

Lexis+[®]

Landing Page Guide

Lexis+ provides access to our world leading content wrapped up in a faster, smarter platform so our customers can focus on solving their clients' challenges and add more value to them in less time.

Login to Lexis+ using your existing Lexis Advance credentials and enter a whole new experience.

Note – if you currently have access to both Lexis Advance and Lexis+, you will see the Lexis Advance home page on logging in. You can navigate to your settings and change your default landing page to Lexis+ Australia. Alternatively, you can access Lexis+ Australia from the product switcher.

1 Lexis+ Landing Page

Once logged in, explore the new Lexis+ landing page, featuring a visually optimised design with starting points for all your legal workflows. Use the **1 Experience Dock** to select your preferred experience.

2 Legal Research

Clicking **Legal Research** in the **1 Experience Dock** introduces an efficient and effective single search option for legal research, and practical guidance content.

For a quick search typing directly into the **2 Search Bar**, using either natural language or terms & connectors, allows you to access sources, documents, legal phrases, and suggested questions easily.

3 Legislation

LawNow Legislation can now be accessed from the Explore pod **3** on the landing page. This feature will give you quicker access to the Legislation page where you can now search across Legislation Citator, find the most popular Legislation page, pin most used Acts and links to each LawNow jurisdiction homepage.
