## KNOW YOUR EXPERT

Is your expert witness bulletproof? Is he or she impeccable ... or impeachable? Find out with LexisNexis Expert Research On-Demand. Start by talking with one of our experienced research professionals. With the power of authoritative, unrivaled resources on 382K+ expert witnesses, we make it easy for you to find just the right expert or uncover damaging details that you won't find on a CV.

We focus on your case. Thoroughly vet expert witnesses with the speed and convenience of highly experienced research analysts who quickly conduct, package and deliver the research you need—when you need it.

## KNOW YOUR ADVERSARY

Researching an expert witness's testimonial history works both ways. Depose opposing counsel's expert armed with critical and even unpublished information about their prior casework, biases and behaviors.

In a jurisdiction that limits discovery? Put us to work to identify the opposing experts—see why we have a high success rate in these jurisdictions.

The LexisNexis Expert Research On-Demand team can also help you find and vet difficult-to-find specialty-area experts to support your litigation needs.

## ASK OUR EXPERTS ABOUT THE EXPERTS

Looking for a researcher who's looking out for you? The LexisNexis Expert Research On-Demand team features experienced research professionals who package and deliver sharply focused data essential to your case. Unlike typical referral services, we neither represent nor endorse any expert.

Let's talk strategy. Your expert witness research might be straightforward. It might be complex. Depending on your needs and goals, our experienced research professionals work with you to take advantage of the full complement of LexisNexis® resources.
