

## Are You and Your Clients GDPR Compliant?

The European Union's General Data Protection Regulation has been effective for almost a month. The regulation is clear but its interpretation is uncertain, leaving what it means to be GDPR compliant in the air.

Be sure you're up-to-speed with the GDPR using the resources below:

### Definition of Personal Data

According to the European Commission, "personal data is any information relating to an individual, whether it relates to his or her private, professional or public life. It can be anything from a name, a home address, a photo, an email address, bank details, posts on social networking websites, medical information, or a computer's IP address."
