

LexisNexis® Occupational Health & Biometrics Services Overview

Drug screening and/or fingerprinting programs can help you safeguard against problems such as high absenteeism, unnecessary worker's compensation claims and compliance with industry regulations.

We know that building a reliable drug screening or fingerprinting solution can sometimes get a little complicated. LexisNexis® Screening Solutions can help by offering you an easy, integrated solution designed around your unique needs.

Occupational Health Services—Drug Screening

To help boost your overall hiring efficiencies, we have developed innovative technologies such as LexisNexis® Digital Chain of Custody to provide you with instant visibility into the drug screening process, and faster Web-based turnaround on negative results.

- We have been providing our valued clients with comprehensive turnkey substance abuse program administration since 1991.
- Using our extensive experience, our knowledgeable team can help you develop an efficient, streamlined solution that makes sense for your organization.

Biometric Services—Electronic Fingerprinting

Your fingerprinting solution should utilize the latest technologies to help you comply with industry regulations and reduce your risk, all in the quickest and most cost-effective manner.

- Our electronic fingerprinting solution requires no investment in expensive equipment that can only be used in one location. Our software integrates with inexpensive desktop scanners and live-scan devices.
- We can help reduce your clearinghouse and FBI submission costs by scoring prints to ensure only high-quality prints are submitted.

Drug Screening Services

Complete Program Management

We provide customized, onsite training sessions conducted by our training specialists or interactive online training programs to help supervisors meet their responsibilities and help employees understand the program's goal.

Policy Development and Review

Using our experience in both DOT and Drug-Free Workplace programs, we can assist in the preparation of policies that address your company's specific goals and workplace environment.

Collection Sites

We are continually expanding our nationwide network of convenient, qualified collection site facilities. Our network includes more than 10,000 sites.

The LexisNexis® National Scheduling Center

Using our National Scheduling Center (NSC)—accessible via a toll-free number—we can conveniently identify a collection site, and schedule and confirm an appointment while your applicant or employee remains on the phone.

Medical Review Officer (MRO) Services

Our in-house Medical Review Officers are all accredited by the American Association of Medical Review Officers. LexisNexis® Screening Solutions provides the administrative review of all test results, whether positive or negative, before they are reported to the client.
