

Module	<b>NSW Local Government   Business and economic Development</b>
Jurisdictions	<b>New South Wales</b>
Legal Expert	

**Module Scope**

Does the council facilitate local economic growth through strategic planning, business support, and infrastructure investment?

Does the council regulate business activities through approvals, compliance, and local preference in procurement?

Does the council collaborate with regional organisations and public-private partnerships?

**Module Application**

The Business and Economic Development module assists councils to:

- › Integrate economic objectives into community strategic plans and delivery programs.
- › Streamline business approvals and apply local preference in tendering.
- › Identify priorities for regional communities and partner with regional organisations on development initiatives.

This module applies to economic development officers, strategic planners, and senior executives responsible for regional collaboration and business engagement.

Failures risk business complaints, procurement challenges, or loss of regional funding
