

## Capital Monitor

# Informing Australia since 1990

**LexisNexis Capital Monitor™** helps you stay informed, competitive and comply with the law. Be the first to know of government decisions and policy debate that may affect your business.

You specify what you need to monitor from a broad range of subject areas such as climate change, cyber security, privacy, corporations' law, anti-money laundering, mining, infrastructure and more.

Capital Monitor alerts you to all current news & information from its base in Australian Parliament House. Source material is delivered straight to your desktop and within minutes of publishing, so you can easily stay ahead of developments as they happen.

You also gain access to a fully indexed, text searchable digital archive of up to 3 million documents to conduct keyword search anytime, anywhere, and for content across all Australian jurisdictions going back decades.

## With Capital Monitor you can...

- Anticipate legislative change
- Lobby government & influence public policy on time
