

# EXPERIENCE RAVEL VIEW ON LEXIS+™

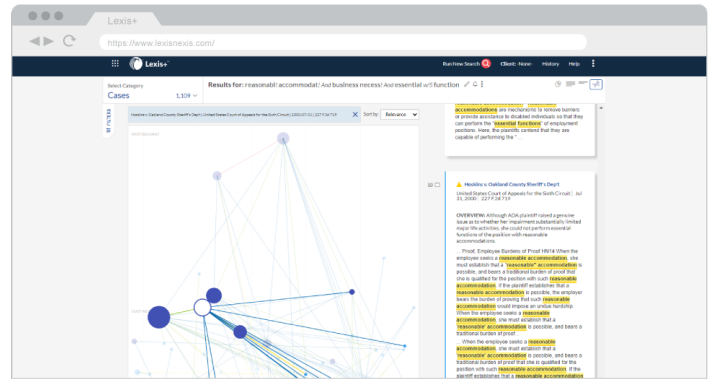

Leverage data visualizations to identify citing patterns and trends across time and jurisdictions.

Find relevant cases faster and determine which cases work together to best support your strategy.

Review the opinions judges cite most, uncover overlooked cases, and identify key citing relationships.

## EXPERIENCE THE DIFFERENCE WITH RAVEL VIEW

+ A LexisNexis® Exclusive Feature

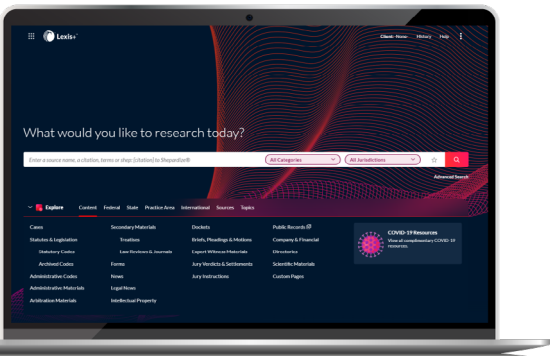

+ Accessible via the Legal Research Experience

+ Integrated with Data-Driven Insights & Practical Guidance

ONLY ON LEXIS+

## EXPERIENCE RESULTS WITH RAVEL VIEW

- Find cases faster and determine how cases fit together.
- Easily see which cases are good law and locate the right language for your matter.
- View the “big picture” and find needles in the haystack to support your argument.
