

Lexis[®] Practical Guidance Resource Management

What is Practical Guidance?

Practical Guidance is your everyday tool for online legal research, quickly getting you to the on-point information you need.

Intuitive design, teamed with authoritative content, gives you the resources you need at your fingertips. Seamless integration with **Lexis Advance®** provides an efficient gateway to deeper research.

Each of our 12 Practice Area modules is written by experts in their field and includes a broad range of features including: guidance notes, checklists, precedents, commentary, cases and legislation.

Find what you need to successfully deal with any client matter in one consolidated suite.

Practical Guidance Resource Management

This module covers all **Resource Management** essentials including consents; Environment Court procedures and enforcement; and national and regional policy statements and planning documents, including iwi consultation.

This module provides a comprehensive suite of guidance notes, precedents and essential primary law to ensure you have all the information you need to guide your clients through their resource management law matters.

Relevant legislation and cases are also included, displayed in an intuitive format so you have all your practical legal tools in one place.
