

State Net® Legal and Publishing Services

More experience, better solutions

The Legal and Publishing team serves corporate organizations with multiple affiliated business units and over 250 direct users. Our clients include some of the world's largest legal publishing companies and information redistributors.

How We Support Our Clients

- On-site visits
- Annual issue and product production reviews
- Providing publisher-ready content
- Presentations at client workshops, meetings and conferences

Notable Clients

- 28 law & justice clients

Our Legal and Publishing Team Is Backed by:

1. Research analysts who read 150,000+ bills and 30,000+ regulations with an eye toward specialized issues over a wide array of subject matter.
2. State-specific managers with expertise in the unique processes of state legislatures and regulatory agencies.
3. IT professionals who craft technology-based solutions.
4. Help Desk Staff who provide first-level support, troubleshoot problems and answer process-related questions.

The State Net® Legal and Publishing Team builds customized digital technology solutions for organizations that publish, distribute or license state legislative and regulatory content. With a four-decade record of success, our clients benefit from the most accurate, timely and usable advance law material available.

About the Legal and Publishing Team

Our team provides the legal and publishing industry with editorial content for any and all legislative and regulatory issues. Our leading-edge database architecture and technological expertise allow us to provide flexible and creative solutions for any company in the legal publishing industry.

High-Fidelity Data Provision

- Seamless delivery of 50-state and federal legislative and regulatory content
- Advanced law early-warning and code updating
- Industry-leading quality assurance systems
- Standardized XML content with enriched markup to facilitate code or database updates

Priority Client Service

- Develop a comprehensive understanding of your content and production needs so we can help you achieve your goals
- Proactively identify emerging issues and opportunities
- Work with each individual in your organization to customize services according to their workflow and processes

Partnership

- Extension of your editorial and production teams; dedicated to your organization
- Committed to making sure you get maximum value from your service
- Cultivate and maintain strong personal working relationships through regular meetings and onsite visits to ensure that your solution continues to meet expectations
