

EXPERIENCE SEARCH TREE AND MISSING & MUST INCLUDE ON LEXIS+™

Leverage first-of-its-kind search data visualization for complete customization and control over your legal research.

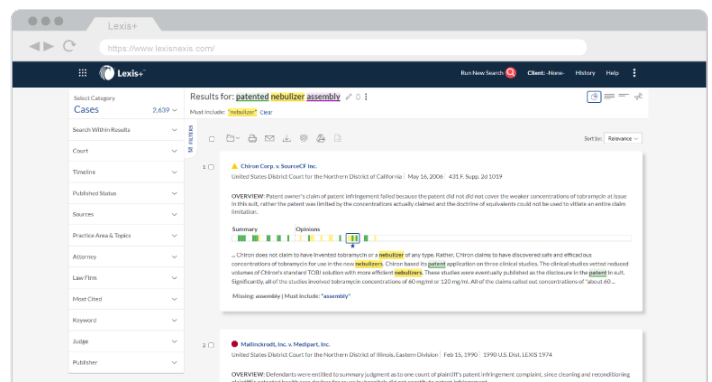

View which search terms are missing from a specific document in the results set without opening a single document, and rerun the search with your must-have terms.

Understand why certain terms are missing from the results set so you can change your search strategy and select the requisite terms to refresh the results set with those terms.

Search Tree

Missing & Must Include

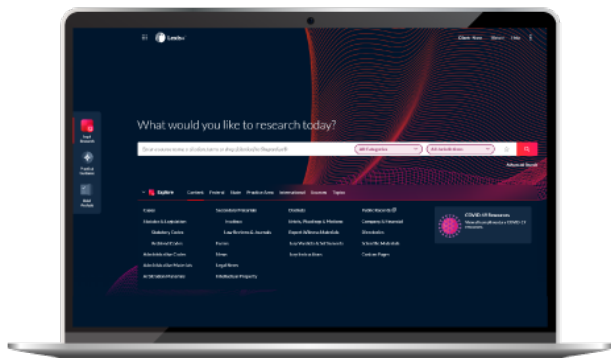

EXPERIENCE THE DIFFERENCE WITH SEARCH TREE AND MISSING & MUST INCLUDE

+ LexisNexis® Exclusive Features

+ Integrated with Data-Driven Insights & Practical Guidance

+ The Most Modern User Experience

ONLY ON LEXIS+

EXPERIENCE RESULTS WITH SEARCH TREE AND MISSING & MUST INCLUDE

- Ensure the most important terms are part of the document.
- Rerun searches with your requisite terms for ultimate precision in your research.
- Easily identify resources that contain all the relevant information and answers.
