With Online Revenge Porn, The Law Is Still Catching Up

There’s no way to legally compel a tech company to take down images that violate a plaintiff’s privacy rights. Websites enjoy broad immunity under the Communications Decency Act, which created the legal framework of the internet. Under that 1996 federal law, even websites specializing in revenge porn aren’t . . . Read more.

Read the Federal, State and Municipal laws governing revenge porn and briefs from recent cases litigating the issue.
