- Hearing times and locations
- Same-day action status
- Dynamic Private File database with detailed report options
- Full-text keyword search and topic-related search functions
- My Reports: customized access to your personal status, calendar and search reports
- Complete legislator profiles with biography, committee assignments, phone numbers and email. Capitol and district addresses available in mail-merge format.
- Access bills, hearings and directories in the 50 states, D.C., & U.S. Congress from any mobile device

## Options:

- iTrac: customized information-delivery websites

Now, the experts in state reporting deliver solutions that empower you to track, manage and share information more easily. Combining individually designed reports with quick and reliable capitol coverage, our industry-leading tools are the solution of choice for government affairs professionals.

Whether you need one state, a group of states or coverage of all 50 capitols, State Net® works.

How you benefit from the industry's most-powerful tools for managing government affairs information:

- **Identify** bills that impact your organization using powerful search tools. Gain comprehensive, action-oriented results from **Smart Search**, our advanced three-in-one search tool.
- **Monitor** legislation in private tracking files. Use our exclusive client-defined **Heading & Tags** feature to add information relevant to your program.
- **Store, analyze and report** on just the legislation and regulations you and your clients care about.
- **Produce** status and calendar hearing reports effortlessly. Look at just your bills or get an overview of all activities. Pick up your reports from the State Net system or have them delivered to your inbox.
- **Customize** your search and display options with just a click. HTML, Microsoft® Word, Text and CSV output available.
- **Rely** on information that is gathered and accuracy checked by the most-experienced staff in the industry. Get same-day bill actions, every day.
- **Stay connected** to legislative developments and critical State Net content while you are on the go with your smartphone or tablet with State Net Mobile.
