Browse Mealey's™ titles

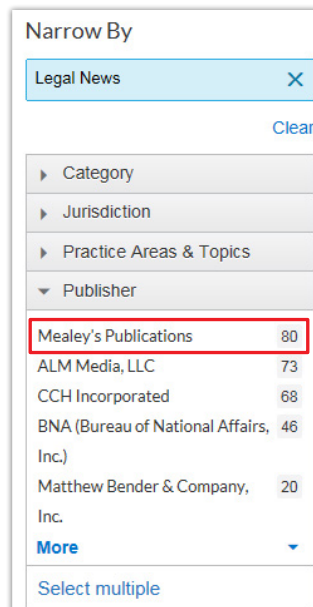

Another option is to browse publications to find Mealey's titles of interest. From the Lexis Advance home page, click the **Browse** pull-down menu.

Then select Sources > By Category > **Legal News**.

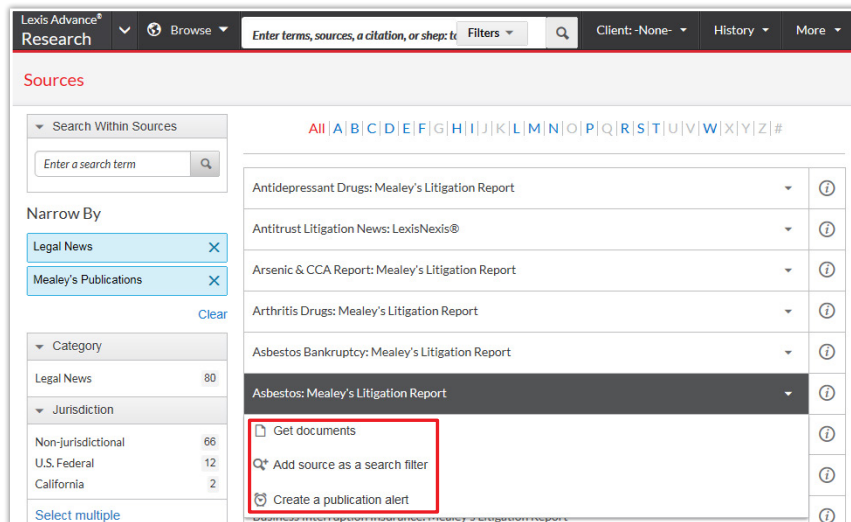

In the Narrow By pod on the left side of your Lexis Advance screen, scroll down to the Publisher section and select **Mealey's Publications**.

Browse Mealey's titles (continued)

You'll see a list of Mealey's publications. Find a title that interests you, and click the pull-down menu to choose **Get documents**, **Add source as a search filter** or **Create a publication alert**.

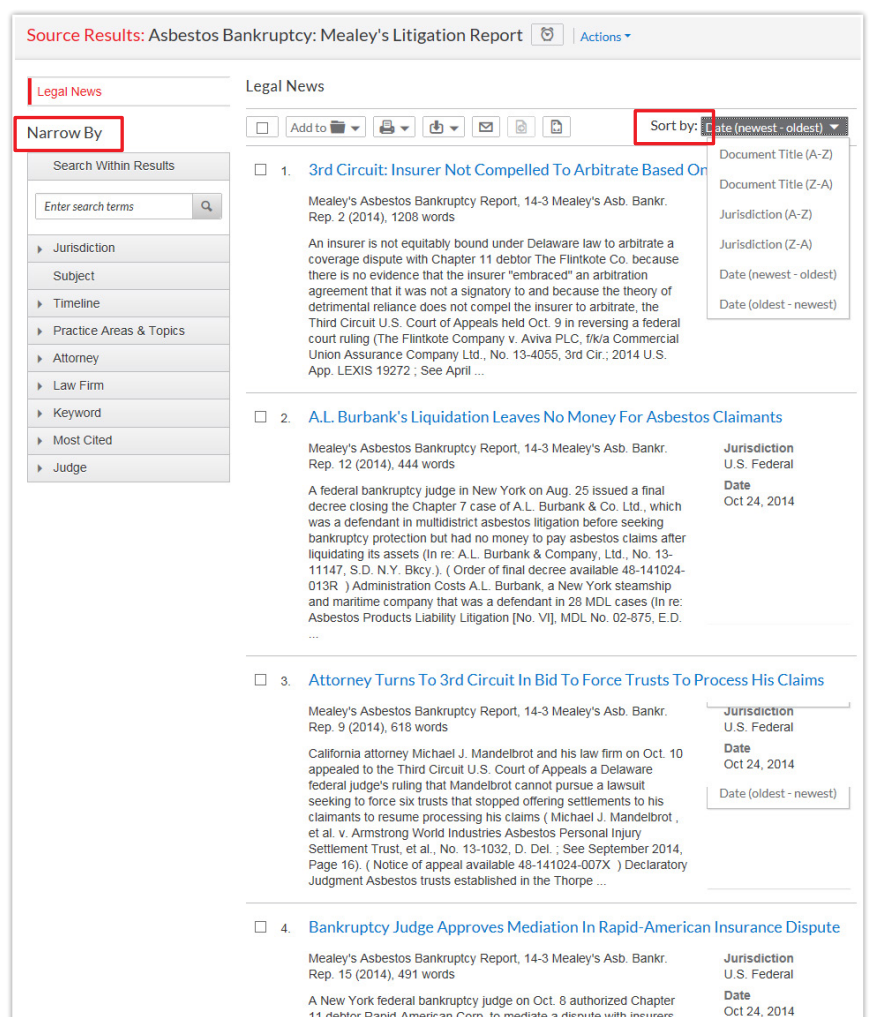

The screenshot shows the Lexis Advance Research interface. The search bar contains the text "Asbestos Bankruptcy: Mealey's Litigation Report". The results list includes several items, with "Asbestos Bankruptcy: Mealey's Litigation Report" selected. A pull-down menu is open for this item, showing options: "Get documents", "Add source as a search filter", and "Create a publication alert".

Get documents

Click **Get documents** to get all articles in this publication; then, use the filters under **Narrow By** to find exactly what you need:

- Jurisdiction
- Subject
- Timeline
- Practice areas & topics
- Attorney
- Law firm
- Keyword
- Most cited
- Judge

Using the **Sort by** pull-down menu on the right, you can also choose to view documents in the order you need—by title, jurisdiction or date.

The screenshot shows the "Source Results" page for "Asbestos Bankruptcy: Mealey's Litigation Report". The page displays a list of documents under the "Legal News" category. The "Narrow By" filter is active, and the "Sort by" menu is open, showing options: "Date (newest - oldest)", "Document Title (A-Z)", "Document Title (Z-A)", "Jurisdiction (A-Z)", "Jurisdiction (Z-A)", "Date (newest - oldest)", and "Date (oldest - newest)".

Search relevant Mealey's titles

You can easily search any or all Mealey's titles for information on a specific topic. From the Lexis Advance home page, enter your search terms in the red search box, click the **Filter** pull-down menu and select Category > **Legal News**. Another option is to enter a Mealey's publication name in the search box (being sure to include the apostrophe in the spelling), then narrow by source.

The screenshot shows the Lexis Advance search interface. At the top, the search terms "toxic mold protection act" are entered in a search box, with a "1 Filter" dropdown and a "Search" button. Below the search bar, the "Narrow By:" section is set to "Legal News". A list of categories is shown on the right, with "Legal News" selected. The "Start in" dropdown is also set to "Legal News".

Filter results

The screenshot shows the search results for "toxic mold protection act" in the "Legal News" category. The results are sorted by "Relevance". The first result is "Judge Rejects UCL Mold Claims Based On Law Allowing For Creation Of Standards". The "Source" filter menu is open, showing a list of sources with their respective counts: "Mold: Mealey's Litigation Report" (9), "California Environmental Law Reporter" (4), "California Real Estate Reporter" (3), "The National Law Journal" (2), "California Section 17200: Mealey's Litigation Report" (1). The "Select multiple" option is highlighted.

Once you've run your search, you can work with and filter results just as you would after any Lexis Advance search. For example, click **Source** (see left) and narrow to one or more Legal News sources (Mealey's titles outlined here). To select more than one, click **Select Multiple**.

Save a publication as a favorite search filter

It's easy to designate a specific Mealey's publication as a favorite search filter—singly or in combination—by clicking the star below the publication source filter(s).
