Dear Illinois Practitioner:

Practicing law in Illinois entails unique procedural, intellectual and practice management challenges. Each title in the LexisNexis® collection of Illinois publications has you covered. In the following pages of this product listing, you’ll find Illinois legal resources written, annotated and continuously refreshed and amended by Illinois attorney authors and editors.

CRITICAL RESOURCES FOR ILLINOIS ATTORNEYS
Here are just some of the resources you can turn to again and again for trusted, up-to-date guidance on Illinois jurisdictional practice.

- **LexisNexis® Practice Guide: New Appleman Illinois Insurance Law**—This handy single-volume practice guide simplifies the process of litigating a contract case to help Illinois practitioners navigate coverage, underwriting, litigation and other insurance matters. Newly integrated with New Appleman’s other publications, the practice guide now includes extensive cross references for easier researching.
- **Illinois Real Estate Manual**—This authoritative and convenient publication compiles the Illinois annotated statutes and rules relating to real estate for new applicants for licensure as well as existing real estate brokers, appraisers and other real estate professionals.
- **Illinois Compiled Statutes Annotated**—Gain access to the complete statutes as annotated to the decisions of the Supreme Judicial Court, Appeals Court, Superior Courts, Attorney General and key executive agencies.

FLAGSHIP AREA OF LAW RESOURCES
Of course, some areas of law are more closely governed by state law than others, and not all Illinois attorneys practice exclusively in Illinois courts. Accordingly, the enclosed pages include leading, consistently cited national titles in top practice areas: treatises, practice guides and forms that support your work in banking, bankruptcy, corporate, energy, environmental, health care, employment, intellectual property, litigation and securities.

LARGEST COLLECTION OF LEGAL EBOOKS
LexisNexis eBooks allow you to consult critical legal texts from anywhere at any time. eBooks include active links, from citation references to relevant statutes, cases, treatises and other materials at the Lexis Advance® service. When you order an eBook, you gain access by signing in to the Download Center and clicking the Read Now button. All you need is a modern web browser on your preferred device. Access to LexisNexis eBooks is even more convenient when your organization subscribes to the LexisNexis® Digital Library. This library management solution reduces your costs and improves availability, ensuring the door to your library is always open.
