

# These top-10 Lexis Advance® features offer major benefits

The features you select at the Lexis Advance® service work the way you expect—simple to use with powerful results. Use these popular top-10 features and see how you can cover more ground faster and easier.

1

## New user interface

Screens now have a cleaner, simplified appearance. You get faster “find and go”—saving you even more time. Find more of what you expect, where you expect. Even anticipate your next steps better.

2

## Enhanced red search box that does so much for you!

So flexible! Search across all available content—without selecting sources. Or request a source(s) you want to search. Then get source documents with one click. As you enter your search, the search box suggests legal phrases or document titles/citations. Retrieve full-text documents using the citation, popular law name or case name. *Shepardize*® a citation. Search with plain English—or use the terms and connectors you’re comfortable with.

3

## Enhanced pre-search filters that help you focus on jurisdictions fast

Choose from a variety of federal and state court jurisdictions. Also refine by content categories or practice areas before you search and save time browsing results. Even add favorite filter combinations. It’s easy to make a filter combination a favorite too. Just select the star when you’re done adding filter choices.

4

## Flexible Table of Contents (TOC) research

Browse **Table of Contents** by selecting to view via the search box or Browse Sources. Or, add a TOC source to your search and even enter a partial citation to retrieve the nearest associated section. When viewing the table of contents, choose specific parts, titles or chapters—just what you need—and search those sections. Deliver specific sections too.

5

## Online Folders that increase your effectiveness

Save what’s important to you—documents, text, even search results and effective searches. Annotate documents and highlight text before saving. Plus you’re notified automatically if Folder documents have changed. Just click and update—at no extra charge for subscription documents.

6

**History that can also further your research**

Resume past research without missing a beat. Your searches, search terms, documents, *Shepard's*® reports, email sends and other activities are automatically saved in your History for up to 90 days. Review History as a list or get a graphical map view where you can compare search results and find more, similar documents.

7

**Predictable pricing that eliminates search charges**

No per-search costs, no hourly costs—no worries about accidental document charges. Even printing and *Shepardizing*™ are included with each subscription document. Out-of-plan documents are out of reach. You can't access them—or get charged—without taking active steps.

8

**Browse Topics that point you to legal topic resources**

Find a legal topic and related documents easily. Select the **Browse** pull-down menu, then **Topics**. Search for your topic. Or select a practice area and browse through a hierarchy. Choose a topic, and you can do so much: retrieve relevant documents, add them to your search, get Alert updates and review relevant Topic Summaries.

9

**Legal Topic Summaries that compile leading authority for you**

Come up to speed on a legal topic—no searching! Topic Summaries compile seminal cases and other defining authority, plus outline topic elements, standards of review, burden of proof, etc. Available in many U.S. cases and 16 jurisdictions,\* find Topic Summary briefcase icons in full-text cases, with case headnotes and when browsing topics.

10

**Flexible Alert options that keep you updated without being overwhelmed**

One Alert can compile the latest across all content categories. Or set up a publication Alert and get updates without entering a search query. And set up is just what you expect: set delivery times and days, even get notifications as they occur instead of waiting for your update report. Go back and edit search terms to improve results. If you track bills, set up a Legislative Alert. Set a *Shepard's* Alert® notification to update you on changes to a case treatment, etc.
