law reviews and Attorney General Opinions. All case citations are *Shepardized* for accuracy.

LexisNexis also publishes the fully annotated *Vermont Court Rules Annotated* and *Vermont Advance Legislative Service (ALS)* at affordable prices. The Court Rules puts all the important court rules you need for your Vermont practice at your fingertips. The ALS gives you the latest session laws as they are passed, along with handy tables showing you which sections of the Code are affected.

Virginia

PRIMARY LAW

Code of Virginia

Virginia practitioners know there is only one source they trust for annotated Virginia primary law—*Code of Virginia*. Used by the state courts and legislature, it is the official code for up-to-date, comprehensive sources to annotated Virginia primary law. It contains:

- The official state statutes, fully annotated
- A comprehensive index, replaced annually
- Fully annotated cumulative supplements published by July 1 each year
- Annotation citator
- Annotations based on state and federal cases, selected unpublished opinions of the Court of Appeals of Virginia and Virginia Circuit Court opinions, attorney general opinions, and select law reviews
- All case citations *Shepardized* for accuracy
- *Advance Code Service* (ACS) published three times per year, providing annotations to the most current case law.

Available separately, an *Advance Legislative Service* (ALS) gives you the latest session laws as they are passed, along with handy tables showing you what sections of the code are affected.

CRIMINAL LAW

Virginia Criminal Benchbook for Judges and Lawyers

*Supreme Court of Virginia
Benchbook Committee*

Based upon the Rules of the Virginia Supreme Court and written to provide an essential standard reference for circuit court judges in the performance of their duties, this publication covers hundreds of situations arising in the courtroom. The concise, outline format with margin notes highlights essential court rules, statutory provisions, and key cases, and gives judges, court staff, and lawyers a road map through virtually any criminal proceeding. Comprehensive in scope, it examines practically every phase of a criminal proceeding from grand juries and pretrial to contempt and commitment of sexually violent predators.

An appendix includes numerous sample jury admonishments, oaths administered in court, questions, voir dire, and objections, as well as suggested procedures in various criminal proceedings.

Virgin Islands

PRIMARY LAW

Virgin Islands Code Annotated

The first and last word in U.S. Virgin Islands statutory research, the *Virgin Islands Code Annotated* includes:

- 15 volumes plus current cumulative supplement
- The official statutes of the U.S. Virgin Islands, fully annotated
- Comprehensive index, replaced annually
- Fully annotated cumulative supplements published annually within 90 days of receipt of all acts from the legislature
- Annotations based on all Virgin Islands cases and federal cases arising in the Virgin Islands
- All case citations *Shepardized* for accuracy

LexisNexis also offers separately a Virgin Islands Advance Code Service (ACS) and Advance Legislative Service (ALS). The ACS is published annually, providing annotations to the most recent case law. The ALS gives the latest session laws as they are passed, along with handy tables showing you what sections of the Code are affected.

S *PRINT* • 15 volumes, hardbound, with supplement, Pub. #48953, ISBN 9780880635394

Washington

PRIMARY LAW

Annotated Revised Code of Washington

When you need to research Washington statutory law, rely on the resource that delivers superior annotations, more timely service and a better format than any other annotated Washington code—at a less expensive price.

Turn here for authoritative statutory text and the most exact and insightful annotations to Washington statutes available. You get:

- The complete text of the Revised Code of Washington as obtained from the Code Reviser for the State of Washington
- A quick-search index, updated and replaced annually
- Cumulative supplements containing the latest amendments and revisions and providing the latest case law annotations
- On-point annotations relating judicial explanations and interpretations of statutory and constitutional provisions based on all reported Washington Supreme Court and Court of Appeals opinions; federal court opinions, including the U.S. Supreme Court, the 9th Circuit Court of Appeals and the United States District Courts for the Western and Eastern Districts of Washington; citations to law review articles from Washington law schools; and Washington Attorney General Opinions
- All case citations *Shepardized* for accuracy

LexisNexis also publishes a Washington Advance Code Service (ACS) at an affordable price. The ACS is published three times a year, providing annotations to the most current case law after the legislature has adjourned each year but before the official code is available.

S PRINT • 28 volumes, softbound, with supplement, replaced every other year, Pub. #49305, ISBN 9780327100416

Shepard's® Citations Service

Since 1873, *Shepard's*® Citations Service has been the legal community's early warning system, alerting attorneys and judges to vital changes in the authorities used as case foundations and even leading researchers to newer, stronger cases.

Whether you're beginning your research or doing a last-minute check before going to court, rely on *Shepard's* to confirm that your citations are still good law, monitor changes to your cases with automatic alerts, discover potential splits of authority, and even spot weaknesses in opposing briefs.

Only *Shepard's* gives you "full spectrum analysis" that interprets how a judge actually treats a case, giving you the confidence that you have the most complete, detailed analysis of a court's actions to build your arguments efficiently and confidently.

"It is really inexcusable for any lawyer to fail, as a matter of routine, to *Shepardize*™ all cited cases.... *Shepardization* would of course have revealed that the 'precedent' no longer qualified as such."

—*Gosnell v. Rentokil, Inc.*, 175 F.R.D. 508, 510 n.1

Shepard's Citations Service at *lexis.com*®

Shepard's Citations Service at *lexis.com* combines the most complete, detailed analysis of a court's actions with exclusive efficiency tools to help you validate your research with unsurpassed speed.

Most Complete Editorial Analysis

Only *Shepard's* covers the complete spectrum of editorial analysis, which is prepared by highly skilled legal editors whose sole responsibility is to read cases and apply detailed analysis of the court's actions—from very negative (e.g., overruled) to true positive (e.g., followed by) and several levels of standing in between. The exclusive *Shepard's* "followed by" analysis allows you to quickly spot potential splits in authority. Other citator services can erroneously lead you to believe that a case is no longer good law when in fact it has been expressly followed in other jurisdictions, or on the very issue in which you are interested.

Shepard's Signal™

View the treatment of your case at a glance with these markers that appear at the beginning of your case:

- **Warning:** Negative treatment is indicated
- **Warning:** Negative case treatment is indicated for a statute
- **Questioned:** Validity questioned by citing references
- **Caution:** Possible negative treatment
- **Positive:** Positive treatment is indicated
- **Citing References with Analysis:** Other cases cited the case and assigned some analysis that is not considered positive or negative
- **Citation Information:** References have not applied any analysis to the citation

FOCUS™

Get results in context with the FOCUS feature. Search within the full text of citing references to narrow results to the fact pattern or legal issue in which you are interested—quickly and precisely. Or use FOCUS™ Restrictions to select the jurisdictions, analyses, LexisNexis headnotes and date ranges relevant to your search—all on one screen.

Table of Authorities

Shepard's Table of Authorities analyzes the authorities your citing case used as the basis for its opinion. Get at-a-glance analysis of a case's foundation, and uncover hidden weaknesses even in cases with no obvious negative treatment.

Shepard's Alert

Shepard's Alert makes it simple to stay on top of late-breaking changes in the treatment or signal value of your cases. Get case citation updates any time there are changes to reports for your cases, either monthly, every other week, weekly or business daily.

Shepard's in Print

The traditional print version of *Shepard's* Citations is published in hardbound volumes with softbound cumulative supplements to keep you up to date. You can also take advantage of the complimentary *Shepard's Update*® service—via phone or fax—to quickly bring your print research up to the minute.

Shepard's Citations in print include analysis by the *Shepard's* legal editors, and include a full range of subsequent appellate history and treatment to help you assess the status of your authority. In print, *Shepard's* information is organized into separate product offerings—State Law, Federal Law, Specialty Practice Areas, and Other Legal Resources—each corresponding to a particular set of citing references.

Shepard's State Law in Print

Shepard's State Citations

Available for all 50 states, Puerto Rico and the District of Columbia

Shepard's State Citations allow you to *Shepardize* the cases, statutes, constitutions, court rules, jury instructions and session laws for your specific state. Each state's edition provides citations from:

- Decisions of the state's courts, the U.S. Supreme Court, and lower federal courts
- Secondary authorities, including law reviews and annotations

Shepard's Regional Citations

Expand your research to neighboring states with *Shepard's* regional citators. Each covers all decisions published in a particular regional reporter.

For example, if you're representing a client in Colorado on an issue where there is little Colorado precedent, you may need citations from Arizona, New Mexico, Oklahoma, Utah and Wyoming. Using *Shepard's* Pacific Reporter Citations, you can quickly determine whether other state courts have cited your Colorado case—or whether a neighboring court's decision has been cited by a Colorado court.

- *Shepard's Atlantic Reporter Citations*
- *Shepard's California Reporter Citations*
- *Shepard's New York Supplement Citations*
- *Shepard's Northwestern Reporter Citations*
- *Shepard's Pacific Reporter Citations*
- *Shepard's Southeastern Reporter Citations*
- *Shepard's Southern Reporter Citations*
- *Shepard's Southwestern Reporter Citations*

Customer
Service

Keeping your subscription up-to-date is important to your business. We make it simple. And we back our products with our 30-day guarantee.

S Service Titles

Your cost includes the product and any supplementation, release, replacement volume, new edition and/or updates published during the indicated service period (minimum 30 days) at no additional charge except tax, shipping and handling where applicable.

NS Non-Service Titles

Your cost includes the product only, plus any updates published within 30 days of purchase or as otherwise indicated.

Automatic Renewal

• **Service Title with Automatic Renewal**

If you select this option, your subscription will be automatically renewed; you won't need to take any further action. We'll notify you of the renewal date and price 60 days prior to your renewal

• **Non-Service Title with Automatic Update Shipment**

If you select this option, you'll receive and be billed for future updates outside of the 30-day period without any further action on your part.

We stand behind our products and services.

Our 30-Day Guarantee and Return Policy

Our 30-day guarantee is our customer commitment to you. If for any reason you need to cancel your subscription, simply call Customer Support at 800.833.9844; e-mail us at customer.support@lexisnexis.com, or simply return an invoice or notification marked "CANCEL." All products may be returned within 30 days of receipt at purchaser's expense for full credit of the purchase price and shipping and handling fees and any other discount credits.

If you cancel a Service Title between 31 and 60 days after the invoice date and ship it back to us, you'll receive a 5% credit of the price for the annual subscription. If you return a Non-Service Title at your expense within 30 days of shipment, you will receive full credit for the purchase price. We regret that we cannot offer credit for items returned more than 60 days after the invoice date.

Subscription to a CD-ROM, *bender.com* or any other electronic service from LexisNexis® is subject to additional terms and conditions and separate contractual agreement. Call 800.223.1940 for details, ordering, and contract.

To change your shipping option, or for complete terms and conditions related to your print subscription, visit www.lexisnexis.com/printcdsc.

Promotional Terms

Prices do not include sales tax, shipping or handling. Prices subject to change without notice. Sales to federal government customers may be subject to specific contract pricing.

LexisNexis eBooks are available in epub format for use on devices like the Apple® iPad® and mobi format for use on devices like the Amazon® Kindle®. To streamline your research from our larger volume sets, our core volumes are being converted to eBooks, featuring the most essential information. See the full list of eBooks at www.lexisnexis.com/ebooks.

Customer Service Information

Account Numbers

Please include your Matthew Bender account number on all correspondence, orders, returns and payments.

Discounts

Volume discounts may be available with the multi-title purchases. Contact customer support for further details.

Monthly Statements and Invoices

Aside from your invoice, which you will receive together with your shipment, you will also receive a monthly statement from us. This shows any unpaid balance on your account as well as any purchases, payments, or credits applied to your account during the last month.

No-Risk Trial Examination

All our titles are available for a 30-day trial examination to established customers. At the end of that period, customers may either keep the shipment and send payment, or return it with no further obligation. Other products will be sent with the same return privileges.

Out-of-Date Publications

If you have any publications that are out of date, we will be happy to provide you with the cost to reinstate your subscription(s).

Payment

We accept payment by credit card (VISA, MasterCard, American Express, Discover), check, money order or bank wire transfer.

When making payments by check, please note your account name and number to properly allow us to credit your account. You are billed in U.S. dollars, and we request that you remit in U.S. currency with a check drawn on a U.S. bank. We reserve the right to assess our customers with collection charges for all other types of drafts.

For prepayment of an order mail to:

LexisNexis Matthew Bender
1275 Broadway
Albany, New York 12204-1224

For all other payments mail to:

LexisNexis
P.O. Box 7247-0178
Philadelphia, PA 19170-0178

Returns

When returning material, please include a copy of the invoice and packing slip with the shipment. We reserve the right to refuse material returned later than 60 days after the date of invoice. Return postage is the customer's responsibility. For faster processing, you may return publications directly to our distribution center using the following address:

LexisNexis Matthew Bender
Distribution Center
Broome Corp. Park
RR 2 Box 34-H
Conklin, New York 13748-9802

Subscriptions

Publications include 12 months of updating service, unless otherwise noted. A subscription is entered for each title you purchase. New material for the subscription is sent by one of two methods:

1. Shipped and billed when purchased. The material is sent to you as soon as it is published with the bill posted on your account at the same time.
2. Titles that are serviced frequently and on a regular schedule are billed in advance for a specific period, much like a magazine subscription. After the initial subscription period, invoices for renewal will be clearly marked as such.
