Serving clients in the United States, it offers solutions across four key areas: analytics, research, prospecting and consulting. At its core is its FindWealth platform.

PUBLISHER: Governance Holdings Co., d/b/a GMI Ratings
PUBLICATION INCLUDED: GMI Ratings

GMI Ratings is an independent provider of research and ratings on environmental, social, governance and accounting risks affecting the performance of public companies. The firm’s ESG ratings for nearly 6,500 companies worldwide incorporate 120 ESG KeyMetrics™ to help investors assess the sustainable investment value of corporations. The firm also provides Accounting and Governance Ratings (AGR®) for approximately 20,000 public companies worldwide. AGR metrics validate the accuracy and reliability of a company’s financial reporting.

GMI Ratings was formed through the merger of three independent companies: The Corporate Library, GovernanceMetrics International and Audit Integrity. Each of the predecessor firms specialized in systemic shortfalls in risk modeling and mitigation by quantifying material risks often undetected in traditional approaches. GMI Ratings provides institutional investors, insurers, corporate decision-makers, and other professionals with the most extensive coverage of environmental, social, governance, litigation, and accounting-related risk indicators affecting the performance of public companies worldwide.
