LAW PreDiscovery™ License Glossary

Core Modules

Admin—Create cases and exports

QC/Edit—Move documents around, add, delete, Bates number

Endorse—Brand or burn headers or footers into images

OCR—Convert images to searchable text

Print—Print image files out in a batch process with or without slipsheets

Additional Modules

Scan or TSI—Scan paper documents into TIFF format

ED Loader—Load native documents, mailstores, raw images, load files and tag lists

TIFF—Create TIFF images from all native documents

E-Print—Print native documents to paper

Searchable PDF—Create PDF files that you can easily search

Full-Text Indexing—Search all extracted text, as well as text resulting from optical character recognition (OCR)

ABBYY OCR—Create and index readable OCR text for difficult originals and Unicode documents

---

LAW PreDiscovery™ is made up of different modules that are sold individually or by bundle. Choose the bundle or module that best fits your needs. LAW PreDiscovery is scalable, so if your workload increases or changes, you can add modules to your existing LAW PreDiscovery bundle.

- Scan or LAWtsi (touch screen interface) Scan
- Endorse
- TIFF/PDF Conversion
- E-Print
- OCR
- Admin
- Print
- Searchable PDF
- QC/Edit
- ED Loader

LAW PreDiscovery Scan Platinum Includes These Modules:
- Scan or LAWtsi (touch screen interface) Scan (2)
- Admin
- OCR
- Searchable PDF
- Print
- Endorse
- QC/Edit

LAW PreDiscovery Premium Bundles

LAW PreDiscovery EDD Premium Includes These Modules:
- ED Loader
- Admin
- OCR
- TIFF/PDF Conversion
- QC/Edit
- Print
- E-Print
- Endorse

LAW PreDiscovery Scan Premium Includes These Modules:
- Scan or LAWtsi (touch screen interface) Scan
- Admin
- OCR
- QC/Edit
- Print
- Endorse

Core License Bundle

Core License Bundle Includes These Modules:
- Admin
- OCR
- QC/Edit
- Print
- Endorse

LexisNexis® Early Data Analyzer Bundles

Basic Bundle Includes These Modules:
- Interface
- 4 Agents

Export Bundle with OCR (ExperVision®) Includes These Modules:
- ExperVision OCR
- Admin
- ED Loader

Export Bundle with OCR (ABBYY®) Includes These Modules:
- ABBYY OCR
- Admin
- ED Loader

LexisNexis®

LAW PreDiscovery™

Modules
