## Context Quick Reference Guide

The success of litigation rides on the arguments you make in briefs or in court—and words matter. As we all know, judges rely on the same cases and language repeatedly. Knowing that language can be the difference in winning your case. Only Context on Lexis Advance® quickly pinpoints and compiles the specific language, cases and judges your judge or court relies on most often.

Access additional resources on Context at lexisnexis.com/context.

Build your strongest argument using language proven to persuade your judge.

Hire the best expert to testify on your behalf or build your case against opposing counsel's expert.

Anticipate case outcomes with data-driven analysis of your judge’s or court’s previous opinions.
GETTING STARTED WITH CONTEXT

Sign in to the Lexis Advance service at lexisadvance.com and select **Context** from the product switcher. Trouble signing in? Try the **Forgot your ID or password?** link or call Customer Support at 800-543-6862.

**Product switcher:** Navigate to other LexisNexis® products through the product switcher.

**Product name:** Identify the current product you are working within.

**Search:** Enter the name of an expert, an area of expertise, judge or court to run a search across millions of case law documents. Apply a pre-search filter for experts, judges or courts if you would like to narrow search results to a given entity.
JUDGE ANALYTICS

Context for Judges helps you craft better briefs by giving you access to the language that is likely to resonate with your judge—language your judge uses regularly in granting or denying motions like the one you’re developing right now. Gain insights into other judges and cases your judge cites most often and finds most persuasive.

Overview

An Overview appears by default when a particular judge is selected from the search results and shows a snapshot of the judge’s experience and activity over time.

A View high-level information about the judge, including Education, Experience as an Attorney prior to taking the bench and Judicial Experience.

B Quickly view the judge’s Opinions by Areas of Law and Opinions Per Year to understand the judge’s background and experience in similar cases.

C Link to this page to share this profile or revisit it at a later time.

D Create a full or custom report to export and share judge analytics with colleagues.
**JUDGE ANALYTICS**

**Motion Language**

A **Interactive Motion Outcomes Chart:** Examine a judge's rulings on a specific motion type and view an associated case list for that motion type. Motion outcomes are based on opinions written by trial and court judges at both the federal and state level. Context does not currently detect appellate reversals of trial court motion decisions.

B Analyzing the opinions written by a judge, Context identifies the occurrence of up to 100 motion types and analyzes the outcome of the motion (granted, denied or partial ruling).

C View all cases where the judge ruled on a specific motion type and see the exact language used in the judge's decision alongside the motion outcome for that case.
Citation Patterns

Citation Patterns give you the advantage of knowing the language, cases and judges that are most persuasive to your judge.

**A** Frequently Cited Opinions and Judges: View an interactive graphical display of the opinions and judges your judge cites most often.

**B** The right-hand display presents the most common language—exact sentences and phrases—from the opinion or judge selected, so you can easily copy and paste text into your motion or brief.
Without having to run additional searches, all available documents pertaining to your judge from across the Lexis Advance service are compiled automatically for you under the Documents tab. Advanced technology recognizes and tags each judge, yielding more precise results than a name search.

Filters on the left-hand side of the screen work similarly to Lexis Advance and allow you to narrow the results list. Sort related materials by Document Title, Court or Date.
EXPERT ANALYTICS

Whether you’re looking to hire the best expert to testify on your behalf or building your case against opposing counsel, Context for Expert Witnesses is your go-to resource with access to 400,000+ expert witness profiles. Search from 9,000+ areas of expertise to find the expert most relevant to your case.

A From the Context home page, select Experts from the pull-down menu and begin with a simple search if you already know your expert. If you’re looking to identify an expert, input the area of expertise.

B The search word wheel displays matching areas of expertise and suggested areas of expertise to consider from our extensive database.

C Narrow results to match your case jurisdiction using post-search filters for State and City.

D Browse areas of expertise to filter or expand results as you look for the precise expertise needed for your case.

Search by Name or by Area of Expertise

1. Abad, Alfonso M.D., M.S., F.A.C.
   Philadelphia, PA | Cardiovascular Diseases, Internal Medicine, Interventional Cardiology

2. Abdel, Nabila M.D., F.A.C.O.G.
   Nashville, TN | Obstetrics & Gynecology, Family Medicine

3. Ackerman, Jeffrey Michael, M.D.
   Ann Arbor, MI | Diabetics, Internal Medicine

4. Adams, Leonard Jerome M.D.
   Buffalo, NY | Internal Medicine, Nephrology
Overview

An overview appears by default when a particular expert is selected from the search results, showing a snapshot of the expert’s experience and activity over time.

A Quickly view critical information about your expert, including Contact details, Hiring Party, Professional Experience, Licenses and Certifications.

B Access all curricula vitae the Lexis Advance service has available for your expert to identify changes over time which may indicate circumstances worth investigating, such as educational degrees or certificates that have been eliminated.

C See your expert’s litigation experience, including Hiring Party, as well as number of cases per year. Also view practice areas and jurisdictions where your expert has testified.

D Link to this page to share this profile or revisit it at a later time.

E Create a full or custom report to export and share expert analytics with colleagues.
Federal Challenges

A. Expert witness Overall Challenges Outcome Analysis detects expert challenges in federal district court in which a judge has made a ruling. How often the expert's testimony was Admitted, Admitted in Part or Excluded is presented in a quick reference chart.

B. View a breakdown of opinions depicting the grounds for each challenge: Methodology, Qualification, Relevance and Procedural. An opinion will have no dots if the language does not indicate the grounds for challenge or is unclear when discussing the grounds.

C. Explore All Challenge Decisions to see where your expert has testified, grounds for challenge(s) and specific reasons why a judge excluded or admitted the expert's testimony.

D. Without having to run additional searches, all available documents pertaining to your expert from across the Lexis Advance service are compiled automatically for you under the Documents tab. Advanced technology recognizes and tags each expert, yielding more precise results than a name search.
COURT ANALYTICS

Whether you’re a plaintiff determining where to file your case or defense counsel considering a transfer of venue, Context for Courts quickly shows how many cases like yours have been tried in a court and how the court ruled so you can build your best arguments using language proven to persuade your court.

Overview

An Overview appears by default when a particular court is selected from the search results and shows a snapshot of the court’s aggregated history.

A View high-level information about the court, including Jurisdiction, Type, Website, Locations, and Active Judges.

B Quickly view the court’s aggregated Opinions by Areas of Law and Opinions Per Year to understand the court’s background and experience in similar cases.

C Link to this page to share this profile or revisit it at a later time.

D Create a full or custom report to export and share court analytics with colleagues.
Motion Language

**Interactive Motion Outcomes Chart:** Examine a court’s rulings on a specific motion type and view an associated case list for that motion type. Motion outcomes are based on opinions written by trial and court judges at both the federal and state level. Context does not currently detect appellate reversals of trial court motion decisions.

**Analyzing the opinions written by the court,** Context identifies the occurrence of up to 100 motion types and analyzes the outcome of the motion (granted, denied or partial ruling).

**View all cases where the court ruled on a specific motion type and see the exact language used in the judge's decision alongside the motion outcome for that case.**
COURT ANALYTICS

Citation Patterns

Citation Patterns give you the advantage of knowing the language, cases and judges that are most persuasive to your court.

**A** Frequently Cited Opinions and Judges: View an interactive graphical display of the opinions and judges your court cites most often.

**B** The right-hand display presents the most common language—exact sentences and phrases—from the opinion or judge selected, so you can easily copy and paste text into your motion or brief.
Without having to run additional searches, all available documents pertaining to your court from across the Lexis Advance service are compiled automatically for you under the Documents tab.

Filters on the left-hand side of the screen work similarly to Lexis Advance and allow you to narrow the results list.

Sort related materials by Document Title or Date.
