

Feature Spotlight: Lexis Practice Advisor® Tax

FUEL YOUR TAX LAW PRACTICE WITH VITAL PRACTICAL GUIDANCE AND A TROVE OF LEGAL RESOURCES.

It's no secret that tax law is constantly in flux. And every election cycle brings potential changes to federal, state and local tax codes. To further complicate things, external pressures (like recessions and pandemics) tend to amplify calls for tax reform.

So, how does a hard-working tax law attorney like you stay on top of it all?

To answer that question, LexisNexis® devotes an entire practice area within Lexis Practice Advisor® solely to tax matters. It's packed with practice notes, annotated forms, checklists, articles on current tax issues, international tax Q&As, 50-state tax surveys and more, covering a broad spectrum of taxation topics.

Note: Lexis Practice Advisor® Tax is a different resource than the Lexis Advance® Tax service. Specifically, Lexis Practice Advisor Tax is designed to complement the comprehensive primary and secondary tax research that you can perform with Lexis Advance® or Lexis Advance Tax. [You can find more information on Lexis Advance Tax here.](#)

Not only does the content within Lexis Practice Advisor Tax help you stay current and understand highly technical tax concepts, it also allows you to build knowledge quickly on new or unfamiliar topics. That means you'll be able to cover more ground and potentially avoid turning prospective clients away.

And, since all this tax practical guidance is in one place, you won't waste time jumping around to other sources to pull together the content you need to complete your tax-related legal tasks.

EXTENSIVE COVERAGE ACROSS A RANGE OF TAX TOPICS

Lexis Practice Advisor Tax provides practical guidance on tax matters at the federal, international, state and local levels. That includes detailed guidance on recent tax legislation, IRS/Treasury regulations, and guidance on tax controversies. You can explore more than 40 multistate surveys on specific issues that provide reference to laws in all 50 states. Plus, you'll also have access to over 75 country-specific Q&A documents analyzing foreign tax laws and systems in those countries, many of which were written by tax attorneys practicing in these countries.

Speaking of attorneys, the exclusive materials in Lexis Practice Advisor Tax come from a team of top tax lawyers. Learn from their experience on matters like tax compliance, audits and litigation.

From business entity and employment tax concerns to real estate, securities and individual tax matters, Lexis Practice Advisor Tax equips you with the know-how to tackle whatever tax issues your clients bring through your firm's door.

EXPLORE VALUABLE TAX-SPECIFIC RESOURCES

The phrase "practice guidance" is a bit nebulous, right? To help you understand what we're talking about, here are a few examples of the resources you'll find inside Lexis Practice Advisor Tax:

- **Practice Notes.** Get valuable insight on specific tax issues and jurisdictions written by experienced attorney authors. There are well over 400 practice notes within Lexis Practice Advisor Tax.
- **Annotated Forms.** Obtain valuable template tax forms with drafting notes and alternate & optional clauses. Lexis Practice Advisor Tax offers over 100 annotated forms.
- **Checklists.** Receive key information practitioners need to know to complete a tax-related legal task or to apply a complex tax law or regulation. Lexis Practice Advisor Tax offers over 100 checklists.
- **Resource Kits.** Access dedicated kits that pack in vital practical guidance on key tax topics, such as the Tax Cuts and Jobs Act (TCJA), Foreign Account Tax Compliance Act (FATCA) and Tax Controversies—all in one handy place.

WORK FASTER WITH SEAMLESS INTEGRATION

If you're already a [Lexis Advance](#) or Lexis Advance Tax user, you'll really like this next part: Lexis Practice Advisor Tax works hand-in-hand with Lexis Advance Tax. In fact, many of the documents and resources found within Lexis Practice Advisor Tax contain links to content inside Lexis Advance and Lexis Advance Tax. That means you'll get access to over 1,400 Lexis Advance tax primary and secondary sources too—often with a single click.
