As a summer associate, partners and senior associates expect you to be able to fulfill their research and drafting requests with accuracy and efficiency. To ensure you have the know-how you need to be a successful summer associate at our firm, complete [Prepare to Practice](#), a LexisNexis® training program for law students that have secured summer associate positions.

You'll learn to quickly and thoroughly research unfamiliar topics, regulations, regulatory history and write, analyze and find any legal document. You'll also earn Practice-Ready Certification, which you can list on your resume and LinkedIn profile so that future employers know that you are practice ready.

Complete these steps to become certified:

- (1) **Online Module 1:** Researching an Unfamiliar Topic
- (2) **Online Module 2:** Transactional and Litigation Drafting
- (3) **Online Module 3:** Legal Analytics
- (4) **Practice-Ready Certification Assessment**

Visit the [Prepare to Practice site](#) to get started. Here, you can also sign up for on-campus workshops and watch additional training videos. If you have questions or need assistance, [contact your Law School Account Executive](#).
