

## **Lexis® Diligence (November 2013)**

Q. I need a product to vet my vendors and potential clients. I want something that shows me not just public records or sanctions. I need it all including commercial credit scores. Can Lexis® do that?

A. Yes, we have a product called Lexis® Diligence. Coverage is global in scope and enables you to reveal complex relationships between companies and individuals or companies and other companies around the world. Lexis Diligence allows you to conduct comprehensive checks of people and companies in one interface. Our comprehensive content collection includes: News, Company Reports, Sanctions & Watchlists, Politically Exposed Persons (PEPs), Biographical Sources, Legal Sources, Country Risk Reports, Public Records and most recently added Experian Commercial Credit Scores. Ask your LexisNexis Representative for a sneak peek!
