advancing what's possible

SEARCH COURTS WITH CONFIDENCE

PERFORM DOCKET RESEARCH AND GATHER CRITICAL INTELLIGENCE
ON KEY PLAYERS IN LEGAL CASES

Court dockets, complaints and other court-filed documents are vital sources of litigation intelligence. Build the competitive advantage you need with convenient access to tools and resources from LexisNexis® CourtLink®, the industry-leading docket and document collection.

- CourtLink® provides full-docket coverage from more state courts than any of our competitors. We also offer the **industry's largest collection of dockets and documents**.*
- CourtLink content covers up to 27 years of civil litigation history and 100% of cases filed at the federal civil level.
- Only LexisNexis® enables you to search more than 218 million federal and state court dockets and documents in a single click.

CourtLink Single Search

Conduct a broad, multi-source search across our unmatched collection of federal and state court content. You can then filter your results to pinpoint the most relevant dockets and documents. Save valuable time by casting a wide net and use our refinement tools to find the precise answers you need to win.

CourtLink Alert

With the flexible CourtLink Alert feature, you can automatically receive notification of newly filed cases involving opposing parties, presiding judges, attorneys, firms and subject matter of interest to you. With full-text searching and Keyword Complaint Notification, CourtLink Alert puts LexisNexis a step above competing offerings.

CourtLink Track

CourtLink Track helps you more efficiently manage your workflow by letting you stay on top of new activity in existing cases that matter to you. Get email notification of new developments in your organization's existing federal and state court cases. You can also use the Track feature to keep abreast of events in other cases that may affect your company.

CourtLink Search

Get superior search capabilities—including Patent Search, Docket Search and Document Finder—to access relevant past and present litigation activity. Save your most frequent searches to run them again later.

CourtLink Document Retrieval

Easily order federal and state court documents to be delivered to your office or through email.

CourtLink Strategic Profiles

With CourtLink Strategic Profiles, you can uncover the litigation history of a company or individual to assess risk and uncover patterns to help you make better business decisions. CourtLink Strategic Profiles also helps you:

- Research the comprehensive litigation history of a supplier, prospect or competitor
- Discover whether any alliances you're about to enter pose a risk to your company
- Locate key information about suppliers, such as whether or not they have been sued for breach of contract
