

Gain more power and control over expenses when locating people and businesses.

Pinpoint people and businesses faster. Access comprehensive data aggregated from thousands of reliable sources, combined with proprietary link analysis technology to help you locate the answers you need quickly and easily.

Get a Clearer Picture of Every Debtor

LexisNexis® Accurint® for Collections gives you control over what you invest by bridging the gap between the initial Person Search and subsequent data searches based on additional information linked to a individual. “Next Steps” and “We Also Found” prompts clearly show you what types of other information are available. Then simply choose which additional searches are necessary based on the characteristics of the account and your workflow strategies.

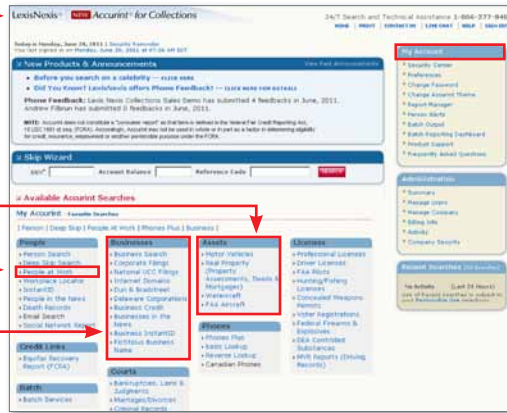

Efficiently Manage Your System Users

Advanced administrator features allow you to easily monitor and control user access for your entire organization and make changes on the fly. You can specify search access and usage limits for individual users, view activity reports and billing information, or perform usage audits right from your desktop.

From the Main Menu you can initiate searches, manage your account and request free online training.

Search your debtor against 132 million records revealing links to businesses. Results include business address, phone and possible dates of employment.

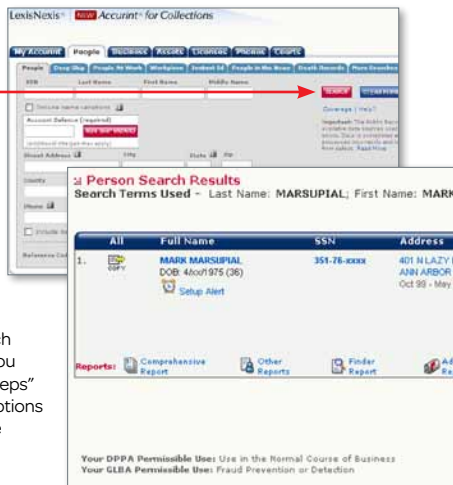

Efficiently monitor and manage user access for your entire organization.

Extensive coverage for real and personal property including property deeds, assessments and transfers. Find up-to-date results on motor vehicles, boats, aircraft and more.

Information on over 20 million businesses at your fingertips. Use company or executive name to gain immediate access to active and inactive records of incorporation, limited partnership, limited liability corporations, pending filings, DBAs and more.

Streamlined forms and navigation yield actionable results fast.

Start your Person Search using the information you know, then use "Next Steps" and "We Also Found" options to get the best available contact information.

Improve Your Collections Workflow
