Introduction

Welcome to the LexisNexis Channel Partner newscast, a regular update on what is happening in the world of LexisNexis' Regulatory Compliance solution.

We will provide our channel partners with advice on what's happening with our existing content offering, any future changes that we're considering, and what we're doing to promote the Regulatory Compliance solution out in the wider world.

The newscast will be sent to our channel partners on a monthly basis, after the channel partner forum, so you can stay up to date with the latest topics under discussion.

New API filters and endpoints

API v1.1 content endpoint, new filters include:

- id
- end_date
- record_type
- type
- jurisdictions now recognises non-English values

APIv2.0 mandate and regulator endpoints can be extended to retrieve a single mandate or a single regulator, new filters include:

- module
- dateEnd

The API Integration Guides will be sent through separately and will also be on the [Channel Partner Website](#).

Module Consolidation and Enhancements update

Update as at 02/12/21

Number of Customers interviewed: 11
