An excellent reference guide—I like how it’s broken down by state and subject respectively.

—Anthony Pisciotta, Area Vice President-Claims, Arthur J. Gallagher & Co.

- A Unique Compendium of Issues, Trends & Cases
- 50-state survey of workers’ comp-Related Legislation
- Detailed, In-Depth Analysis and Insight

Keep track of how the workers’ compensation landscape is changing

*Workers’ Compensation Emerging Issues Analysis*, part of the *Larson Series*, is an essential tool for the insurance industry, corporate risk managers, policy makers, and lawyers to understand what changes are being contemplated on the national level as well as in *every* state. Everything you need to know about workers’ compensation in 2015 is contained in this compendium of legal issues and cases.

**Who should use this resource**

- Producers and Executives at brokers, TPAs or service providers preparing for client stewardship meetings
- Claim Supervisors handling or overseeing multiple states
- Corporate Risk Managers needing critical information to help develop a forward-looking risk management plan
- Lawyers advancing the rule of law in the workers’ compensation setting
- Legislatures and policymakers seeking to improve their state’s workers’ compensation system

**About the Editor**

Legal analysis by **Thomas A. Robinson, J.D.**, co-author of *Larson’s Workers’ Compensation Law* and Feature National Columnist for the LexisNexis Workers’ Compensation eNewsletter. Mr. Robinson is also an award-winning blogger at [www.workcompwriter.com](http://www.workcompwriter.com).
