Alert Name	Docket #	Case Name	Court	Participant	Judge	Description	Nature of Suit	Cause	Date Hit	Date Filed
NOS Alert - All Fed Civil	4:23cv5737	ABC County School District V. ACMA, Inc. Et Al	United States District Court, California Northern	ACMA	Judge XYZ	Defendant	Personal Injury	Fed. Question: Personal Injury	Nov 8, 2023	Nov 7, 2023
Complaint		This is a complaint filed by ABC County School School District against major social media companies, ACMA, Inc. ACMB and ACMC. The school district claims these companies have knowingly designed their platforms to be addictive and harmful to children's mental health, contributing to a youth mental health crisis that directly impacts the plaintiff's ability to fulfill its educational mission. The complaint alleges the companies use features like endless scrolling feeds and variable rewards to hook kids, despite being aware of vulnerabilities in young users. It claims the resulting overuse has led to anxiety, depression, self-harm and suicidal ideation. The school district argues it has been harmed by having to hire more mental health staff and provide increased services. The complaint brings claims of public nuisance and negligence, asserting the companies failed to warn of or fix known dangers. It seeks monetary damages and demands the companies implement safer designs.							
NOS Alert - All Fed Civil	2:23cv9418	Doe v Alias	United States District Court, California Central	James Doe Alias		Defendant	Trademark	Trademark Infringement (Lanham Act)	Nov 8, 2023	Nov 7, 2023
Complaint		This is a complaint filed by John Doe against James Doe Alias for cybersquatting and defamation. Doe is a Hollywood producer and media personality who has used his name as a trademark for his services for nearly 20 years. Alias registered a series of domain names that are identical or confusingly similar to Alias' name and trademark. Alias then directed the domain names to a website titled "Beware of Doe" where he called Doe a con man. Doe demanded Alias pay $40,250 for each domain name, totaling almost $400,000. The website contains false and defamatory statements about Doe. Doe Seeks damages of $100,000 per domain name under statute and injunctive relief to stop Alias' pattern of cybersquatting.

Understand How Lexis® Snapshot Works

Spend time where it actually pays off by letting AI alert you of new complaint summaries.

- Discover crucial information that may not always appear on the docket. If it's in the complaint, Snapshot will find it—crunching hours of reading into seconds.

- Get enough information to quickly decide whether to read more of a complaint or move on.

- Find Snapshot complaint summaries in the CourtLink Docket.

Trust Lexis® Snapshot AI

Rest assured that Lexis is on the forefront of developing and deploying AI technology within the legal landscape.

- Experience AI based on the unparalleled LexisNexis library of legal content rather than the broader internet.

- Be confident using AI trained with Reinforcement Learning with Human Feedback (RLHF), a process done by in-house LexisNexis legal subject matter experts.

Lexis® Snapshot complements CourtLink's trusted collection.

Competitors may offer bits and pieces, but no one brings it all together like Lexis® Snapshot on CourtLink.
