

Module	NSW Local Government Public Health and Other Community Services
Jurisdictions	New South Wales
Legal Expert	

Module Scope

Does the council implement statutory public and environmental health functions?

Does the council manage emergency and disaster response, child protection reporting, and animal control under relevant legislation?

Does the council collaborate with relevant authorities to deliver community health outcomes?

Module Application

The Public Health and Other Community Services module assists councils to:

- › Ensure compliance with relevant public health, safety, and community standards.
- › Coordinate emergency planning and response and comply with child protection and animal control laws.

This module applies to environmental health officers, community service teams, and emergency management coordinators.

Non-compliance may expose councils to public health risks, regulatory sanctions, or community harm.
