

EXPERIENCE CODE COMPARE ON LEXIS+™

Stay updated on the law and legislative intent, changes over time, and whether laws are becoming more or less restrictive by comparing any two versions of a statute or administrative code side-by-side.

Access complete coverage with current effective, future effective and archival versions dating back to the early 1990's.

Save time with an overview of total changes to the text, or get up to speed on detailed changes to the statutory language.

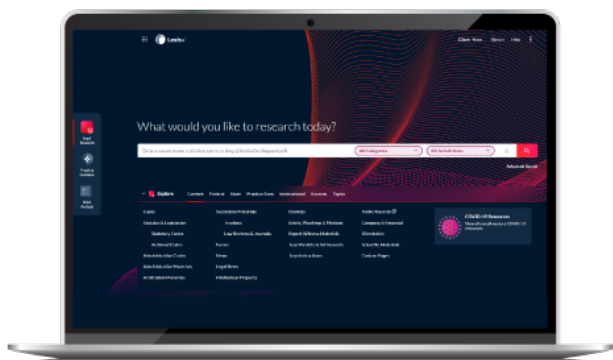

EXPERIENCE THE DIFFERENCE WITH CODE COMPARE

+ Integrated with Data-Driven Insights & Practical Guidance

+ Side-by-Side Views

+ The Most Modern & Streamlined User Experience

ONLY ON LEXIS+

EXPERIENCE RESULTS WITH CODE COMPARE

- Speed-up research and confidently advise on the legal landscape.
- Understand key amendments to select the right authority for an argument interpreting a statute or administrative code.
- Challenge an opponent's argument that relies upon case interpretation not relevant to the version in effect at the time.
