State Net® creates and supports customized information management solutions for a who's who of health and food industry clients. With our four-decade track record of success, you can rely on the most trusted team in government affairs reporting.

About our Health Resources Team

Our team covers more than 500 specific legislative and regulatory issues related to the health and food industries. Every day, we read new measures for issue relevance and deliver updates to our clients. In a typical session, we screen, analyze, track and report on more than 50,000 bills and 17,000 regulations. From "Access To Care" to "Zero Tolerance," we are knowledgeable on health-related issues.

This fast-growing unit serves 140 clients and over a thousand information consumers. Our current clients represent some of the world's largest:

- Health insurers and PBMs
- Medical and dental associations
- Pharmaceutical manufacturers and distributors
- Food and consumer products and services companies
- Long-term care providers and hospitals
- Medical device and equipment manufacturers and distributors

"The State Net Health Resources staff always goes above and beyond to make sure their clients' needs are met."

"It's simple: State Net helps us in managing information to meet our goals"

—Jill Birnbaum, American Heart Association
