

Lexis Practice Advisor® Life Sciences Practice Area

Practice with efficiency and confidence using world-class, authoritative life sciences practical guidance and related legal resources in one intuitively organized practice area. Our task-oriented approach helps you more easily manage the array of clinical research, regulatory approvals, transactions, and IP matters you encounter each day.

Easily assess complex regulatory requirements

Only the Lexis Practice Advisor service provides sophisticated regulatory trackers to monitor key FDA regulatory and enforcement activity, so you can quickly gauge the regulatory landscape.

Superior content specifically for life sciences attorneys

Product life cycle-focused practice notes and agreement templates are designed with experienced life sciences practitioners to address your specific drafting needs.

State law surveys for at-a-glance understanding

Rely on precise Lexis Practice Advisor state surveys to know which state-specific laws and regulations apply.

More relevant, task-oriented practical guidance to expedite your work, start to finish

How-to resources and annotated forms cover your most important tasks, from regulatory compliance to transactional matters, all in one place.

Intuitive and task-based approach to your daily workflow

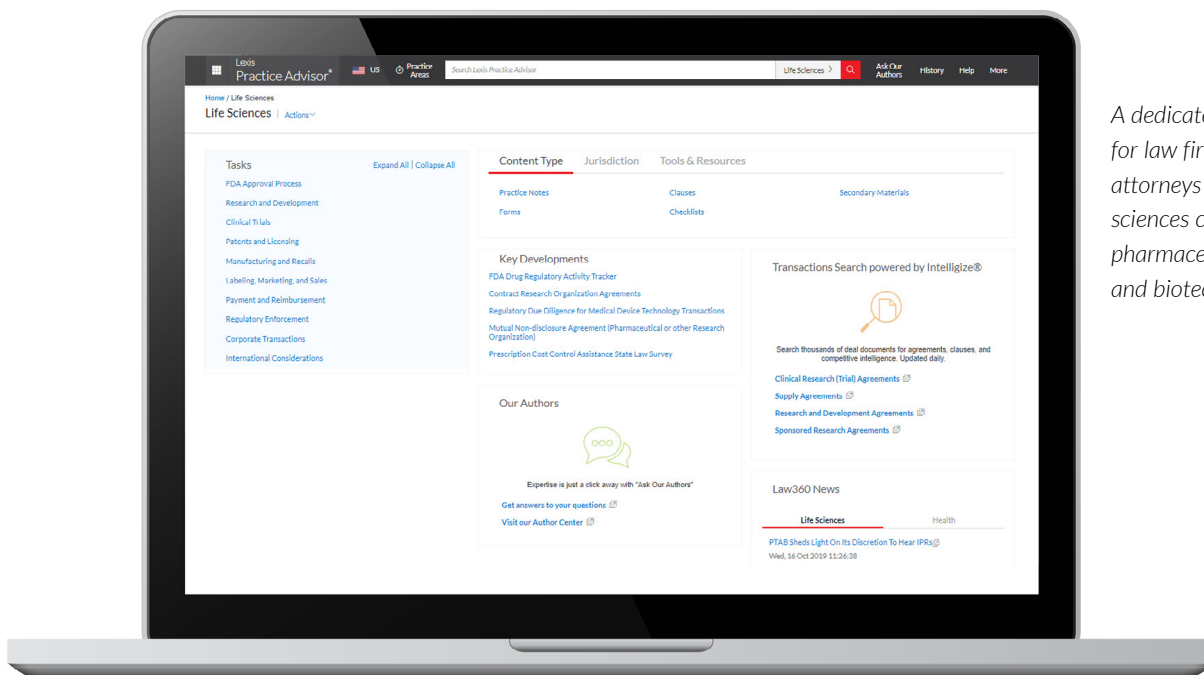

Quickly and easily find life sciences-specific practice notes, annotated forms and checklists through search or task-based navigation.

Topics covered

Grow your expertise and provide high-quality and timely advice. Handle matters such as:

- ▶ Tracking FDA and other agency rulemaking and enforcement activities
- ▶ Clinical trials set-up and compliance
- ▶ Product life cycle, from R&D to manufacturing, marketing and sales
- ▶ Managing life sciences IP issues
- ▶ Navigating the FDA approval process
- ▶ Payment and reimbursement matters
- ▶ M&A issues unique to the life sciences industry
- ▶ International considerations for cross-border business dealings in the life sciences space
- ▶ *And many more!*

A dedicated practice area for law firm and in-house attorneys representing life sciences companies including pharmaceutical, medical device and biotech organizations.

Essential guidance and resources

- ▶ Regulatory trackers and state law surveys help you assess and comply with FDA and state-specific regulatory rules and requirements.
- ▶ Agreements, forms and clauses annotated by experienced life sciences attorneys give you a head start on your drafting.
- ▶ Transactions Search powered by Intelligize® provides access to publicly filed forms and agreements involving life sciences companies.
- ▶ On-point practice notes provide tips and know-how to guide you through your tasks.
- ▶ Checklists provide quick step-by-step guidance so you don't miss a thing.

Support and training

- ▶ Customized consultations and webinars
- ▶ 24/7 customer support
- ▶ How-to videos, guides and more
- ▶ Helpful feedback to your practical guidance questions from our online Ask Our Authors feature*
- ▶ Complimentary subscription to The Lexis Practice Advisor Journal™
- ▶ Access to our weekly newsletter
