

Lexis Practice Advisor® Data Security & Privacy

Gain Efficiency and Confidence with Practical
Guidance, Analysis and Insights

Legal risks arising from data breaches, ransomware and other cybersecurity threats are everyday concerns now. Gain know-how from authoritative practical guidance, on-point annotated forms and extensive compliance resources to help you protect your clients' or organization's interests.

Confidently develop and deploy compliant data privacy programs.

- Understand and track data breach notification obligations.
- Develop sound cybersecurity risk management procedures.
- Stay on top of changing industry-specific compliance measures.
- Ensure compliance with the California Consumer Privacy Act and General Data Protection Regulation.
- Draft and incorporate data privacy policies.

Extensive Resources

- Coverage of European Union's General Data Protection Regulation (GDPR)
- California Consumer Privacy Act (CCPA) Resource Kit
- Cross-border data protection and cybersecurity coverage for all G20 countries
- Practice notes, forms, clauses and checklists addressing trending legal and compliance issues
- Guidance on key federal and state court decisions, statutes and regulations
- Federal agency enforcement decision trackers
