## Simply better research.

A refreshed way to quickly access over 15,000 business, legal, and news sources make LexisNexis Academic the premier, “go to” research tool for your library.

Every day, millions of professionals in business, law and government turn to LexisNexis® for powerful, precise and authoritative results for their critical research needs. With LexisNexis® Academic, students and faculty can access this valuable research tool from their home, office or other campus locations. This powerful, easy-to-use, Web-based service is tailored for the academic library, and is currently available in virtually all academic research libraries in more than 2,000 colleges and universities across the United States.

*“When students can’t find information, I always send them to LexisNexis and they are thrilled when they find all the information they are looking for—and then some—for their papers. Our faculty often use LexisNexis for their assignments.”*

—Colorado State University Librarian

## Powerful Customized Interface

LexisNexis Academic makes it easy to get relevant results quickly. The newly redesigned search forms facilitate accurate research, and advanced tools streamline the entire research process. Improved customized search forms make it easy to narrow millions of articles to the most relevant pieces of information.

## Unmatched Content

Over 15,000 business, legal and news sources make LexisNexis Academic one of the most robust and complete research tools in your library. Access thousands of newspapers, periodicals, television and radio broadcasts, newswires, blogs, corporate directories and financial information. Search deep backfiles of local, regional and national newspapers from around the world—in English and many European languages. Take confidence in complete coverage of U.S. federal and state courts, *Shepard's*® Citations Service, and access to hundreds of law reviews.

## Fast and Easy Anywhere Access

Campus-wide access using IP authentication, support for secure remote and mobile access methods, and unlimited simultaneous access make LexisNexis Academic available to all your users.

## Portable Search Widgets

Portable Search Widgets allow you to put a live LexisNexis Academic search box on your own library website.

## Interoperability

LexisNexis Academic works with your existing systems to manage your electronic holdings and put the right content in front of your patrons.

## Content Review

LexisNexis aggressively pursues appropriate new content. Our advisory committee, made up of librarians from diverse academic institutions, reviews content additions and adheres to our collection development policy.

## Training and On-Demand Support for Librarians

Professional training and 365/24/7 toll-free telephonic support are available to librarians at subscribing institutions. Our academic training team conducts on-site and Web-based training sessions throughout the year. Customer support representatives are on call to provide technical assistance and to answer questions about content, product features and search strategies at any time.

## Powerful Source Selection

Search for a source by name OR identify sources by type, language, topic, geography or other facets. Use the **Source Information** feature to display coverage details, publication frequency, online availability, publisher information, and to view sample content and search features.

## LexisNexis SmartIndexing Technology™

LexisNexis SmartIndexing Technology™ ensures relevant results by applying controlled vocabulary terms for several different taxonomies to all LexisNexis news and business content. The Source Selection tool includes such attributes as publication type, language, geographic region and topic coverage.

## Results Clustering

Results clustering technology provides an instant, multi-faceted analysis of the distribution of hits in each results set, allowing users to filter results and go directly to relevant information. After running a search in LexisNexis Academic, and obtaining results that contain more than one hit, results are displayed similar to the screen shown below.

## News

Whether you're looking for current news information, or information going back 25 years, LexisNexis Academic offers a wide variety of authoritative sources, including:

- Full text of more than 3,000 newspapers from the U.S. and around the world, many of which are updated on the same day of publication
- More than 1,000 magazines and journals and over 1,000 newsletters, including *Newsweek*®, *Library Journal*®, *New Republic* and *Variety*®
- Hard-to-find broadcast transcripts from the major television and radio networks, including ABC News®, CBS News®, CNN®, FOX News®, NBC®, MSNBC® and NPR®, as well as political transcripts, press briefings from the U.S. State, Justice and Defense departments, and presidential news conferences
- Wire services, updated several times a day, including respected names such as the Associated Press®, Business Wire® and PR Newswire®
- Non-English-language newspapers, magazines and other sources available in Spanish, French, German, Italian, Dutch, Portuguese and Arabic
- Premium blogs and video blogs from *The New York Times*®, *Newstex*®, *China Watch* and *Medline*®

## WebNews

Web News expands access to more than 300 local and regional newspapers, blogs and other Web sources. Web News aggregates relevant information from the websites of newspapers that are not formally included in a LexisNexis Academic subscription.

## Document Delivery to Cloud Storage

This enhancement allows users to deliver up to 500 documents directly to their Dropbox™ or Google Drive™ accounts.

Delivery to Dropbox or Google Drive is a great solution for users who need a place to store their research documents that can be accessed from any computer or mobile device. Instead of cluttering up their email inboxes or saving to flash drives, users can deliver directly to a LexisNexis® Academic folder inside of their Dropbox or Google Drive account for future use and easy access.

## Permalinking Capability

Permalinking enables users to easily capture and share links to documents for a variety of purposes, including:

- Bookmarking documents in a Web browser for easy access at a later time
- Adding document-level permanent links to user guides or course syllabi
- Sharing links with others on social media sites
- Emailing links instead of full documents

## Bibliographic Export

Bibliographic export gives users the ability to download bibliographic information in .RIS format, which can be imported into any other citation service, such as Zotero® or EndNote®. In addition, citations can be displayed in *MLA*, *APA* and *Chicago* formats, then copied and pasted to bibliographic pages.

## Legal Research

LexisNexis Academic has everything you need for robust legal research, from primary sources like case law, statutes and regulations to secondary sources, such as legal news and law reviews. Retrieve a case by citation or name, search within legal headnotes, or search for names of counsel and judges. LexisNexis Academic includes the *Shepard's* Citations Service, a cornerstone of the legal research process. Other legal research sources include:

- Law review articles from over 800 journals
- Over 1,500 legal newspapers, magazines and newsletters

- U.S. Supreme Court decisions from January 1790 to present
- New Landmark U.S. Legal Cases source group
- U.S. Circuit Court of Appeals decisions
- U.S. District Court decisions from 1789 to present
- Decisions from Bankruptcy Courts; U.S. Court of International Trade; Tax Courts; Courts of Customs and Patent Appeals; and Veterans, Commerce and Military Courts
- State court decisions for all 50 states and territories
- All federal laws from 1988 to present
- Federal regulations: *Federal Register*, *Code of Federal Regulations*, U.S. Attorney General Opinions, and Federal Acquisition Regulations and Supplements
- Codes for all 50 states and territories, plus constitutions, court rules and Attorneys General opinions

## Business

LexisNexis Academic provides a full range of credible sources for business information, including business news sources such as *Accountancy Age*, *Advertising Age*®, *Hoover's IPO Reports*, *Mergers and Acquisitions Reports* and more; financial information sources such as *Standard & Poor's*® *Corporate Descriptions*, *Hoover's*® *Company Reports*, international company and stock reports and more; and SEC filings and reports, including 10-Q Reports, 10-K Reports, 8-K Reports, 20-F Reports, Annual Reports to Shareholders, Proxy Statements, Prospectuses, Registrations and Williams Act Filings.

Search features permit comparison of companies based on criteria such as sales, income and number of employees.

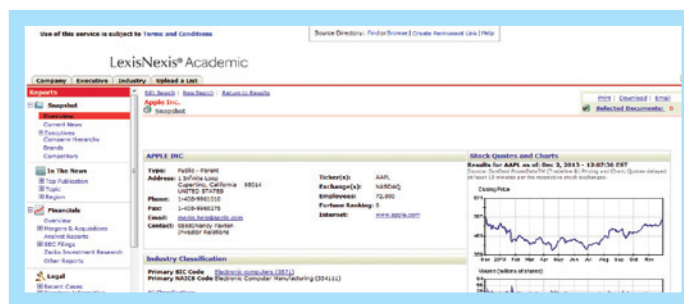

## LexisNexis® Dossier Reports

**LexisNexis® Company Dossier** provides access to the most comprehensive information available on more than 80 million U.S. and international companies, including industry and executive data, and delivers in one report what would typically require more than 70 searches using traditional research methods.

**LexisNexis® Executive Dossier** includes information on over 63 million executives; executive profiles and compensation information; and current cases and SEC filings of company executives.

**LexisNexis® Industry Dossier** offers robust industry coverage including the ability to search by SIC and NAIC codes; Integra Industry Reports; and sales comparisons of the top five companies within an industry.

Locate companies by name or ticker symbol, or link to an advanced search form for more options. Search results are presented in one of several targeted, reliable, easy-to-read formats.
