

Find, Analyze & Deliver On-Point Research Results with Nexis®

Imagine having a dynamic tool that opens the door to a comprehensive collection of news, company, public records, legal, regulatory and industry information. Nexis is that tool. Beyond enabling you to get the facts you need with great efficiency, Nexis also helps you see how those facts fit together. It's the reason why customers worldwide rely on Nexis to inform their business decisions.

MULTILINGUAL

Choose from 8 different language interfaces and view content in up to 57 languages with Google Translate™.

ALERTS

Stay informed with email notifications for critical updates on information important to your business.

INDEXING

Receive on-point results leveraging the LexisNexis® SmartIndexing Technology™ taxonomy system.

ANALYTICS

Transform results into key insights and trends using analytical tools.

ADVANCED SEARCH OPTIONS

Customize your search to get the most relevant and accurate results using advanced search and filtering options.

QUICK SEARCH

Search across multiple content types with a single action.

Comprehensive Content

- Access the **largest collection** of global news, company, people, industry, country, legal & regulatory information and public records.
- Investigate industries and companies with in-depth industry overviews, company profiles, financials and SWOT analysis reports.
- Explore a growing collection of **indexed web sources** vetted by LexisNexis editors as authoritative and industry relevant.
- Identify relationships and find full person and company records in an **unmatched public records collection** with powerful search and linking technology.

Who Should Use Nexis?

The combination of outstanding content and cutting-edge search features makes Nexis an ideal solution for:

- Business Analysts
- Corporate Communications
- Information Professionals
- Finance & Strategy
- Marketing & Competitive Intelligence
- Media Organizations
- Governments & Political Organizations
- Sales & Business Development
- Real Estate Professionals

I have been a Nexis subscriber for years and find it to be an outstanding, customizable and reliable source of informational insights I use regularly in keeping abreast of key industry issues.

Frank Suriano, Sr.
Business Analyst, Nextra Energy

The screenshot shows the LexisNexis search interface. At the top, there is a navigation bar with options like 'LexisNexis Services', 'What's New', 'English (US)', 'My Documents (0)', 'Project: None', 'My Settings', 'Contact Us', 'Help', and 'Sign Out'. Below this is the 'Nexis' logo and a customer support number. The main search area features a search bar with the query 'adidas AND nike shoes' and a dropdown menu for filters including 'News; Company; Market Insight; Biographical; Legal; Filter by'. There are also 'Search' and 'Sources' tabs. Below the search bar, there are six panels: 'Alerts' (Automotive, Energy), 'Saved Searches' (Adidas and Nike), 'My Analysis' ((adidas AND nike shoes) and LANGUAGE(Engli...)), 'Available Alerts' (No alerts exist at this time...), 'Recent Searches' ((adidas AND nike shoes) and LANGUAGE(Engli...), (adidas AND nike shoes) and LANGUAGE(Engli...), (adidas) and LANGUAGE(English)), and 'Recent Documents' (You have not yet viewed any documents...).

Easy-to-use search forms allow you to quickly select the sources, index terms and other search options needed to find the most relevant research results.
