As the premier citations service, *Shepard's* assists you in determining whether a case, agency decision or ruling, statute or regulation is "good law." *Shepard's* is also an exceptional tool for finding additional cases, articles, rulings, etc., that deal with the same or similar legal issue as the item *Shepardized*™.

If you have not used *Shepard's* online, you will find several features designed to make *Shepardizing*™ quick, easy and accurate:

The screenshot shows the LexisNexis Tax Center interface. At the top, there are navigation tabs: Research, My Tax Center, Get a Document, Shepard's®, Tax News, and Tax Forms. Below the tabs is a search bar labeled 'Shepardize®:' with a 'Go' button. The main content area displays 'View: KWIC | Full' and 'Display Options'. A navigation bar shows '1 - 5 of 5 Total Cites' and 'FAST Print... | Print | Do'. The main heading is 'Unrestricted | All Neg | All Pos | FOCUS™ - Restrict By' followed by 'Shepard's®' and 'Announcement 97-1, Announcement 97-1'. A signal icon (a triangle with an exclamation mark) is next to the heading. Below the heading, there is a 'Signal: Caution: Possible negative treatment' and 'Trail: Unrestricted'. A list of citations follows: 'Announcement 97-1, 1997 IRB LEXIS 59, 1997-2 I.R.B. 62, Announcement 97-1 (I.R.S. 1997)'. Below this is a 'SHEPARD'S SUMMARY' section with a 'Hide Summary' link. The summary is titled 'Unrestricted Shepard's Summary' and includes a 'Legend' link. A warning icon (a triangle with an exclamation mark) is next to the text 'Case history contains possible negative analysis.' Below this is a 'Citing References:' section with a table: 'Citing Decisions: Citing decisions with no analysis assigned (1)' and 'Other Sources: Law Reviews (2), Treatises (1)'. Below the table is a 'CASE HISTORY (1 citing reference)' section with a 'Hide Case History' link. A 'Select for Delivery' checkbox is present, followed by a list of items: '1. Modified by: Announcement 98-99, 1998-2 C.B. 650, 1998 IRB LEXIS 359, 1998-46 I.R.B. 34, Announcement 98-99 (I.R.S. 1998)'. At the bottom, there is a 'CITING DECISIONS (1 citing decision)' section. Callouts A, B, C, and D are placed over the interface to highlight specific features: A points to the signal icon, B points to the 'Case history contains possible negative analysis.' warning, C points to the 'Announcement 97-1, Announcement 97-1' heading, and D points to the 'Citing Decisions' row in the table.

- A** Check the editorial analysis found in a report at a glance.
- B** Surface the most important information in the report for easy review.
- C** Retrieve the authorities that address the factual pattern or issue of interest to you.
- D** Move easily to analysis and/or jurisdictions of citing references.

Shepard's Signal™ indicators provide a quick view of treatment analysis

Shepard's Signal indicators display at the top of the page or next to citations in the Cite format and indicate how other legal authorities have treated your case or IRS document. You can tell at a glance if you can be confident in the current status of your authority or if there is a potential problem with it.

-  Warning: negative treatment is indicated
-  Questioned: validity questioned by citing refs.
-  Caution: possible negative treatment
-  Positive treatment is indicated
-  Citing refs. with analysis available
-  Citation information available

Only Shepard's:

- Identifies cases that were Followed By a subsequent court—over 2.8 million instances to help you easily find additional on-point authority and identify potential splits of authority*
- Displays the unique orange Questioned By Shepard's Signal indicator—over 84,000 cases to warn you of subtle, yet potentially serious, negative treatment that may warrant further investigation*
- Uses skilled attorney-editors whose sole responsibility is to analyze court opinions to ensure that even the most subtle impact on cited decisions is reflected
- Allows you to truly Shepardize® a case ... exclusively on the LexisNexis® services.
