

Fact & Issue Finder on Lexis+®

Save time and be confident your research is complete.

There's no question that litigation research can be challenging. From finding the proper terminology to combing through a myriad of resources in numerous systems, the process can be time-consuming and inefficient.

Fact & Issue Finder on Lexis+® provides a unique litigation-specific search experience that helps litigators find all the materials they need to evaluate a case quickly, with precision, all in one place, and in a manner that mimics their workflow.

VIEW AND SORT BY CASE SPECIFICS

No need to start a legal research project with the internet.

Fact & Issue Finder has been designed with state-of-the-art technology to include over 6000 practice-area-specific terms of art.

Simply select a practice area, then type in the primary issue, or select one of the suggestions from Fact & Issue Finder's word wheel.

What issue would you like to search today?

Personal Injury failure All Jurisdictions

Be Confident You Have The Full Picture

Results are displayed in the interactive results dashboard providing a complete overview related to the topics, issues, and facts across unparalleled content.

Refine or expand the results with search text boxes to hone in on additional facts, issues, or judge names.

See the potential value of cases with verdict and settlement trends in similar cases.

Identify expert witnesses experienced with the facts, topics, and issues of similar cases.

Use the Case Graph to filter down or expand details of a case's lifecycle. Cited cases, statutes, dockets, pleadings, motions, briefs, and more ensure your research is complete.

Access Practical Guidance and administrative resources to leverage expert practice area advisory materials.

Authoritative industry resources from across LexisNexis and its sister companies provide scientific and practice area insights that go beyond traditional legal research.

Develop a solid litigation strategy every time by starting with Lexis Fact & Issue Finder—the only search that understands where litigators are coming from, how they work, and what they need to win.
