

Investigating him is important.
Locating him is another story.

Accurint® for Legal Professionals tracks down people and businesses—fast.

As a legal professional, locating reliable, timely information on people and businesses is critical to your work. You may be trying to locate an address to serve a witness, search for a relative in your skip-tracing work, or find a phone number for a business. In any of these instances, gaining access to a deep repository of current public records with the tools to make critical, detailed connections can help produce a successful outcome.

Accurint® for Legal Professionals is a streamlined, Web-based solution providing fast access to comprehensive public records information about people and businesses. Advanced LexID® linking technology helps you quickly sift through billions of records from more than 10,000 data sources that cover more than 95% of the U.S. adult population to pinpoint relevant facts and make critical, detailed connections—even when you begin your search with fragments of information.

It's the best person and business finder when speed and quality are important to you.

Receive comprehensive reports on individuals and businesses that will enable you to:

- **Reduce search time**—Easy-to-complete search forms return search results to your desktop in seconds, including individuals, as well as their assets, relatives, associates, and more.
- **Get a more complete picture with LexID**—Analyze billions of partial and complete records securely and intelligently with LexID technology, which filters and links information for a more precise and current view of an individual, including address, contact information, relatives, known associates, property history, and more.
- **Uncover connections between people, assets, and businesses**—Locate witnesses, associates, and relatives quickly and easily.

Simple and intuitive Accurint forms will enable you to streamline searching and find the relevant information you need in less time.

Easy-to-use search forms

Accurint for Legal Professionals lets you search using simple and intuitive forms. Just click one of the tabs, fill in the information you have and Accurint will search through billions of records and return your results, along with relevant connections, in seconds.

Robust reporting

Search results display in a tabular format enabling you to easily identify the relevant information you need. Depending on the type of documents for which you are searching, you have options for viewing the results, for example: run a report; use Relavint™ tools to visualize relationships; or copy, print, or email a record.

If you choose to run a report, you have options on how extensive of a report you would like, ranging from a basic summary to a comprehensive overview. Pricing varies depending on the type of report requested.

Easy-to-find information

- **People**—Neighbors, associates and possible relatives
- **Businesses**—Filings, Internet domains, Dun & Bradstreet® reports and information on Delaware corporations
- **Assets**—Motor vehicles, property assessments, property deeds, watercraft and FAA aircraft
- **Licenses**—Drivers', professional FAA pilots', hunting and fishing, concealed weapons, voter registrations, federal firearms and explosives, DEA controlled substances, and MVR reports
- **Directory assistance**—By name or by phone number
- **Court records**—Bankruptcy, criminal records, civil courts, Florida accidents, sexual offenders, official records, marriages and divorces, foreclosures, and liens and judgments

The LexisNexis Risk Solutions FL Inc. Accurint for Legal Professionals services are not provided by "consumer reporting agencies," as that term is defined in the Fair Credit Reporting Act (15 U.S.C. § 1681, et seq.) ("FCRA") and do not constitute "consumer reports," as that term is defined in the FCRA. Accordingly, the Accurint for Legal Professionals service may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another purpose in connection with which a consumer report may be used under the FCRA.

Due to the nature of the origin of public record information, the public records and commercially available data sources used in reports may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. This product or service aggregates and reports data, as provided by the public records and commercially available data sources, and is not the source of the data, nor is it a comprehensive compilation of the data. Before relying on any data, it should be independently verified.
