

LexisNexis® Business Assurance

Due Diligence. Complete. Simplified.

LexisNexis® Business Assurance helps streamline and simplify your entire due diligence program by putting current, relevant data, gathered from multiple public records sources, at your fingertips in an easy-to-use format.

Complete Information at Your Fingertips

Today's fast-paced, high-tech business environment and highly volatile economy increase the importance of making well-informed business decisions and mitigating exposure to risk. You need to have the ability to easily identify any history of significant adverse public records associated with potential and existing customers, commercial loan applicants or guarantors.

Harness the Efficiency of Due Diligence On-Demand

With LexisNexis® Business Assurance, you can order searches against public records, watch list reviews, media publications and more to conduct comprehensive on-demand due diligence on businesses and individuals. A nationwide staff of document retrieval specialists can quickly access state, local and federal courts to locate the information you need to make business decisions efficiently and confidently.

Business Assurance provides a complete on-demand due diligence solution for both domestic and international searches. Place your search request via the user-friendly, online interface or by contacting your assigned LexisNexis® customer service representative.

You'll receive a summary of the results and copies of any documents you've requested, such as court records or business principal merged credit files—everything you need to conduct new and existing business with confidence and free up substantial time for other activities.

Leverage Real-Time Accessibility

The intuitively user-friendly Business Assurance interface offers superior flexibility with searches, such as:

- 24/7 order placement
- Check the real-time status of orders
- Immediately view, print and save completed results
- Easily manage and archive search results for future reference
- Receive real-time alerts when your order status has changed or been completed

Rely on the Electronic File Cabinet

With the LexisNexis Business Assurance online capability, your reports and documents are simultaneously archived. With a historical audit trail of all of your search requests, you can refer back to this information as necessary even when an employee leaves the company.

- Maintain all requests in one easily accessible location
- View open requests across all users and locations from anywhere in the world
- Automatic and unlimited online storage of your reports for easy access and review
- Reduce research time with a Permanent Archive and audit trail

Comprehensive On-demand Search Capabilities of Public Filings Including:

- Bankruptcy records
- Litigation records
- Tax liens
- UCC filings
- Watch list searches
- Media publication searches

LexisNexis Business Assurance does not constitute a "consumer report" as that term is defined in the federal Fair Credit Reporting Act, 15 USC 1681 et seq. (FCRA). Accordingly, Business Assurance Report may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another permissible purpose under the FCRA. Due to the nature of the origin of public record information, the public records and commercially available data sources used in reports may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. This product or service aggregates and reports data, as provided by the public records and commercially available data sources, and is not the source of the data, nor is it a comprehensive compilation of the data. Before relying on any data, it should be independently verified. LexisNexis and the Knowledge Burst logo are registered trademarks of Reed Elsevier Properties Inc., used under license.
