

EXPERIENCE SEARCH TERM MAPS ON LEXIS+™

Find relevant resources faster by reviewing search term patterns and the largest concentration of your terms—across all major content types—within the results list and in each full document.

Spot key clusters of your search terms to readily navigate to the most relevant passages.

Easily identify useful documents and passages without leaving the results list.

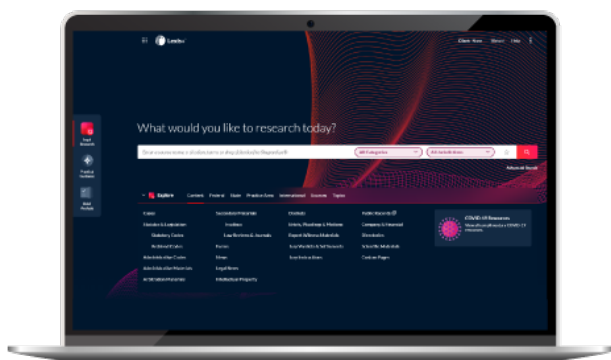

EXPERIENCE THE DIFFERENCE WITH SEARCH TERM MAPS

+ All Major Content Types (Not Limited to Cases Only)

+ Automatic Multi-Color Mapping (Not Manual or Limited to One Color)

+ Integrated with Data-Driven Insights & Practical Guidance

ONLY ON LEXIS+

EXPERIENCE RESULTS WITH SEARCH TERM MAPS

- Leverage graphical views to instantly navigate to the most pertinent points of law, based on your specific issues.
- Review data-driven passages tailored to your exact issue.
- Quickly and easily uncover the most useful insights to develop the strongest position.
